The College of Engineering & Technology was established with the aim of providing international standards in education and training and hence to prepare graduates with Knowledge and Skills in the emerging fields of Engineering. It opens knowledge by immersing students in a rigorous and innovative curriculum and culture of real-world, experience-based learning. The Institution has a continually evolving infrastructure development programme which quickly adapts to the

challenges of the new evolution in engineering technology. Located in the sylvan surroundings and cool climes of picturesque Srinivas University Campus at Mukka and abets the National Highway 66.

## **Institute of Management & Commerce**

The College of Management and Commerce earlier named as Srinivas Institute of Management Studies at Srinivas University is committed to provide a conducive learning environment which ensures comprehensive development of students and make them competent, content and good citizens.

Our programmes ensure a coherent degree structure which is well-rounded, thereby facilitating interdisciplinary training. We believe that interdisciplinary training is the way to go because the business environment is changing and as such programmes must be able to meet these changes. We are committed to the highest standards of academic excellence, quality, integrity, and professional ethics. It is our goal to provide our students with an academic and research background as well as a practical field experience that are key components to a successful career in today's' changing world.

The College of Management and commerce believes in serious academic pursuit and encourages original and innovative thinking with regard to national and internationally relevant ideas and policies through intellectually stimulating debates and discussions at all levels. The college has built its reputation with a dedicated goal of adding value to life and professional standards.

## **Institute of Allied Health Sciences**

The College is run by a well-known Trust A Shama Rao Foundation who have been running various successful educational Institutions from more than past 40 years.

The College is located in Mukka in the outskirts of Mangalore which is the educational hub of south India and one of the fastest growing non metro cities in India. The campus is by the side of National highway 66 and students can commute easily to the campus from the city. State of the art equipment's are present for the teaching purpose of the students. The Colleges clinical requirement is fuelled by Srinivas hospital which is a 700 bedded super specialty hospital. Boarding facilities: The College has adequate hostel facilities both in

campus as well as inside the city for the students who desire it As the graduates from the courses offered by the College are in good demand both in India as well

as abroad due to acute shortage of professionals the College can help out by educating more students. Some of the courses offered by our College are unique as no colleges are offering similar courses in this part of Karnataka.

## **Institute of Computer Science & Information Science**

The college of Computer Science And Information Science is envisioned to offer courses which would build the students into to enthusiastic quality professionals in the field of Computer Science and Information Technology.
