#### About B.Sc. Interior Design:

B.sc. Interior Design course is a six semester programme spread over three years which introduces students to the principle and characteristics of design, colour schemes, space planning and drafting, modeling and computer aided designing. The course deals with detailed classroom sessions and practicals on various spaces. The lectures are designed with an emphasis on workshops, seminars, industry visits, internships and projects running all through knowledge of how the interior design business runs. At the end of three years the students will be awarded Bachelor of Design in Interior Design.

#### Career Opportunities :

- Due to the rising significance of interior design, this profession has become one of the best ever emergent fields in India and Abroad.
- Job opportunities are immense in both private and public sector for a qualified interior designer. Large architectural firms, building contractors, hotels and resorts are constantly on a look out for eligible professionals in this field.
- There is a scarcity of professional interior designers in our country. With more and more people willing to get their residence and working areas designed according to their taste , there has been a great demand for experienced interior designers.
- Setting up your own business is also a very lucrative option in this industry.
- International markets are opening up for interior designers now and if you are highly creative, have a good communication skills and advanced knowledge in this field then you can also look to work with international firms.

#### Special Features:

- Course designed according to Architectural standards.
- Affordable fee structure providing great value for money.
- Guest lectures from the practicing professionals.
- Classes will be held between 9.00 am to 2.00 pm with half an hour break during week days.
