A Report on
Swachh Bharath activity done by FALCONS, Department Students Association, on 10-03-2017

Swachh Bharat - Clean India mission was started in Srinivas Institute of Technology, Mangaluru, to enlighten the students about the importance of cleanliness and hygiene in our society. As a start for Swachh Bharath activity by the Dept. of Nano Technology, the enthusiastic bunch of students and teachers has cleaned the car parking area in the college. We started our cleaning program at 10 AM. All the students were actively participated in the cleaning program. Dr. Prasad P., Professor and Head, Dept. of Nano Technology and the other faculty members had motivated the students and were helping them throughout the cleaning process. 'Clean, Happy, and Healthy Citizens Imparts Healthy, and Developed Nation", hence our students had taken a pledge that they will be maintaining the cleanliness of that area.

A Report on
Planting medicinal plants activity done by FALCONS,
Department Students Association, on 8-09-2017

Medicinal plants form a numerically large group of economically important plants which provide basic raw materials for medicines, perfumes, flavours and cosmetics. These plants and their products not only serve as valuable source of income for small holders and entrepreneurs but also help the country to earn valuable foreign exchange by way of export. As an initiative towards planting medicine plants inside the Srinivas Institute of Technology, Mangaluru, to enlighten the students about the importance of medicine plants and their role in keeping our surrounding atmosphere fresh. As a start for planting medicinal plants activity by the Dept. of Nano Technology, the enthusiastic bunch of students and teachers has planted the medicinal plants inside the SIT campus. We started our activity to plant medicinal plant program at 10:30 AM. All the students were actively participated in planting medicinal plant activity. Dr. Prasad P., Professor and Head, Dept. of Nano Technology and the other faculty members had motivated the students and were helping them throughout the Activity.
