> ICFEST 2025 aims at providing a platform to researchers, practitioners, scientists, scholars, and engineers to share their expertise and contribute to technical innovations in the area of Frontiers in Electronics and Smart Technologies and its affiliated disciplines.

About the Conference

The International Conference on Frontiers in Electronics and Smart Technologies (ICFEST-2025) will be held on May 30-31, 2025, at Srinivas Institute of Technology, Mangalore, Karnataka, India. This event is dedicated to advancing innovation and promoting research in various domains of Electronics and Smart Technologies. With the rapid evolution of these fields, the conference aims to provide a platform for researchers, academicians, industry professionals, and students to exchange ideas and present their research findings.

Important Dates

- Last date for paper submission
  20, April 2025
- Notification of acceptance
  28, April 2025
- Registration deadline
  15, May 2025
- Camera ready paper submission
  20, May 2025
- Conference dates
  30-31, May 2025

Conference Tracks

- VLSI
- Energy Systems & Power Systems
- Machine Learning
- Embedded Systems and IOT
- Cybersecurity
- Electric vehicles

Call for Papers

ICFEST 2025 invites research manuscripts and articles from prospective research scholars, academicians, scientists, graduate students, and industry professionals. Authors are encouraged to submit their full-length manuscripts through the Microsoft CMT editorial system (submission link provided below). Upon submission, each manuscript will be assigned a unique paper ID. Submissions must present original research ideas, developmental work, analyses, findings, or results. Manuscripts should not have been previously published in any journal, magazine, or conference proceedings, nor should they be under review elsewhere.

Paper Submission

Submit Paper : Go to the link https://cmt3.research.microsoft.com/ICFEST-2025/

Publications

The selected papers will be recommended for possible publication in International Journal of Research and Analytical reviews (IJRAR).

Organized by
