An odyssey of Life

Samagra Gnana Towards Holistic Enlightenment

Samagra Gnana is an endeavor to explore and experience one's emotions and intellect, and connect it to family, community and culture, country, earth and nature to create an integral wholeness. Gnana is a process of learning to discriminate between what is right and what is not, what is real and what is not. Through a steady advancement in realization of the distinction between the good and the evil, the real and the unreal, one develops into a Gnani. Those who see the difference between the good and the evil and can also understand the process of liberation from bondage, attain the supreme goal. Sama, the adjective meaning whole, covers all the notions of totality.

The logo in the form of a galloping horse symbolizes loyalty, industriousness and swiftness. A galloping horse represents success or opportunity coming your way. It also symbolizes blending with your higher power, the greater being within you.

The horse is symbolic of energy, power, steadfastness, perseverance and prosperity. It also symbolizes the air or prana which runs through the channels of the body and is the vehicle of the mind.

The "Wind-Horse" envisages the possibility of controlling the mind and wind to guide it towards a desired direction and at a desired speed.

It also represents Srinivas Group of Colleges and is a symbol of Victory. It represents the highest internal source of knowledge.

Late A. Shama Rao
Founder

A. Shama Rao Foundation SRINIVAS GROUP OF COLLEGES

Great ideals formed the backdrop of the founding of the A. Shama Rao Foundation that promotes Srinivas Group of Institutions which offers professional education in the fields of Medical, Dental, Management, Engineering, Hotel & Hospitality Sciences, Pharmacy, Nursing, Physiotherapy and Computer Applications.

Education plays a vital part in moulding a citizen. This need to energise society through high ideals and a strong foundation in academics was the sole aim to establish the Foundation in the year 1988. With a strong vision in mind, the Foundation has moved forward and established great temples of learning in several fields. Today, with a renewed focus, the foundation dreams of holding high the ideals and moves forward.

Late Adka Shama Rao, our Founder, placed high merit in the belief that the citizens of tomorrow could be moulded well with education which is a powerful implement to augment one's internal belief and spirit of kinship.

It is these values that continue to drive the foundation today with renewed vigour and zeal.

About Us:

Late A. Shama Rao visualized that education is the only means to the development of mankind and the society. The dream of the ideal teacher A. Shama Rao, was made a reality by his noble son CA A. Raghavendra Rao by establishing the A. Shama Rao Foundation in the year 1988 which sponsors the Srinivas Group of Colleges offering professional education in the fields of Medical, Engineering, Management, Hotel Management, Allied Medical Sciences, etc.

A. Shama Rao Foundation's Srinivas Group of Colleges is an endeavor to develop a centre of excellence and impart quality education to generate competence and skill to meet the scientific, technological, managerial and socio economic challenges. The Group, in its 27th year of service to mankind manages a plethora of institutes that are striving hard to innovate and improve the quality of educations system.

Excellence, which will deliver professional manpower to the industry and the nation at large, is the hallmark of Srinivas Group of Colleges. The Group has constantly strived to provide the best of the faculty members and state-of-the-art facilities. The students are encouraged and supported not only to excel in academics, but also to develop their personality through co-curricular, extra curricular activities and other extension activities.

A. Shama Rao Foundation's
Srinivas Group of Colleges

- **SRINIVAS INSTITUTE OF MEDICAL SCIENCE & RESEARCH CENTRE**
Bachelor of Medicine Bachelor of Surgery (MBBS)

Note : Ragging is a punishable offence and in any incident of ragging, the punishment to be meted out has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents as per the recommendations of the Hon'ble Supreme Court of India.

“Quality education has become a survival necessity in this scenario of changing socio-economic identities of nations and rapidly changing technologies. Equipping students with the right knowledge and attributes needed to face the real world outside is a constant challenge for educational institutions. We, at Srinivas Group of Colleges create innovations and design supporting tools that help in improving the quality of the education system. Attempts are made to re-orient the education system with relevant inputs.”

Sri. CAA. Raghavendra Rao
Founder President

“It is on the sound education of the people that the security and destiny of every nation chiefly rests. Primary education is considered to be the most important in the life of an individual. But as child grows up, the hidden treasure of his/her intellectual personality has to be drawn out by offering higher education. Srinivas Group of Colleges intends to develop all that is needed in youngsters. Excellence, the hallmark of our Group, reflects in all our endeavors”.

