

SMRUTHI 3.0

AERONAUTICAL & AUTOMOBILE

2017 - 2018

AERONAUTICAL AND AUTOMOBILE
ASSOCIATION

Principal's Message

I am happy to know that the Aeronautical and Automobile engineering students are bringing out the third edition of "SMRUTHI", under the banner of Automobile and Aeronautical Association (AMARA). The newsletter synthesizes information regarding curricular and extra curricular activities of the students of the year 2017-2018. The information of student activities are pounding in this news letter. These information indicate the intensity of hidden talents among students. I am happy to say that this news letter contains all such information.

I congratulate the members of the editorial board for their efforts in bringing out the news letter.

Dr. Shrinivasa Mayya D

Honorary President's Message

It's time again to cherish the memories of both AE and AU departments through the third issue of Yearly News Letter SMRUTHI. I am proud enough but not complacent to say that it was a productive year as far as the co and extracurricular activities are concerned apart from regular academics!

It is an year to cherish, as students brought laurels to the department both in sports, academics and number of placements. A girl student from AE department Ms. Maldren Joyce scripted history by securing fifth rank at university level, an year to remember for all of us. The SAE team secured overall 14th place at the National level in its maiden attempt, again an year to remember with!

These are the indications and give ample clue where these two departments are heading, a showcasing standard set for the rest to follow!

I congratulate the team SHRUTHI 3.0 for bringing out this multi-colour memorabilia for all of us, consolidating all the events of the current academic year.

Dr. Ramakrishna . N. Hegde

AMARA – An Overview

Automobile and Aeronautical Association (AMARA – 2017) the association of students of Automobile and Aeronautical Engineering, was inaugurated by Mr. Oliver Rodrigues, Senior In-House Trainer, Mandovi Motors Private Limited, Mangaluru on 12th September 2017. Ever since its inception AMARA is organizing various events like technical talks, competitions and industrial visit. Srinivas Aero Club (SAC) and Auto Tremendo coming under the banner of AMARA is actively involved in modelling, flying sessions, workshops, racing in association with AIRETARDS and SAE India.

This academic year's AMARA activities were guided by Mr. Deepak Raj P. Y and Mr. Jerome Anthony, faculty of Aeronautical and Automobile Departments. AMARA in association with Securities and Exchange Board of India (SEBI) organised a workshop on Financial Education on September 06, 2017. Mr. B. V Krishnamurthy, Asst. General Manager (Retired from RBI), Empanelled as Resource person by SEBI was the resource person.

AMARA celebrated Teachers day on September 08, 2017. Mr. Ramesh Mayya, High School teacher, Govt. High School, Koila, Bantwal TQ, was the chief guest.

Mr. Oliver Rodrigues, Senior In-House Trainer, Mandovi Motors Private Limited, Mangaluru, gave a technical talk on new technologies adopted in today's vehicles on 12th September 2017.

AMARA celebrated Engineers day on September 15, 2017. Dr. Shaila Bantanur, Professor of Architecture Department, Srinivas Institute of Technology, Mangaluru was the chief guest. Department of Automobile Engineering organized one day workshop "Car Servicing Camp – 17", for the students on 15th September 2017 in the Automobile workshop. Shri. K. Nagesh Proprietor, Deepak Automobile Mangaluru was the chief guest and resource person for the workshop.

Mr. Varun N, Assistant professor of Department of Automobile gave a technical talk on "Recent Trends in Automobile", for the 3rd semester Aeronautical students on 27th September 2017.

Department of Aeronautical and Automobile Engineering in association with Centre of Excellence in Aerospace & Defence, VTU Regional Centre, Bengaluru organised a talk on Training course on Aerospace & Defence on October 10, 2017. Mr. Suresh Rao, CEO, Centre of excellence, VTU Regional Centre, Bengaluru was the resource person. Department of Automobile Engineering organized a one day workshop "Two Wheeler Service Camp - 17", for students on 11th October 2017 in the Automobile workshop. Shri. Mahendra K.M. Proprietor, Mahendra bikes Davanagere was the chief guest and resource person for the workshop. The Department of Aeronautical engineering conducted Aero Quiz on 12 October 2017 under the banner of Srinivas Aero Club.

AMARA celebrated Fresher's day on 13th October 2017 with fun and frolic. The college witnessed a successful "ALTIUS -17", an intra-college technical fest on 2nd November 2017 and the Aeronautical and Automobile departments under AMARA conducted various competitions. Srinivas Aero Club organised a workshop on "Aeromodelling" on 11th November 2017. Srinivas Aero Club organised Orientation program and Aeromodelling workshop for the students of Government High School, Koila, Bantwal Taluk on 22/11/2017. Department of Aeronautical Engineering of Srinivas Institute of Technology, Mangaluru organized One Week Faculty Development Programme on LabVIEW System Engineering Software Hands – on Training, LSET - 18, during 16th to 20th January 2018 in Srinivas Institute of Technology, Valachil, Mangaluru. Dr. K V Gangadharan Professor, Mechanical Engineering, Center for System Design, NITK Surathkal, Mangaluru, was the Chief Guest and resource person for the FDP. As per the directions received from VTU on behalf of Election Commission of India, on account of 'National Voters Day', voters pledge was administered to the Faculty and Students of Aeronautical and Automobile Department, by the Department Head, Dr Ramakrishna Hegde, on 25/1/2018 in the department premises.

Both the departments contributed on a large scale towards 'ENVISION-18' a two day national level techno-cultural fest organized by the college on 20th and 21st February 2018 with more than 300 registrations.

Students of VIII semester Aeronautical Engineering, Mr. Naveen D M, Mr. Karthik Borkar, Mr. Chandan A Y and Mr. Navaneesh N Amin, in association with Srinivas Aero Club, Department of Aeronautical Engineering conducted one day workshop on Airfoil analysis using XFOIL and XFRLR software on 26/03/2018 to the students of IV, VI and VIII semester in three batches.

"RC Quadcopter Drone Workshop" organized by Airtards, Srinivas Aero Club and Department of Aeronautical Engineering and held at Srinivas Institute of Technology, Mangaluru on 02nd and 3rd April, 2018. AMARA organised a one day workshop on "Computational Fluid Analysis of Three Dimensional Wing Model using Advanced Software" on 07/04/2018 for the benefit of Final year Aeronautical Engineering students. Ms. Pavana K, Assistant Professor from the Department of Aeronautical Engineering was the resource person. United Toyota in association with the Department of Automobile Engineering organised a seminar on Road Safety Program for the 3rd year students of Automobile and Aeronautical department on 25/04/2018. Mr. Sagar Suvarna, Service Marketing Coordinator, Mr. Ashwin, Service Customer Relationship Manager, Mr. Akhil Geo Kurian, Job Controller were the chief guests of the function.

AMARA organized "Swachh Bharath Abhiyan - Swachh Campus" cleaning program on 14/09/2017, 22/09/2017, 10/10/2017, 12/10/2017, 9/11/2017, 13/11/2017 of odd semester and 25/04/2018, 30/04/2018, 03/05/2018 of even semester with full involvement of staff and students. AMARA also arranged industrial visit to KSRITC regional workshop, Bengaluru, BEML and GRS Engineering pvt Ltd, Mysore and Mandovi Motors Pvt. Ltd Mangaluru. Indeed one can say that AMARA was buzzing with activities throughout the year and the association was successful. However AMARA has put its own benchmark and will strive hard to be the best students association of the college.

AMARA — Event Tree

Financial education Workshop

Department of Aeronautical and Automobile Engineering, Srinivas Institute of Technology, Mangaluru and in association with Securities and Exchange Board of India (SEBI) organised workshop on Financial Education on September 06, 2017. The guest was Mr. B. V Krishnamurthy, Asst. General Manager (RBI).

Teacher's Day Celebration

Automobile and Aeronautical Association (AMARA), Department of Aeronautical and Automobile Engineering, Srinivas Institute of Technology, Mangaluru celebrated Teachers day on September 08, 2017. Mr Ramesh Mayya, Govt high school teacher was chief guest of function.

Inaugural Function.

Inaugural function of AMARA 2017-18, Automobile and Aeronautical Association was held on 12th September 2017 in Srinivas Institute of Technology, Valachil, Mangaluru. Mr. Oliver Rodrigues, Senior In-House Trainer, Mandovi Motors Private Limited, Mangaluru, was the Chief Guest of the Function.

Technical talk on new technologies in today's vehicle

Mr. Oliver Rodrigues in his Inaugural address to the students mentioned the importance of Internship, Training in various Industries and delivered technical talk on new technologies adopted in today's vehicles.

