Lecture Program on Research Area and Quality Manuscript

Preparation

Internal Quality Assurance Cell (IQAC) of Srinivas Institute of Technology Mangaluru had organised a lecture program by Dr. S. S. Sharma, Professor, Department of Mechanical & Manufacturing Engineering Manipal Institute of Technology, Manipal on Saturday, 10th March 2018.

Dr. S. S. Sharma, in his lecture gave details of the various steps undertaken in preparation of manuscript of a journal publication. He demonstrated and pointed out the common mistakes made in manuscripts and gave suggestions to overcome the same. As a chief editor of reputed International journal he presented the various stages in which the manuscript will be scrutinized and pointed out reasons for rejection of the same. He suggested that interdisciplinary research areas are the order of the day which will enhance the chances of acceptance of the research manuscripts for publications.

The lecture program was attended by the faculty members of the Institute. Program coordinator Dr. Shankar K. S welcomed the gathering and Dr. Thomas Pinto, IQAC coordinator presided over the program and proposed the vote of thanks.

Faculty Development Programme on RECENT TRENDS IN INDUSTRIAL PRACTICES – RTIP 2018

The Inaugural function of Faculty Development Programme- “RECENT TRENDS IN INDUSTRIAL PRACTICES, RTIP-2018 was held on 11th April 2018 in Srinivas Institute of Technology, valachil, Mangaluru. Dr. Shashikanth Karinka, Prof and Head of Department of Mechanical Engineering, NMAMIT, Nitte was the chief guest of the function. The function was presided by Prof. Shivakumar G S, Vice Principal and Head of Department of Computer Science and Engineering.

Dr. Shashikanth Karinka, in his address, mentioned that this kind of faculty development programme is needed to upgrade the knowledge of faculty, who teach the students to build a bridge between the students and the modern technology. Also he mentioned that present teaching methods and syllabus have to be updated to diminish the gap between text book content and modern technology.

Prof. Shivakumar G S, congratulated the members of the RTIP-2018 Programme and also quoted that, the faculty must undergo the training programme about the modern technology before starting their carrier as lecturer, so that faculty can reach the students to latest technical trend. Dr. C.G Ramachandra, HOD of Marine Engineering, Convener of the RTIP-2018 briefed about the 3 day programmes and he mentioned that around 54 participants of various colleges across the country have registered for the progamme.