Dr. A. Srinivas Rao
Vice-President

Vision

Transforming Society through Education by setting up academic institutions in dynamic equilibrium with its social, ecological and economic environment striving continuously for excellence in education, research and technological service to the nation.

Mission

To create and sustain a community of learning in which students acquire knowledge and learn to apply it professionally with due consideration for ethical, ecological and economic issues and to pursue research and disseminate research findings. To provide knowledge-based technological services to satisfy the needs of society and the industry. To help in building national capabilities in science, technology, humanities, management, education and research.

Srinivas Institute of Medical Science & Research Centre

Approved by Medical Council of India, New Delhi
Affiliated to Rajiv Gandhi University of Health Sciences, Bengaluru

MBBS

Srinivas Institute of Medical Sciences & Research Centre is the 1st Medical College established by the Group in 2011. The college boasts of state of the art infrastructure, highly experienced & dynamic faculty with a rich mix of academic & clinical background and has an attached multi specialty Srinivas Hospital. The Hospital also helps the students in getting exposure through regular clinical postings as part of their curriculum.

Unique Features:

- Spacious multimedia gallery classrooms with audio visual facilities.
- Well equipped medical laboratories.
- Well stocked library with a good collection of National & International journals.
- Well furnished & equipped demonstration rooms.
- Well established Research Labs.
- Separate in campus Girls & Boys hostel with mess facility.
- Interactive Learning sessions.
- Departmental library & outstandingly organized museums
- Sports, Games & Multi gym facility.
- Frequent Field visits , camps in local areas, pulse polio immunization & clinical training facilities in attached hospital.
- Collaboration with District Hospital in planning & implementation of several National Health

Courses offered

1. Bachelor of Medicine, Bachelor of Surgery (M.B.B.S.)

Duration:

5½ years which includes 4½ years of study in the college followed by one year of compulsory rotatory internship.

Eligibility:

Candidates who have passed PUC (10+2) examination of Karnataka PU Board or an equivalent examination of any other approved Board or University with not less than 50% marks in aggregate of Physics, Chemistry & Biology & 50% in English are eligible for admission provided the candidates have completed 17 years as on 31st December of the year of admission.

2. B.Sc (O.T. Technology)

3. B.Sc (Anaesthesia Technology)

4. B.Sc (Optometry)

5. B.Sc (Medical Lab Technology)

6. B.Sc (Imaging Technology)

Duration of the Course:

Duration shall be for a period of three and half years including six months of Internship

Eligibility:

A Candidate seeking admission to the Bachelor of Science Degree Courses in the Allied Health Sciences course from Sl.No.2 to Sl.No.6 shall have studied English as one of the principal subject during the tenure of the course and for those seeking admission to the Bachelor of Science Degree Courses in the Allied Health Sciences courses from Sl. No. 2 to 5 mentioned above except for B.Sc. Imaging Technology shall have passed:

1. Two year Pre-University examination or equivalent as recognized by Rajiv Gandhi University of Health Sciences with, Physics, Chemistry and Biology as principle subjects of study.
OR
2. Pre-Degree course from a recognized University considered as equivalent by RGUHS, (Two years after ten years of schooling) with Physics, Chemistry and Biology as principal subjects of study.
OR
3. The vocational higher secondary education course conducted by Vocational Higher Secondary Education, Government of Kerala with five subjects including Physics, Chemistry, Biology and English in addition to vocational subjects conducted is considered equivalent to plus TWO examinations of Government of Karnataka Pre University Course.
OR
4. Candidates with two years diploma from a recognized Government Board in a subject for which the candidate desires to enroll, in the respective Allied Health Sciences course mentioned in Sl. No. 2 to 6 shall have passed plus 12 [10+2] with Physics, Chemistry and Biology, as principal subjects or candidates with 3 years diploma from a recognized Government Board in a subject for which the candidate desires to enroll, in the respective Allied Health Sciences course mentioned in Sl.No.2 to 6 should have studied Physics, Biology and Chemistry as principal subjects during the tenure of the course.
5. Lateral entry to second year for allied health science courses for candidates who have passed diploma program from the Government Boards and recognized by RGUHS, fulfilling the conditions specified above under Sl. No. 4 and these students are eligible to take admission on lateral entry system only in the same subject studied at diploma level from the academic year 2008-09 vide RGUHS Notification no. AUTH/AHS/317/2008-09 dated 01.08.2008.
6. In case of admission to B.Sc.Imaging Technology (Sl.No-6) the candidate should have passed Pre-University or equivalent examination with Physics, Chemistry, Biology and Mathematics, as principal subjects of study.