Engineer's Day Celebration

Automobile and Aeronautical Association (AMARA), Department of Aeronautical and Automobile Engineering, Srinivas Institute of Technology, Mangaluru celebrated Engineers day on September 15, 2017

Fresher's Day Celebration

The Fresher's Day was celebrated on 15th September 2015 in Srinivas Institute of technology, Valachil, Mangaluru. Dr. Ramakrishna N. Hegde, The HOD of Aeronautical and Automobile Department briefed the students about the importance of fresher's Day.

Four Wheeler Service Camp.

Department of Automobile Engineering of Srinivas Institute of Technology, Valachil, Mangaluru, organized one day workshop “CAR SERVICING CAMP – 17”, for students on 15th September 2017 in the Automobile workshop. Shri. K. Nagesh Proprietor, Deepak Automobile Mangaluru was the chief guest and resource person for the workshop. Speaking on the occasion he explained types of services and how to conduct these services. Dr. Shrinivasa Mayya D, the principal of the college who presided over the function, explained the importance and benefits of the workshop. Dr. Ramakrishna N. Hegde, HOD, Automobile Engineering, in his speech advised the students to take part in the technical activities, so that they can get practical knowledge.

Technical talk on road safety

United Toyota in association with the Department of Automobile Engineering organised a seminar on Road Safety Program for the 3rd year students of Automobile and Aeronautical department. Mr. Sagar Suvarna, Service Marketing Coordinator, Mr. Ashwin, Service Customer Relationship Manager, Mr. Akhil Geo Kurian, Job Controller were the chief guests of the function .

COE talk

Department of Aeronautical and Automobile Engineering and in association with Centre of Excellence in Aerospace & Defence, VTU Regional Centre, Bengaluru organised a talk on Training course on Aerospace & Defence on October 10, 2017. Mr. Suresh Rao, COE, Centre of excellence, VTU Regional Centre, Bengaluru was the resource person. He briefed the students and faculties about the importance of Centre of excellence in Aerospace and Defence and also listed the courses conducted by Centre of excellence.

Two wheeler service camp.

Department of Automobile Engineering organized a one day two wheeler service camp on 11th October 2017 in the automobile workshop. Shri Mahendra K,M proprietor Mahindra bikes Davanagere was the chief guest of the event's Dr. Ramakrishna N. Hegde, HOD, Automobile Engineering, in his speech advised the students to take part in the technical activities, so that they can get practical knowledge.

Aero quiz

Aero quiz;-

The Department of Aeronautical engineering conducted aero quiz on 12 October 2017 under the banner of Srinivas aero club . over 90 students participated in this event.

Aero-modelling workshop

Srinivas Aero Club, Department of Aeronautical Engineering, Srinivas Institute of Technology, Mangaluru, organised a workshop on "Aeromodelling" on 11th November 2017. Thirty five students of 3rd semester of Aeronautical Engineering Department actively participated in the workshop and gained the knowledge of Modelling. The whole event was organised by team Airtards and Srinivas Aero Club.

Workshop

Final year students from Automobile Engineering Department visited Mandovi Motors Pvt. Ltd, Mangaluru on 14/11/2017. Mr. Oliver Rodrigues, Senior In-House Trainer, Mandovi Motors Private Limited, Mangaluru, explained the importance of wheel alignment and wheel balancing of four wheel vehicles.

School visits

Srinivas Aero Club, Department of Aeronautical Engineering organized an Orientation program and Aeromodelling workshop for the students of Government High School, Koila, Bantwal Taluk on 22/11/2017.

Thirty five students of Aeronautical Department actively participated in this program by involving the school students into Aeromodelling. Essay competition, Science working models and games were conducted for the school students. The working of pulse jet engine, flying of Quad copter and RC Aircraft was demonstrated.

All the events was viewed by Rotary Club and people of Koila.

Swachh Bharath Abhiyan

As per the direction from AICTE/VTU to create awareness on "Swachh Bharath Abhiyan", Swachh Campus Abhiyan - Campus cleaning programme was conducted by Aeronautical and Automobile Engineering Students .

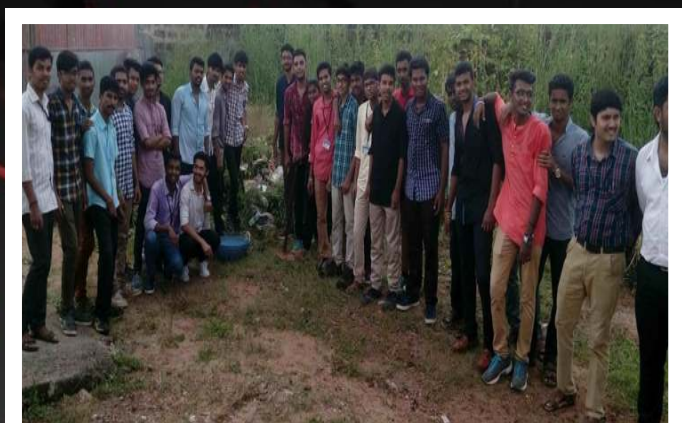

2nd Year (AERONAUTICAL)

3rd Year (AUTOMOBILE)

4th Year (AUTOMOBILE)

3rd Year (AUTOMOBILE)

4th Year (AERONAUTICAL)

4th Year (AERONAUTICAL)

LSET-2018

The Inaugural function of Lab VIEW System Engineering Software Hands – on Training, LSET - 18, Department of Aeronautical Engineering was held on 16th January 2018 in Srinivas Institute of Technology, Valachil, Mangaluru. Dr. K V Gangadharan Professor, Mechanical Engineering, Centre for System Design, NITK Surathkal, Mangaluru, was the Chief Guest of the function. Dr. K V Gangadharan in his address to the participants mentioned the importance of Lab view system software, in various researches.

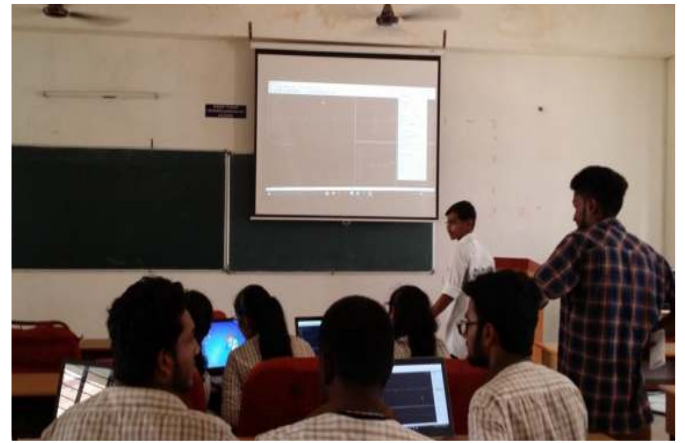

Voter's pledge

As per the directions received from VTU on behalf of Election Commission of India, on account of 'National Voters Day', voters pledge was administered to the Faculty and Students of Aeronautical and Automobile Department, by the Department Head, Dr Ramakrishna Hegde, on 25/1/2018 at 11.00 am, in the Department premises. All Students and Faculty, participated and took the Pledge.

