ABOUT M.Com Program with CMA Syllabus:

Master of Commerce [M.Com] is one of the prestigious courses in the country. The program is well received in the industry and for years has been serving the needs of managerial cadre in business and industry. The Certified Management Accountant (CMA) is the highest level of certification in management accounting awarded by the Institute of Management Accountants (IMA) USA. IMA is the professional association of accountants and financial professionals in business in more than 140 countries and more than 100,000 members worldwide. CMA US is equivalent to ICWA of India as per IMA USA and ICWA Moue.

OBJECTIVES:

- To provide conceptual knowledge, logical reasoning ability and analytical skills in the domain of commerce through the regular M.Com curriculum.
- To hone the skills and knowledge in financial accounting and leveraging the CMA papers to qualify for the CMA certification
- To develop globally recognized students with skills and certifications for employability across the world
- To open up diverse opportunities in management accounting and financial management across various industries.

JOB OPPORTUNITIES: CMA certified professionals are in great demand in various companies, multinationals, in the government sector, banking & finance sector and work in the capacity of Budget Analyst, Cost Accountant, Chief Financial Officer, Financial Analyst, Finance Manager, Finance Controller, Accounting Manager, Treasurer, Business Analyst, Cost Controller, and Chief Internal Auditor.
