COLLEGE OF PHYSIOTHERAPY

"Your Career... Our Mission"

POST GRADUATE PROGRAMME

Master of Physiotherapy (MPT)

The Master of Physiotherapy course is a 2-year fulltime program with the curriculum designed on Choice based credit system (CBCS) with semester pattern of examinations, leading to the degree that equips the student with analytical, evidence based learning skills. The program is generic in nature and has a component of additional learning of one area leading to an elective in that area.

Choice based credit system (CBCS) is an instructional package developed to suit the needs of students to keep pace with the developments in higher education and the quality assurance expected of it in the light of liberalization and globalization in higher education.

Electives offered:

1. MPT in Musculoskeletal Sciences and Sports
2. MPT in Neurosciences and Practice
3. MPT in Cardiopulmonary Sciences and Practice
4. MPT in Community Based Rehabilitation
5. MPT in Paediatric Sciences and Practice
6. MPT in Obstetrics and Gynaecology Practice

Duration: 2 years (4 semesters)

Eligibility: BPT degree examination with a minimum of 45% aggregate.

Clinical Training:

Students will find clinical training an invaluable supplement to the theoretical sessions. At present, the college gives its students training through:
