

MEMORANDUM OF UNDERSTANDING

BETWEEN

DEPARTMENT OF MICROBIOLOGY,
UNIVERSITY COLLEGE,

U. P. MALYA ROAD, HAMPANAKATTE, MANGALURU, D.K., KARNATAKA, INDIA

&

DEPARTMENT OF NANO TECHNOLOGY,
SRINIVAS INSTITUTE OF TECHNOLOGY,

VALACHIL, MERLAPADAVU, MANGALURU, D.K., KARNATAKA, INDIA

This Memorandum of Understanding (MoU) is made on this day of 06-10-2016 between two parties namely Department of Microbiology, University College (Institute - I), with registered address as University College, U.P. Malya Road, Hampanakatte, Mangaluru, D. K., Karnataka, India

AND

Department of Nano Technology, Srinivas Institute of Technology (Institute-II) with registered address as Srinivas Institute of Technology, Srinivas Campus, Valachil, Mangaluru, D. K., Karnataka, India

Department of Microbiology, University College (Institute - I) and Department of Nano Technology, Srinivas Institute of Technology (Institute-II) are referred as the "Parties" or individually as "Party".

Whereas

- a) University College (Institute-I) Mangalore, which came into existence to cater to the educational needs of the marginalized sections of the society of Mangalore, has stood the test of time for over 148 years. The Government of Karnataka handed over the College to Mangalore University on 1993 with the name 'University College'. University College has been accredited with "A+" grade by NAAC. It has also received a "Heritage Tag" as the college is about to complete 150 years and recognised as "Centre for potential excellence" by UGC.
- b) Srinivas Institute of Technology (Institute-II) was established in 2006 with the aim of producing world-class technology graduates tuned to the demands of a fast changing global village. SIT has gained the name as the best, self financed, engineering college in Karnataka in terms of infrastructural facilities. Srinivas Institute of Technology (SIT) is a unit of Srinivas Group of Colleges, Mangalore and is affiliated to Visvesvaraya Technological University (VTU), Belgaum, India and recognized by the All India Council for Technical Education (AICTE), New Delhi, India. The Institute is located at Srinivas Campus at Valachil.

Termination

This MoU may be terminated by either party by giving to the other Party a six month's advance written notice signed duly by the faculty representative and the Head of the Institution which seeks to annul the MoU beyond a stipulated date.

Whereas this MoU shall be abiding to the Parties hereto and no party shall have the right to assign or transfer any right or obligation hereunder in whole or in part to any third party without prior written consent of other parties, this MoU will be effective from the date of signature by parties and their witnesses as follows.

Agreement

Between

Srinivas Institute of Technology

and

Akar training & consultancy LLP

... for Training students on

Qualification Pack of SSC NASSCOM

This Agreement has been made and agreed upon between the Parties mentioned below, signed on the 16th day of the month of June, year 2015

BETWEEN

Akar training & consultancy LLP represented by the Kiran Hebbar (hereinafter called "First Party"), represented by its Designated Partner which expression shall, where the context so admits, be deemed to include its successors, executors and administrators of the ONE PART

AND

Srinivas Institute of Technology represented by the Dr. Shrinivasa Mayya D, Principal (hereinafter referred to as "Second Party") which expression shall unless repugnant to the context or meaning thereof, include its successor in office, legal representatives and permitted assigns of the SECOND PART

Background and Purpose

Akar training & consultancy LLP, Training partner for SSC NASSCOM, SIEMENS PLM and SIEMENS Motion Drive gave a proposal to train Mechanical stream graduates on Qualification Pack QP 4201: Product Design Engineer – Mechanical. The proposal has been accepted and the training will start from July 2015.

The agreement is for a period of 3 years from the date of signing and on mutual agreement can be extended for another term of 3 years.

...

5. Any other matter not included in this Agreement which is necessary for the smooth functioning of the mission/project/ scheme shall be finalized between the Second Party and the First Party on mutually agreeable terms and conditions.
6. The Agreement or any part thereof may be amended at any time during its tenure only by the consent, in writing, of the Parties concerned.

Both the Parties have set their hand in the presence of the witness on the 16th day of June, year 2015, as mentioned above.

Srinivas Group of Colleges signs MOU with Akar Training and Consultancy, Bengaluru

Srinivas Group Mangaluru and Akar training and consultancy, Bengaluru enter in to an agreement to enhance the skill sets of group's Mechanical engineering students.

This is an initiative dedicated to the national skill development of India and only group to provide this training in VTU Mysore region. This is a unique opportunity to enhance the skill sets of the students while there are still in the campus. Industry approved curriculum and certification. This training is approved by Government of India and certified by NSDC – SSC NASSCOM. The training is conducted by industry experts and SIEMENS Certified Training.

Sri CA. A. Raghavendra Rao, Chairman of Srinivas group of institutions and Mr. Kiran Hebbar, Director, Akar Training and Consultancy signed an agreement in this regard on 17th June 2015. Vice President Dr. A. Srinivas Rao and Dr. Shrinivasa Mayya D, Principal, SIT were present.

Sri CA. A. Raghavendra Rao states, we are pleased to partner with Akar training and consultancy LLP, Bangalore to impart training to our Mechanical engineering students in Srinivas institute of Technology on SSC NASSCOM's qualification pack (QP SSC/Q 4201) 'Product Design Engineer – Mechanical'. SSC NASSCOM's qualification pack (QP SSC/Q 4201) is designed to offer the graduate mechanical engineers the skill sets required by the industry for the entry level design engineers. Students will undergo training on UG NX: Siemens PLM software for Computer Aided Design, Product Design and Development and Part Design + Manufacturing in the Domain area. Offering this training to our students while they are still in the campus would help them to become industry ready and also increase their employment opportunities with the leading engineering companies in India upon their graduation.

Akar training and consultancy has the competency and experience to training the engineers on tool and domain specific industrial skills and has trained many corporate employees. Akar training and consultancy is the first company in India to be approved and authorized by SSC NASSCOM to impart training on QP SSC/Q 4201.

Srinivas Institute of Technology (SIT) is a unit of Srinivas Group of Colleges, Mangaluru and is affiliated to Visvesvaraya Technological University (VTU), Belgavi and recognized by the All India Council for Technical Education (AICTE), New Delhi. The Srinivas Institute of Technology (SIT) was established in 2006 with the aim of producing world class technology graduates tuned to the demands of a fast changing global village. SIT has gained the name as the best, self financed, engineering college in Karnataka in terms of infrastructural facilities.

Akar training and consultancy is a company started by three post graduate Mechanical engineers from institutes of higher learning in India and having more than 20 years of industrial experience each to offer corporate training and consultancy in the area of CAD/CAM. Akar is also taking a responsible role in India's national skill development by imparting domain specific industrial knowledge to fresh engineering college pass outs in our country in order to enhance their skills

and prepare them for the future engineering demands. Akar is Authorized Training Partner for SIEMENS PLM and Siemens Motion Drive.

SC NASSCOM is an Educational Initiative of NASSCOM which has been appointed as the Sector Skill Council for ITeS companies by NSDC (National Skill Development Corporation). SSC NASSCOM's vision is to create sustainable industry ready talent and enhance employability at all levels leveraging technology and their experience in large scale skill development. They are responsible for Developing Occupational Standards for the industry, their assessment and certification. SSC NASSCOM Liaisons between Academia, Industry and Government to help in capacity building.

Renewal of Memorandum of Understanding (MOU) of Campus Connect Program

Infosys and Srinivas Institute of Technology had entered into a Memorandum of Understanding (MOU) on Jan 19, 2011 with respect to enriching the technical education process and to jointly work for enhancing the quality of education imparted to students, faculty and management of selected colleges of the University related to the field of Information Technology (IT). This MoU was subsequently renewed on Jan 18, 2013. The term of MOU will be expiring on Jan 17, 2015. The parties wish to extend this MOU for further period of Two (2) Years, and therefore agree the term of the MOU till Jan 16, 2017.

The Campus Connect MoU has undergone some modifications. The modified version is given along with this. The terms and conditions of the partnership are detailed out in the MoU.
