## STUDENT COUNCIL AND ITS ACTIVITIES

The Student Council is the representative body of the students. The Institute provides a platform for the active participation of the students in the various academic & administrative bodies including other activities. This inspires the students in achieving leadership qualities, rules, regulations and execution skills. The Council makes the students participate in the development of the institute as well as in the process of developing their personality and career through interactive programs with the faculty, administration and society. The goal of the student council is to provide a common platform to students for co-curricular and extra-curricular activities. The council is responsible to look after for all the major technical, cultural, literary and sports activities organized in the college premises.

Activities under the council will be well supported by a team of faculty members from all the departments. One faculty from every individual department will be the advisor member for the student council.

### The Student Council Selection and Activities:

Two class representatives, CR and Deputy - CR are elected from each class, and the group of class representatives will select office bearers for the student council. The student members bring forward the views and suggestions of the entire class with respect to the faculty, subjects, syllabus and other things related to the class. The Student Council helps students share ideas, interests, and concerns with lecturers and principal. They often also help raise funds for -wide activities, including social events, community projects, helping people in need and college reform. The student council organizes various programs like Pratibha – Talent Hunt, Envision – State Level Techno Cultural Fest, College Day, Engineers Day, Teachers Day, Founders Day, Intra Collegiate - Sports/Games competition and other events every year.

## Composition, Duties and Responsibilities of the Council:
