Anti – Ragging Pledge

I solemnly pledge to uphold a policy of zero tolerance towards ragging in any form, as mandated by the Supreme Court of India, UGC, and NMC regulations. I commit to creating and maintaining a campus environment that is safe, inclusive and respectful for every student. I shall ensure strict enforcement of all anti – ragging laws and institutional rules, take immediate and firm action against any offenders and actively prevent any act that may cause physical, emotional or mental harm. I further pledge to promote a culture of empathy, guidance and mutual respect, where seniors become mentors and friends to juniors, thereby making our institution a truly ragging – free campus where learning, compassion and integrity thrive.