Srinivas Hospital

(A constituent of Srinivas Institute of Medical Science & Research Centre)
 Mukka, Surathkal, Mangaluru.

Srinivas Hospital is a 530 bedded multispecialty Hospital (to be upgraded to 700 bedded Hospital) situated in Mukka, 18 kms from the city of Mangalore. Srinivas Hospital is envisaged to be a premier Medical Institution in this part of the country, boasting of latest amenities and equipment, which will be made available at affordable cost to the public. Eminent consultants provide most advanced Patient care and services.

Departments

- General Medicine
- General Surgery
- Obstetrics and Gynaecology
- Orthopaedics and Traumatology
- Ophthalmology
- Otolaryngology, head and neck surgery (ENT)
- Paediatrics
- Dermatology
- Radiodiagnosis
- Anaesthesiology
- Dental Clinic
- Central Laboratory
- Psychiatry
- T.B. & Chest Diseases

Facilities

- 530 bedded teaching hospital
- State of the art-Operating theatre complex, ICU/NICU/PICU/ICCU/SICU, labour Theatre complex
- Modern Trauma (Accident) and Emergency centre
- 24 hrs Pharmacy and Central Diagnostic Laboratory
- 4 D Ultra Sound & 16 Slice CT Scan
- Cath Lab
- Endoscopy
- Colonoscopy
- 24x7 Ambulance
- 2 D Echo Cardiogram

Srinivas Institute of Dental Sciences

Affiliated to Rajiv Gandhi University of Health Sciences, Bengaluru and recognized by the Dental Council of India, New Delhi and Government of Karnataka.

BDS

Srinivas Institute of Dental Sciences is emerging as an institute par excellence in the field of dental education, patient care & research. The institute boasts of latest technical and professional infrastructure.

Course offered

Bachelor of Dental Sciences (BDS)

Duration of the course:

5 years (including 4 years study and 1 year rotatory internship)

Eligibility:

Candidates who have passed PUC (10+2) examination of Karnataka PU Board or an equivalent examination of any other approved Board or University with not less than 50% marks in aggregate of Physics, Chemistry & Biology & 50% in English are eligible for admission provided the candidates have completed 17 years as on 31st December of the year of admission.

Unique Features

- Experienced, dynamic teaching faculty with finest skills.
- Well equipped modern laboratories, for imparting good quality training.
- Spacious outpatient department with state of the art dental chairs.
- Advanced library facilities (journals, rare & expensive texts, digital library)
- Regular programme conducted for enhancement of knowledge, skill & expertise
- Separate Boys and Girls hostel within campus

Srinivas Institute of Technology

Affiliated to Visvesvaraya Technological University (VTU), Belgaum
Recognized by the All India Council for Technical Education (AICTE),
New Delhi.

**BE / B.Arch / MBA /
MCA / M.Tech / Ph.D.**

Established in the year 2006, Srinivas Institute of Technology (SIT) has an excellent infrastructure with an eco friendly green campus and has gained the reputation as one of the best, self financed engineering colleges of Karnataka and is earmarked as an institution with a potential to excel. S.I.T is true to its vision of creating competent technical graduates, high in ethical values-the 'think tanks' of tomorrow. In the fast changing scenario of advanced technology, S.I.T. is justifiably proud of stimulating a holistic growth-through Samagra Gnana-creating extremely proficient professionals of integrity, at par with international standards -thereby catering to the global demands.

Courses offered

Bachelor of Engineering (BE)

- Mechanical Engineering
- Computer Science & Engineering
- Information Science & Engineering
- Electronics & Communication Engineering
- Electrical & Electronics Engineering
- Aeronautical Engineering
- Automobile Engineering
- Marine Engineering
- Nano Technology

Duration of the course:

4 Years (8 semesters)

Eligibility:

The student should have passed 2nd PUC / 12th standard or equivalent with English as one of the languages and obtained 45% of marks in aggregate in Physics and Mathematics along with Chemistry / Bio-Technology / Computer Science / Electronics / Biology. In case of candidates belonging to Karnataka Scheduled Caste, Scheduled Tribe and other Backward Classes (Category 1,2A,2B, 3A and 3B), the minimum marks for the purpose of eligibility will be 40% in aggregate in the optional subjects in the qualifying examination.

