REPORT ON PARTICIPATION OF AVIATION STUDENTS IN “SMILE WEEK” OF DISHA PROJECT IN MANGALORE INTERNATIONAL AIRPORT

The Airports authority of India had organised a week-long event named “smile week” at Mangalore international airport from 18th to 24th January under the coordination with Disha project.

The purpose of this event was to re-establish the concept of “customer first”, in line with the corporate mission of Airports Authority of India to reflect the best side of customer handling and delightful experience for passengers who spend the time inside the airport.

As a part of this program our 12 students of aviation management had been given the opportunity by the Airport Authority India, to interact with the passengers and had taken up many tasks for passengers such as selfie with yakshagana& costume display, sweets to the passengers, painting, caricature, cartoon drawing & surprise events.

Also on the closing ceremony on 24th January our students received a memento for an intense hard work and dedication for the program. This participation was coordinated and supported by Mrs. Pavithra Kumari, Coordinator of aviation PProgramme, Srinivas University and Mrs. Sunitha, manager, Operations of Department, Mangalore International Airport.

ONE WEEK TRAINING ON IMMIGRATION, CUSTOMS AND DEPARTURE IN MANGALORE INTERNATIONAL AIRPORT from 08/01/2018 to 14/01/2018

The students of Srinivas University have undergone the training programme in Mangalore International Airport about the customs and immigration. In which they had to deal with the survey in which we were supposed to record the average time taken by the passenger. This training programme was carried by Aviation Students under the guidance of Mrs. Pavithra Kumari, Coordinator of Aviation Programme and Mr. Rajaraman (Terminal Manager), Mangalore International Airport. The main objective of this industrial training is to develop the airport operating system into a sophisticated one and also provide an opportunity to under graduates to identify, observe and practice how aviation is applicable in real industry. It is not only to get the experience on technical practice but also to observe live equipment like x-ray machine, and to interact with the staff of AAI.

Also, students learnt the way of work in an organization the importance of being punctual, the importance of maximum commitment, and the importance of team spirit. They have gained lots of knowledge and experience needed to successful in aviation industry.
