A total of 1,318 samples were collected during the year 2013-14 to 2017- 18 and the outcome were analyzed. The recommendations are communicated to the University and the management for follow-up actions is placed before the Governing Council for the approval.

All the points are discussed thoroughly and communicated to the Principal to take necessary action about all the points discussed.

Action taken by the Governing Council of Srinivas Institute of Technology:

Feed back from the Alumni's:

1. Alumni's are not happy with the activities conducted in the college.

Action Taken:

The college has planned more activities for the students to co-up with the standards.

2. Facilities provided by the college are not satisfactory.

Action Taken:
College is planning to have advanced infrastructure both in academic as well as non-academics also.

3. Counseling is provided in the college?

Action Taken:
More counselors will be appointed so that all over academic excellence can be achieved.

4. Library Facilities:

Action Taken:
Planning of new infrastructure with OPAC facility.

5. The overall rating provided by the Alumni's are not satisfactory

Action Taken:
More Facilities of National/International standards are provided so that SIT will be on par with other educational institutes.

Feed back from Teachers:

6. Book facility as well as Journal facilities in the college.

Action Taken:
More books of and international as well as national journals are provided in the library in association with VTU Consortium.

7. Overall rating given by the teachers is not satisfactory:

Action Taken:
More and more workshops / Symposiums are planned as well as Faculty Development Programs are planned so that faculties are updated with academic standards.

Feedback from Students:

8. Overall rating given by the students are not up to the mark:

Action Taken:
College will take all the initiatives to develop the student curricular / extra curricular and co curricular activities so that students will excel in all the fields.

CA. A. Raghavendra Rao
President

Action taken by the Principal towards the feedback:

All the points mentioned in the Governing council meeting are discussed with the President of the College and action has been initiated towards all the points for the success of the college.
