MSW PROGRAMME OF SRINIVAS UNIVERSITY

M.S.W. is a professional degree course envisaged to meet the demand for quality professionals who would have multi faceted abilities to manage people at work, support to overcome deprivation and suffering, and develop healthy, self reliant communities. Employers seek graduates with social work background for the task of man management because they better know the people and their problems. They are hugely in demand may it be hospital, school, correctional setting or destitute homes and counseling centers. M.S.W. programme of Srinivas University offers to equip the students to match the expectations of jobs that they look for by adding value in its course inputs. Practical exposure through concurrent field work is supplemented by NGO internship and industry internship. Mini research projects are incorporated in all semesters to enable students to have hands on experience in scientifically analyzing social and corporate issues. Communication skills and language proficiency are part of the curriculum apart from seminars and group presentations. Basic computer skills are taught and evaluated. Issues on Development and Sustenance as an innovative subject is included in the curriculum. Project and programme organizing abilities are developed to fit in with suitability for wider variety of jobs. Campus placement, alumni network, additional certificate courses, industry collaboration and best infrastructure makes it a unique place to pursue MSW.
