

An outreach program by ASCEE

Under the banner of ASCEE an outreach program was held on 13-03-2018. Students from the department of CSE visited to the Government High School, Kodman and gave a talk on “How to excel in examinations?” which was concentrated mainly for the benefits of 10th standard students. This program also includes a motivational talk for leading better life in future. The importance of hardworking, honesty, self confidence, being alert on your duty in life and some of the best life leading techniques were taught to students. The program got over by telling the stories of some of great achievers. The whole program was coordinated by Mr.Srikara S B, Under the guidance of Prof.Shivakumar G.S.,HOD,CSE.

STUDENTS PARTICIPATED:

- 1)Srikara SB
- 2)Shreesha M
- 3)Sanjay
- 4)Sujith C
- 5)Thanush

Orientation Program and Aeromodelling Workshop to Government High School Students

Posted on November 26, 2017 by webmaster — Leave a reply

Youtube source: <https://t.co/wyt2IGmkRO>

Srinivas Aero Club, Department of Aeronautical Engineering, Srinivas Institute of Technology, Valachil, Mangaluru organised Orientation program and Aeromodelling workshop for the students of Government High School, Koila, Bantwal Taluk on 22/11/2017. Mr. Deepak Raj, Associate Professor, Department of Aeronautical Engineering conducted the orientation program to students with a topic “After SSLC, what next? How to have a smooth transition to your selected career after SSLC?”. Thirty five students of Aeronautical Department actively participated in this program by involving the school students into Aeromodelling. Essay competition, Science working models and games were conducted to the school students. The working of pulse jet engine, flying of Quadcopter and RC Aircraft was demonstrated. All the events was viewed by Rotary Club and people of Koila.

A Report on the Department Social Service done on 20-09-2016

Insight of department social activities, we decided to serve the needed and to create an awareness of the social responsibility among the students. We, the staff and students of Department of Nano Technology, Srinivas Institute of Technology, Valachil, Mangalore visited a Government primary school, Valencia, Sooterpete, Mangaluru-2 on 20/9/2016 around 2 PM. We have received a warm welcome from the teachers and the students. Afterwards Department members donated school uniforms stitched according to the children measurements to all the students who are unable to spend money for their uniform and basic needs to study. The school was established in 1925. They are running all the classes from nursery to fifth standard all in only one room due to the lack of proper infrastructure and support. So with a little support from Dr. Prasad P., Professor and Head of Dept. of Nano Technology along with faculty members (Prof. Shareefraju J. Ukkund, and Prof. K. Saikumar) and student representatives of the Department the children got the basic needs. The Teachers and Students are so happy about their visit and encouragement. The department is looking forward for more social activities in future.

EXTENSION ACTIVITY: ORPHANAGE VISIT 2016-17

MBA students of SIT, mangalore conducted an orphanage visit on 29th May 2017 at Snehasadana, St camilus care home , kaikamba, Mangalore where orphans and old people are accommodated. This year also the department contributed an amount of Rs 15000/=collected from students and also handed over fruits and sweets. This time 10 students accompanied by 4 faculty represented the department.

By this visit students with their high level of emotional intelligence empathized with the people and realized their responsibility towards the society. They realized such responsibility, with their real life experiences and interactions which developed an empathetic mind. Students personally realised the problems of old age.

The students learned the value of sharing and caring for others; and the people of the orphanage appreciated this gesture of the students. Indeed, a smile goes a long way
