

Best Practice I:

Title of the Practice: Student Mentoring System

A Batch of 20 students is allotted to a mentor (counsellor). Each counsellor maintains the academic records of allotted students. Counsellor has direct communication with the students. The students meet the respective counsellors regularly. The academic progress of each student is communicated to their parents and appraised of the performance of their ward. In case of students with poor attendance /performance, their parents are advised to meet the counsellor & faculty members for discussing corrective measures. The counsellors initiate to arrange tutorial classes for slow learners. The following students are improved their performance after the counselling:
