No. KSTePS/VGST-CISEE/2017/274/4

Date: 27.11.2017

Dear Sir,

Sub.: Intimation of selection of the project under the VGST scheme of CISEE – reg.

Greetings from the Dept. of Information Technology, Biotechnology and Science & Technology!!

We are pleased to inform you that the project titled "**Biosynthesis of Nanoparticles and the Investigation on The Properties of Polymer/Blend Nano Composites for Biomedical Applications**" submitted under the VGST scheme of CISEE for the financial year 2016-'17 has been approved by the Government based on the recommendations of Vision Group on Science and Technology under the Chairmanship of Prof. CNR Rao, Honorary President, JNCASR.

The total project grant award for a period of 3 years is Rs. 30.00 lakhs, which will be released annually @ Rs. 10.00 lakhs based on the progress of work. You are requested to take an immediate action to initiate the project at the earliest and to be completed within 3 years after receiving the cheque of 1st installment from our office.

The grant will be paid to the Head of the Institution, under whose supervision the Principal Investigator shall be responsible for completion of the stated objectives of the project. The Principal Investigator through the Institution Head shall have to submit the progress report in soft copy (word & pdf) once in 6 months without any fail. The grants shall be used only for the purposes described in the grant application by following due procedures of KTPP Act. Any deviation from the scheduled plan must have a prior approval from the VGST. A sample copy of the Utilization Certificate is enclosed for information and necessary action in the future.

Future releases of grants will be based on satisfactory project performance. The funding agency has the right to terminate the project, if it is found to be not

satisfactorily pursuing and fulfilling the stated project goals and objectives. Any unspent balance must be returned back to the funding agency within 60 days following the conclusion of the project. Any publications or other dissemination arising from research supported by VGST grants should be acknowledged.

Dr. S. G. Sreekanteswara Swamy, Consultant, VGST will be the nodal officer for all future correspondences related to the project. His contact details are given below:

Dear Shaila Bantanur

SCHOLARSHIP OFFER LETTER: INTACH RESEARCH GRANT

Many thanks for your application for INTACH Scholarships 2016-17 on 'To analyse and understand materials and construction techniques of vernacular houses of Mangalore specially known as *Guttu Houses*.' I am pleased to share with you that your application has been successful. It has been agreed to offer you a scholarship of INR 2,00,000/- instead of INR 2,86,500/- as mentioned in your application. Please note that the Scholarship cannot support procurement of equipment and institutional charges. Please note that the Research has to be completed within one year, starting April 2017.

You must ensure that you are adequately insured during your research: INTACH funds cannot be used for purchasing insurance cover nor is INTACH in any way responsible for your health and safety. Please note that the scholarship in no way creates any contract of employment or service provision between you and INTACH, nor does it require or allow you to represent INTACH during the project, or to represent the project as being an INTACH managed or directed project.

As per your application, the potential outcome of your research is:

- Analyze the materials and construction techniques of vernacular houses of Mangalore specially known as *Guttu Houses*.
- Study the various typologies of houses with construction materials as they are slowly becoming defunct.
- Document the innovative construction techniques of the *Guttu Houses* with special attention to their openings.

In addition to the above, INTACH hopes to receive a full report on 'To analyse and understand materials and construction techniques of vernacular houses of Mangalore specially known as *Guttu Houses*'. This is "housekeeping" so that we can see that the scholarship has been effectively used, it will not alter the status of the report as your intellectual property. However, we wish to clarify that INTACH shall hold all rights to publish, distribute and place the manual in our library for public access. You will be required to sign a library consent and publication consent form at the end of your research.

Also, as per the guidelines set by our selection committee, funds will be disbursed to you in three stages. First installment will be dispatched after receiving the duly filled up acceptance letter and bank details, second installment will be dispatched after receiving an interim report on your research, and the final installment will be dispatched after receiving the final report. Please note that for every installment you will have to provide original receipts to prove effective and appropriate utilization of funds. The scholarship amount is tax deductible as per Government of India norms.

In case you have any other queries, please feel free to contact us now.

Yours sincerely,

Navin Piplani
Secretary