Admission Procedure:

Admission through Management Quota / COMEDK, CET and NRI quota as laid down by Government of Karnataka from time to time.

Bachelor of Architecture (B. Arch)

Affiliated to Visvesvaraya Technological University (VTU), Belgaum
Recognized by the All India Council for Technical Education (AICTE), New Delhi.
Approved by Council of Architecture, New Delhi.

Duration of the course:

5 years (10 semesters)

Eligibility:

The student should have passed 2nd PUC / 12th standard or equivalent examination with Mathematics as a compulsory optional subject and obtained a minimum of 50% of marks in aggregate in all the subjects in qualifying examination [45% of marks in case of candidates belonging to Karnataka Scheduled Caste, Scheduled Tribe and other Backward Classes (Category I, 2A, 2B, 3A and 3B)] and should compulsorily appear for NATA [National Aptitude Test in Architecture] and get a minimum of 40% in it (including SC, ST and other Backward classes)

Admission Procedure:

Admission through Management quota/COMEDK/CET and NRI Quota as laid down by the Government of Karnataka from time to time.

Master of Business Administration (MBA)

Duration of the course:

2 years (4 Semesters)

Eligibility:

The candidates who have passed the Recognized Bachelor's Degree of minimum 3 Years duration with not less than 50% (round off aggregate percent is not permitted) of the marks in aggregate of all the years. However, in case of SC/ST and Category I the aggregate percent marks of all the years shall not be less than 45%.

Only CMAT (Common Management Admission Test) scores will be considered for admission to MBA courses.

Admission under management quota needs valid K-MAT score or valid MAT / XAT / CAT / CMAT / PG CET score. Admission under government quota needs valid PG CET score and counselling conducted by KEA, Govt. of Karnataka

Master of Computer Applications (MCA)

Duration of the Course

3 years (6 Semesters)

Eligibility:

Candidates who have passed Bachelor degree from a recognized University with not less than 50% (rounding off aggregate percent is not permitted) of marks in aggregate of all the years of the degree examination with mathematics or statistics or computer science or computer programming or computer application or business mathematics as one of the optional or elective at degree level. However, in case of candidates belonging to SC/ST and category I aggregate percentage of marks should be 45%.

Admission under management quota needs valid K-MAT score or valid MAT / XAT / CAT / CMAT score. Admission under government quota needs valid PG CET Score conducted by Govt. of Karnataka

Unique Features

- Recognized as Remote Centre of IIT Bombay
- MOU with EMC Corporation, USA, Infosys Technologies, EDS Technologies & Classle Knowledge Pvt. Ltd.
- Membership with BITES, Govt. of Karnataka, The Indian Society for Technical Education (ISTE), Computer Society of India (CSI) & Microsoft IT Academy
- Multimedia Gallery classrooms with Audio & Video facility.
- Well equipped laboratories
- Library with abundant books and journals of international repute & Digital Library
- Industry-Institute interaction, industrial visits & Training
- EDUSAT & E-Vidya- Content Sharing System
- Highly experienced & dynamic faculty from industry & academics.
- Hostel & Transportation facility
- Wi-Fi enabled campus with free internet for students
- 100% placement assistance
- Indoor & Outdoor sports/games facility
- Various certificate courses in collaboration with established firms.
- Food courts with both South & North Indian food.

Master of Technology (M.Tech)

Duration of the course:

Full Time: 4 Semesters (2 years)

Eligibility:

Candidates who have passed B.E/ B.Tech.examinations (in relevant field) with minimum 50% (45% for SC/ST and Category I) marks in aggregate of all years/ semesters of degree examinations of Visvesvaraya Technological University or any other University/Institutions or any other examinations recognized as equivalent thereto are eligible to undertake strive course.

Admission Procedure:

Admission through eligible marks in Graduate Aptitude Test in Engineering (GATE)/ PG CET conducted by Government of Karnataka.

Branches:

M.Tech in Digital Electronics
M.Tech in Industrial Automation & Robotics
M.Tech in Computer Science
M.Tech in Thermal Engineering
M.Tech in Computer Networking
M.Tech in VLSI design & Embedded system

Doctor of Philosophy (Ph.D.)- Part Time and Full Time

Branches:

Chemistry
Business Administration
Mechanical
Physics
Master of Computer Application

Srinivas Institute of Management Studies

Affiliated to Mangalore University, Mangaluru.
Recognized by All India Council for Technical Education(AICTE), New Delhi.

