**Mrs. Rouman**  
Hindi Faculty

### **OBJECTIVE OF THE CENTRE:**

The Research Centre for the Nurture of Functional Skill in English Language, Literature and Communication is conceived to provide an extra mileage for the stakeholders in the fields where the acumen in the English communicative language is put to test. The centre envisages active theoretical research studies to vent desirable linguistic and pedagogical support in the areas of Spoken English, Creative Writing, Journalism, Calligraphy, Translation, Transliteration, Debating, Editing, Mock interviews, Soft Skills and any other verbal aspects etc. The Research Centre besides being devoted to engage in research activities and generate competent research papers in the relevant core area, also would actively take part in the ongoing quest for emerging areas like transforming the introverts into vivacious speakers. The proposed entity would function as an inclusive centre with a broad spectrum objective of bringing student community in its folds for all creative and recreational activities related with the core facets of functional English i.e. language, literature and communication.
