OBJECTIVES

With an aim to be among one of the top Universities in the world, SRINIVAS UNIVERSITY has set itself the following objectives:

- To promote high levels of intellectual abilities.
- To establish state-of-the-art facilities for education and training.
- To create centres of excellence for research and development.
- To provide consultancy to the industries & public organizations.
- To impart value and ethics based education through national and international collaboration.
- To focus on new models of education like virtual classroom along with traditional education system.
- To emphasize the importance of multi-disciplinary and trans-disciplinary education and research in various areas of science, engineering, technology, philosophy, and culture.
- To develop scientific, technological, cultural and traditional heritage of the people in the society through continuous education.
- To create effective leaders to manage human resources of the world.

“Education is our Passion, Not Profession” and based on this our guiding principle is that “Continuous improvement is only the way to Success”. Srinivas University believes that students are the cream of the society and as its valuable customers they deserve the best. The curricular, co-curricular, and infrastructural support it provides to the students is a just expression of this belief.
