REPORT WITH PHOTOS 2020-21

1. Science Sensitisation Programme 1

Srinivas University, Mangalore organized the Science Sensitization Programme (SSP), an initiative aimed at promoting scientific awareness, fostering curiosity, and enhancing scientific literacy among students at various educational levels. The program addressed the following components:

1. Raise awareness about the importance of science and its relevance to everyday life among students
2. It Stimulated curiosity and interest in scientific phenomena, inquiry-based learning, and critical thinking skills
3. Improved students' understanding of scientific concepts, principles, and methodologies through hands-on activities and interactive learning experiences.
4. It also Inspired students to pursue studies and careers in science, technology, engineering, and mathematics (STEM) fields.