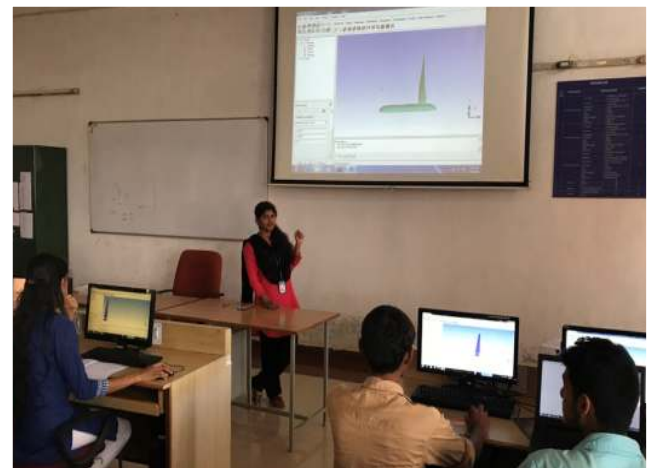

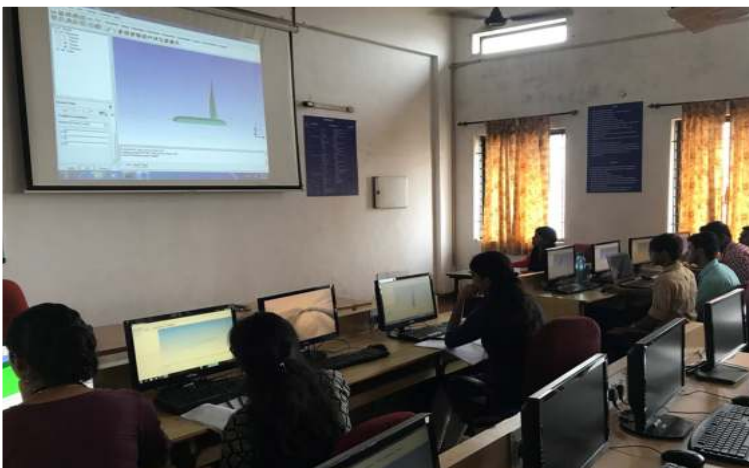

X-FOIL software workshop

Students of VIII semester Aeronautical Engineering, Mr. Naveen D M, Mr. Karthik Borkar, Mr. Chandana Y and Mr. Navaneesh N Amin, in association with Srinivas Aero Club, Department of Aeronautical Engineering conducted one day workshop on Airfoil analysis using XFOIL and XFLLR software on 26/03/2018 to the students of IV, VI and VIII semester in three batches. The whole event was coordinated by Prof. Deepak Raj, coordinator of SAC and AMARA.

CFD workshop

Automobile and Aeronautical Association (AMARA) organised a one day workshop on "Computational Fluid Analysis of Three Dimensional Wing Model using Advanced Software" on 07/04/2018 for the benefit of Final year Aeronautical Engineering students. Ms. Pavana K, Assistant Professor from the Department of Aeronautical Engineering was the resource person.

QUADCOPTER workshop

“RC Quadcopter Drone Workshop” organized by Airetards, Srinivas Aero Club and Department of Aeronautical Engineering , held at Srinivas Institute of Technology, Mangaluru on 02nd and 3rd April, 2018.

The response from students was pretty good and the workshop went on for two consecutive days, the first day students learnt about all the basic components that are used in a Quadcopter and about its design, aerodynamics, structure and some of the flight controllers which are used widely and available in the market today.

On second day faculty advisor Prof. Deepak Raj explained about applications of Quadcopters and gave a brief introduction on how Drones can be taken up as a career which made many of our students to think and choose it as a primary goal, and also learnt about Arduino interfacing and to program a Drone using Arduino as a flight Controller which included (Adxl335-accelerometer, MPU6050-Gyroscope, ESC, and PID). The event was coordinated and presented by VI semester students Mr. Abhishek Anand, Mr. Junaid Ahemad Misrikoti and team of Airetards.

SAE INDIA COLLIGATE CLUB

The members of the SAE INDIA colligate club cleared the initial round and are participating in the main event of SAE Mahindra Baja 2018-19 and Enduro Student India 2018-19. Recently, Team SITE Racing had participated in a quiz conducted by Enduro student India which was a national level event and has secured 14th rank out of 104 teams participating. Adding to this Team SITE Racing will be representing our college for virtual design round conducted by SAEINDIA which is a national level event held at Chittikar University, Punjab.

Last year Team SITE racing had participated in endurance it was one of the top 25 teams participating out of 120 teams. In some events like sledge pull team SITE racing was 11th and in endurance bagged 14th and was one of the top 20th team in acceleration out of 120 teams.

Industrial visits 2017-2018

*Students of Second Year Automobile Engineering visited
KSRTC Repair & Re-building workshop , Kengeri, Bengaluru on
27/03/2018*

*3rd Year Students from Automobile Engineering Department
visited BEML and GRS Engineering Pvt. Ltd, Mysore on
06/04/2018 & 07/04/2018*

Internship

3rd Year Students from Aeronautical Department completed an Internship from 08/01/18 to 03/02/18 at Air India Pvt. Ltd, Hyderabad.

Technical Achievements.

- *Students of Automobile Department are the crew members of TEAM SITE RACING are building an off-road ATV (All-Terrain Vehicle) 'NEBULA' and have been qualified for the second main racing events namely ENDURO STUDENT INDIA (ESI) 2018, secured 65th rank in India. The team also secured 1st place in Mangalore, 5th in Karnataka and 63rd place in India out of 400 teams in the design virtual round of Mahindra SAE BAJA 2018 held on 22 July 2017.*
- *11 Students (4th and 3rd year) of Automobile Department, SIT, Mangaluru, have been shortlisted out of 4000 candidates all over India, for SAE (Society of Automotive Engineers) BAJA Aptitude Test 2018, which is going to be held in Pithampur (Madhya Pradesh) on 24th January 2018.*
- *Kaushik N Aithal was captain of team SITE racing for the academic year 2017-18.*

- *Yadav Ganesh C of 8th sem Aeronautical Department secured first prize in Technical Paper Presentation in Sentia 2018 at MITE Mangaluru on 28th & 29th march 2018.*
- *Sowmya K, Bhoomika , Naveen D M, Vilash K, Arpitha , Yadav Pooja C, Yadav Ganesh C of 8th sem Aeronautical department attended a work shop on “Hands-on Experience on wing fabrication and wind tunnel testing” held at MIT Manipal on 30th and 31st October 2017..*
- *Ravi Paschapur of 4th semester Aeronautical Department won 1st prize in GLIDER competition in SAMBHARAMA-2018 held at SDIT Mangalore.*
- *Prajwal from Automobile department secured 3rd place in high jump on the occasion of sports day held at Srinivas Institute Of Technology.*
- *Shahin and Manisha of Automobile department secured 1st place in the Auto Puzzle event at Prathiba 2k18.*
- *Praveena B of 4th semester Aeronautical Department had participated in 38th inter college VTU level athletic meet held by VTU Belgavi on 3rd November 2017 and had participated in Kho-Kho in Mangalore Zone .*

- *M. Sathvik of 4th semester Aeronautical Department won silver medal in yoga state level (VTU) competition held on 22nd, 23rd September 2017 at RLJIT, Bangalore and on 28th, 29th march held at BMSCE, Bangalore.*
- *Vishwanath and Abhilash of 4th semester Aeronautical Department won 1st prize in PATAGIUM event in ENVISION-2018 at SIT Valachil.*
- *Venkatesh A Rajput of 4th semester Aeronautical Department had represented the college in INTER-COLLEGIATE STATE LEVEL DEBATE Contest organized by Leading national newspaper THE HINDU in association with Adani and Rostrum speakers club held on 24th March at Alvas Education Foundation, Moodubidire.*
- *Ravi Paschapur & Tushar Dhulasawant of 4th semester Aeronautical Department won 1st prize in Glider Competition in ENVISION-2018 at SIT Valachil.*
- *Ravi Paschapur, Tushar Dhulasawant, Skeikh Shafa, of 4th semester Aeronautical Department won 1st prize in collage competition in PRATIBHA-2018 IN SIT Valachil.*
- *Venkatesh Rajput of 4th semester Aeronautical Department won 2nd prize in SURVIVAL OF THE FITTEST even(CS Dept.) in ENVISION-2018 at SIT Valachil.*

Project Achievements

“Experimental study on performance and emission characteristics of 4-stroke single cylinder petrol engine using formulated castor oil as base lubricant”

Project Guide : Mr. Girish A.R

Project Member : Adithya N.C

Ashlesh B.R

Manish J Shetty

Swapnil S Bhat

Sports Achievements

JACKY CHRISTONA A FERNANDES (AU)

Has secured 3rd place in shot put at VTU athletic sports meet.

Has secured 2nd place in shot put at both district as well as Taluk level at Mangalore region.

He has been awarded as the best sportsman for the year 2018 by SRINIVAS INSTITUTE OF TECHNOLOGY.

Winners in VTU Handball

*Jacky christon A Fernnendes and Tippanna Kolli .
Represented College Handball Team and Secured First
Place organized by VTU ,Mangaluru 2018.*

Chandan A.Y of Aeronautical Department represented 'Srinivas Institute of Technology' in 20th VTU State Level Athletic Meet 2k17 held at 'Visvesvaraya technological University', Belagavi and secured 7th place in 21k Half Marathon also 6th place in 5000m race.

→ **Jeevith K. P** of VII semester Aeronautical Department represented VTU inter college yoga competition on 20th September, 2017 held at RLJIT, Doddaballapur.

→ **JEEVITH K P, CHANDAN A Y** of 4th year Aeronautical engineering has participated in VTU cross country tournament

Milind Mohan D P, Jeevith K P, Chandan A Y of 4th year Aeronautical engineering has participated in Dakshina Kannada Hockey league and secured 4th place in Revels-18 cup at Manipal Institute of technology , Manipal

The students of Automobile Department namely Jacky Christon , Swapnil l and Sharath Shettigar won the 1st, 2nd and 3rd place respectively in discuss throw.

Manish of Automobile department has won 1st place in Tech Yuva 2k18 held in Mukka and 2nd place in envision ,in the department of photography.