MBA/MCA

Srinivas Institute of Management Studies, established in 1999, offers post graduate programmes in Management-MBA and Computer Applications-MCA. Known for its quality oriented teaching in the coastal belt of Karnataka and Kerala, Srinivas Institute of Management Studies is popular for student centric activities that help in all-round development of the students. With a strong faculty team which has a blend of academicians and industry experts, the Institute is striving hard to be the top B-School in India.

The Institute, over the fourteen years of its existence has proved its academic discipline and quality oriented system of education and has the reputation of best academic results and placements in well known companies. The Institute has produced several rank holders in the University examinations and has proved itself to be one among the best B-Schools to study in.

Courses Offered

Master of Business Administration (MBA)

Duration of the course:

2 years (4 Semesters)

Eligibility:

Graduate in any discipline with not less than 50% marks in aggregate of all the subjects including languages (45% for SC/ST & Category I) from a recognized University.

Master of Computer Applications (MCA)

Duration of the course:

3 years (6 Semesters)

Eligibility:

Graduation with minimum 50% (45% for SC/ST & category I) in aggregate in BCA, B.Sc, Computer Science or 50% marks in aggregate in any degree (B.Sc., B.Com., B.B.M., etc) with Mathematics / Business Mathematics at PUC level or degree level.

Admission Procedure for MBA and MCA:

The candidates who have passed the Recognized Bachelor's Degree of minimum 3 Years duration with not less than 50% (round off aggregate percent is not permitted) of the marks in aggregate of all the years. However, in case of SC/ST and Category I the aggregate percent marks of all the years shall not be less than 45%.

Only CMAT (Common Management Admission Test) scores will be considered for admission to MBA Program.

Admission under management quota needs valid K-MAT score or valid MAT / XAT / CAT / CMAT / PG CET score. Admission under government quota needs valid PG CET score and counselling conducted by KEA, Govt. of Karnataka

- Marketing, Human resource & Finance forums

Srinivas College of Physiotherapy and Research Centre

(Karnataka's First Physiotherapy Research Centre under RGUHS, Bengaluru)

Affiliated to Rajiv Gandhi University of Health Sciences, Bengaluru, Karnataka, and Recognised by Indian Association of Physiotherapists (IAP), New Delhi.

BPT / MPT / Ph.D.

Srinivas College of Physiotherapy chartered in 1993 with BPT, MPT in 2000, upgraded as Research center offering Ph.D. in 2008 and emerged as one of the best physiotherapy institute in Karnataka state as well as India.

The physiotherapy professionals as experts in movement sciences evaluate muscle and bone functions, function of heart and lungs, and developmental activities for patients across the lifespan i.e., New-born to Old age to develop comprehensive approaches for prevention, diagnosis and therapeutic rehabilitation.

The college provides cutting edge clinical Facilities and in-house training in Medical College and 600 bedded teaching Hospital for the students with state of the art education at affordable cost in south India.

The Staff team is made up of expert clinicians with doctoral degrees who are committed to advancing the profession of physical therapy and mentoring those who will become the new professionals of tomorrow.

Courses Offered

Bachelor of Physiotherapy (BPT)

Duration of the course:

4 years of study and 6 months of compulsory rotatory internship

Eligibility:

The candidates who have passed the two year Pre-University Examination (Class XII or 10+2) by the Pre-University Education Board, Karnataka or any other Board considered equivalent thereto by Rajiv Gandhi University of Health Sciences, Bangalore with a minimum of 40% (35% for SC/ST and Category I) marks in aggregate of Physics, Chemistry and Biology are eligible for admission provided they have completed 17 years of age as on 31st December of the year of admission.

Master of Physiotherapy (MPT)

Duration of the course:

2 Years

Eligibility:

The candidates who have passed full time B.Sc (PT) or BPT degree with the duration of study of 3 ½ or 4 ½ years from Rajiv Gandhi University of Health Sciences or from any other University in India or abroad considered equivalent with not less than 50% of marks are eligible for admission. The candidate must have also completed 6 months of compulsory rotatory internship.

Speciality options

- Musculoskeletal Disorders and Sports
- Neurological and Psychosomatic Disorders
- Cardio-Respiratory Disorders
- Community Rehabilitation
- Paediatrics

Doctor of Philosophy (Ph.D.)

Duration of Course:

Part Time: 5 years

Full Time: 3 years

Eligibility:

MPT from Rajiv Gandhi University of Health Sciences, Bangalore or any other University in India or abroad considered equivalent.

Specialities:

- Oncological Physiotherapy
- Orthopedic and Sports Physiotherapy
- Paediatrics

Unique Features

- Clinical postings at Srinivas Medical College, Hospital, Mukka, Surathkal, Mangaluru.
- Extraordinary infrastructure with state of art laboratories, ultramodern therapeutic clinics, well established research labs supported with well illuminated and ventilated class rooms with audio-visual equipments.
- Well qualified and highly experienced faculties and Wi-Fi enabled campus with free internet facility.
- More than 95% results in the examinations for more than 10 years with highest number of University ranks and distinctions.
- First Ph.D. centre recognized by Health Sciences University in India
- MOU with Rehability Care Inc. Health care service provider from USA for placements in USA
- Visiting faculties from University of Carolina and Michigan, USA
- First Kinesiology lab equipped with Force Plate and EMG in India
- Accredited General credit upgradation program for US job opportunities and TOEFL test centre.

Srinivas School of Engineering

Affiliated to Visvesvaraya Technological University (VTU), Belgaum
Recognized by the All India Council for Technical Education (AICTE), New Delhi.

BE / M.Tech / Ph.D.

Srinivas School of Engineering is the second Engineering College established by the Group with the objective of preparing professional engineers in different fields of engineering. The college aims to deliver a distinctive, all round, excellence driven engineering education that will groom future generations of engineers and entrepreneurs. With the help of well qualified & experienced faculty, modern amenities, rich library, well equipped laboratories, computer facilities and other necessary infrastructure, the institute aims to produce career – ready graduates who are immediately employable, self-reliant and ethical. It has been the endeavor of the college to provide a healthy educational environment that fosters innovation and enthusiasm in students.

Courses Offered

Bachelor of Engineering (BE)

- Civil Engineering
- Computer Science Engineering
- Electronics and Communication Engineering
- Mechanical Engineering

Duration of the course:

4 years (8 Semesters)

Eligibility:

The student should have passed 2nd PUC / 12th standard or equivalent with English as one of the languages and obtained 45% of marks in aggregate in Physics and Mathematics along with Chemistry / Bio-Technology / Computer Science / Electronics / Biology. In case of candidates belonging to Karnataka Scheduled Caste, Scheduled Tribe and other Backward Classes (Category 1, 2A, 2B, 3A and 3B), the minimum marks for the purpose of eligibility will be 40% in aggregate in the optional subjects in the qualifying examination.

Admission Procedure:

Admission will be made as per CET category, COMEDK, NRI, Management as prescribed by the Govt. of Karnataka (According to the Govt. Order issued from time to time)

Unique Features

- Dynamic and Experienced faculty team
- Excellent, modern infrastructure
- Executive multimedia classrooms
- Wi-Fi enabled vast campus with free internet facility for students
- Personality development curriculum
- Transportation facility
- Hostel facility
- Cafeteria

Master of Technology (M.Tech)

Duration of the Course:

Full Time: 4 Semesters (2 years)

Eligibility:

Candidates who have passed B.E/ B.Tech.examinations (in relevant field) with minimum 50% (45% in the case of candidates from Karnataka belonging to SC/ST and Category I) marks in aggregate of all years/ semesters of degree examinations of Visvesvaraya Technological University or any other University/Institutions or any other examinations recognized as equivalent thereto are eligible to undertake strive course.

Admission Procedure:

Admission through eligible marks in Graduate Aptitude Test in Engineering (GATE) or PG CET conducted by Government of Karnataka.

Branches:

- M.Tech in Structural Engineering
- M.Tech in Digital Electronics & Communication
- M.Tech in Computer Science
- M.Tech in Digital Electronics

Doctor of Philosophy (Ph.D.)

- Chemistry
- Physics

Srinivas School of Business

Srinivas School of Business is an autonomous Institution recognized by All India Council for Technical Education (AICTE), New Delhi and approved by the Ministry of HRD, Government of India and Government of Karnataka.

PGDM

The Institution prepares the students for an evolving global society by enriching their experiences through programs, events and services designed to promote personal development, Leadership skills, social & civic engagements in today's competitive world.

Course Offered

Post Graduate Diploma in Management (PGDM)

Duration of the course:

6 trimesters (2 Years)

Eligibility:

Three year Bachelor's degree or equivalent degree in any discipline from any recognized University in India or Abroad with minimum 45% of marks.

Selection Process:

The selection process for the programme will be carried out in 3 stages.

Stage 1: Candidates will be short listed on the basis of their score in CAT/MAT/KMAT

Stage 2: Candidates short listed in stage one will have to participate in Group Discussion and personal interview.

Stage 3: Selection of students and admission based on overall merit ranking after Group Discussion and Personal interview.

Dual Degree Programme

Students at Srinivas School of Business have a unique option of pursuing dual degree programme. Students can opt for a one year MSc. Degree in productivity and Innovation at Grimsby Institute of Further and Higher Education, UK along with the PGDM program in our Institution. At the end of two years, the students opting for dual degree can have a PGDM Degree as well as a MSc. Degree.

Srinivas School of Management

Affiliated to Mangalore University, Mangaluru.
Recognised by the All India Council for Technical Education (AICTE), New Delhi

MBA

Srinivas School of Management was established in one of the first integrated campus approved by the AICTE, New Delhi. The Institution strives to foster the growth of intellectually capable, innovative and entrepreneurial professionals. The academic environment provides an ideal foundation for personal and professional development. The institute is committed to equip graduates with the knowledge and skills necessary to work and excel in the competitive global environment.

Course Offered

Master of Business Administration (MBA)

Duration of the course:

2 years (4 Semesters)

Vijayalakshmi Institute of Hospitality Sciences

Affiliated to Mangalore University, Mangaluru.

The Vijayalakshmi Institute of Hospitality Sciences (VIHS) was established in the year 2004, with an aim to enhance the skill set of individuals looking for a career in the tourism and hotel industry. The institution aims to be a source of skilled manpower to the hotel and allied industries in India and abroad.

Vijayalakshmi Institute of Hospitality Sciences offers three-year Bachelor of Science degrees in the fields of hotel management [(B. Sc. (H.S.)) and Interior design and decoration [(B. Sc. (ID & D))]. Both the Degree programmes are affiliated to Mangalore University, Mangaluru. The Institute is located in the Srinivas Campus at the heart of Mangalore city.

B.Sc.(HS) / B.Sc.(ID & D)

Courses Offered

Bachelor of Science in Interior Design & Decoration [B.Sc(ID & D)]

What is Interior Design and Decoration?

Interior Design and Decoration deals with the elements inside a building, such as windows, walls, lights, furniture. It is a mixture of architecture, product design as well as decoration aesthetics which implies that there is more of an emphasis on Planning, Functional design and effective use of space involved in this profession. An interior designer can undertake projects that include arranging the basic layout of spaces within a building as well as projects that require an understanding of technical issues such as acoustics, lighting, temperature, etc. An interior designer may wish to specialize in a particular type of interior design in order to develop technical knowledge specific to that area. Types of interior design include residential design, commercial design, hospitality design, healthcare design, universal design, exhibition design, spatial branding, etc. The profession of Interior Design is relatively new, constantly evolving, and often confusing to the public.

Career Opportunities

The scope of employment opportunities for interior designers is extensive. They can be employed by architects or architectural firms, builders, public works department, hotels and resort chains, hospitals, town planning bureaus, regional and metropolitan development works, private consultancies, studios and theatres and exhibition organizers. Interior design also offers excellent opportunities for those who wish to be self employed, or prefer working part time. In fact, it is one of the few professions where one can operate from home with minimal investment

Duration of course

3 years (6 semesters)

Eligibility:

The candidate seeking admission to B.Sc. (ID&D) Degree course must have passed the Pre-University examination (Class 12th or 10+2) or its equivalent with an aggregate of 35% marks.

Bachelor of Science (Hospitality Sciences) [B.Sc.(HS)]

Why study Hospitality Science?

Hospitality Sciences is one of the most career oriented courses on offer today. The demand for hospitality professionals have been increasing exponentially and the trend is expected to continue in the foreseeable future also. It is projected that in the next ten years more than hundred up market star category hotels will begin operations in India. A course in hotel management also opens up job opportunities in the airlines industry, tourism industry, shipping industry etc. Senior hotel management professionals are among the best paid executives the world over.

Duration of course

3 years (6 semesters)

Eligibility:

The candidate seeking admission to the 3 year B.Sc. (H.S) Degree course must have passed the Pre-University examination (Class 12th or 10+2) or its equivalent with an aggregate of 35% marks.
