

### ***6.1.1 The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the institution***

#### **Vision:**

To transform society by imparting quality technical education in dynamic equilibrium with social, ecological and economic environment, striving continuously for excellence in education, research and technological service to the nation.

#### **Mission:**

To provide knowledge based technological education to the students and train them as a competent professional manpower with ethical values to fulfil the needs of the society and industry by implementing the State-of-the Art education including technological innovation.

#### **Following are the Objectives of Institute**

- To make available world class education with an Indian ethos to the student community
- To create centre of excellence imparting quality education.
- To offer to the society /industry, academically empowered and ready for the job professionals in diverse fields.
- To foster research and disseminate research findings for the all round development of the nation and community at large.
- To contribute to nation building by generating a pool of human resources trained in science, technology, humanities, management, education and research.

The institute aims at creating equal opportunity to all the aspirants, to prepare their future through education and to build a generation to serve with selfless devotion in whatever capacity they assume and wherever they work. The education provided by the institute suits the interest and talent of the students for contributing professionals in all walks of life which reflects human dignity, mutual respect and induce healthy competition. Institute provides education in a serene atmosphere. The students graduating from this institution are equipped with specialized skills and are industry ready. The young professionals so trained are capable to address community problems for the all-round development of the community and nation at large.

The institute encourages sustainable accomplishment for a harmonious self reliance society maintaining dynamic equilibrium between economic, socio-cultural and ecological environment by means of interactions and MoUs' with national and international organizations of repute.

The Institution is managed by a Governing Council consisting of management representatives; principal, faculty representatives and government/ university nominees.

The Governing Council meets regularly for strategising academic & administrative related activities. It also monitors & assesses the progress of the institution in meeting the stated vision and mission. The management adopts quality policy decisions for continuous improvement. The Principal ensures effective implementation of the decision taken by the top management.

Regular departmental meetings are conducted and teachers are encouraged to give suggestions and feedbacks for the improvement of academic related matters. The Principal conducts meetings with heads of various departments to discuss policies, procedures and other developmental activities.
