

CONFERNCES ON 2018-19

NATIONAL CONFERENCE ON RECENT TRENDS IN CIVIL ENGINEERING

That sounds like an exciting event! Conferences focusing on recent trends in civil engineering play a crucial role in bringing together professionals, researchers, and students to exchange knowledge, discuss advancement, and explore emerging trends in the field. Here are some key points you might want to consider when organizing or attending such a conference.

Define a clear theme for the conference, such as sustainable infrastructure, smart cities, or innovative construction materials. Ensure that the topics covered align with the theme and are relevant to current trends and challenges in civil engineering.

Invite renowned experts, academics, and industry professionals to deliver keynote speeches, presentations, and workshops. Their insights and experiences can provide valuable perspectives on the latest developments in civil engineering.

Research at Srinivas University has tremendous real-world implications beyond academics. We are at the forefront in our search for solutions to some of the most pressing and difficult problems. Srinivas University Research & Innovation Council seek to be a global force for positive change.

DEPARTMENT OF CIVIL ENGINEERING

The department of civil engineering at Srinivas University offers undergraduate programs in B.Tech and postgraduate program in M.Tech specializing in structural engineering. The dept. has a team of highly qualified, experienced and dedicated faculty members. State of the art laboratories, multimedia classrooms, digital library facilities are the highlights of the department. Hands on training is given the utmost importance in the teaching pedagogy. We endeavor to provide a professional environment in pursuit of academic excellence.

SRINIVAS UNIVERSITY

Srinivas University, Mangalore, is a state private University in Karnataka, India. Established in 2013 by Karnataka state act 42 of 2013. Srinivas University is the flagship of 18 Srinivas Group of Institutions. Founded by A. Shama Rao Foundation, Mangalore, India, a private charitable trust founded in 1988 by an eminent Chartered Accountant A. Raghavendra Rao.

A. Shama Rao Foundation started many professional colleges in Mangalore including Srinivas Institute of Medical Sciences & Research Center, Srinivas Institute of Dental Sciences, Srinivas Institute of Technology, Srinivas College of Pharmacy, etc., Presently, Srinivas University offers undergraduate, postgraduate, and research programs under 8 faculties with over 80 programs. The University has made innovations in designing new super speciality programs with present and future industry relevance. The University has established a large network of industries, universities, and educational service providers to substantially improve the quality of its programs.

COLLEGE OF ENGINEERING & TECHNOLOGY

Mukka, Mangalore, India

srinivasuniversity.edu.in

When civil engineers focus on inventions and innovations, social development is inevitable.

CA A. Raghavendra Rao
Chancellor

The unrelenting spirit of engineers to find solutions to even the most complex of problems is the greatest monument of humanity.

Dr. A. Srinivas Rao
Pro-Chancellor

Hoarding & stagnation of knowledge are crimes against humanity. I pray no human ever commits them.

Prof. Dr. P. S. Aithal
Vice-Chancellor

SCOPE OF CONFERENCE

In India, construction technology is changing at a very fast pace. It is very important to share knowledge regarding the advances, innovative construction practices and recent trends in the field of civil engineering around the globe.

This conference aims to provide opportunities & a platform to all scientists, engineers, R&D organizations, Government & public sector undertakings, builders, developers, architects, students, intellectuals, research scholars, academicians and professionals to share their unique knowledge and experience in the field of civil engineering.

CALL FOR PAPERS

Researchers are hereby invited and encouraged to publish their innovative ideas & research work. A wide spectrum of civil engineering streams are covered. Presented papers will be included in the conference proceedings with ISBN 978-81-941751-4-8 & selected papers will be published in the University international journal with ISSN 2581-7000. Special emphasis will be given to environment friendly, green construction concepts.

THEMES FOR THE CONFERENCE

BEST PAPER AND POSTER PRESENTATION AWARD

The conference expert committee will select the best research paper and the best poster presentation at the conference.

REGISTRATION DETAILS

| CATEGORY | REGISTRATION FEES |
|---|-------------------|
| Academic Institutions, Industry and Research Establishments | ₹ 750/- |
| Research scholars, UG & PG students of all institutions | ₹ 500/- |

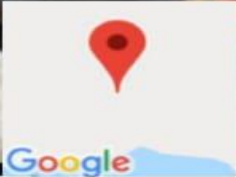

IMPORTANT DATES

| | |
|--|-------------|
| Last date for submission of the abstract | 07 Sep 2019 |
| Notification of acceptance | 10 Sep 2019 |
| Last date for registration | 16 Sep 2019 |
| Last date for full paper submission | 23 Sep 2019 |
| Date of conference | 23 Sep 2019 |

MODE OF PAYMENT

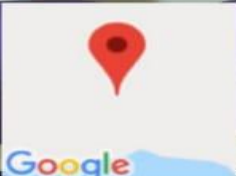

Online bank transfer or demand draft drawn in favour of Srinivas University payable at Mangalore

ONE DAY NATIONAL LEVEL CONFERENCE ON “DEVELOPING INDIAN TOURISM:INNOVATIVE IDEAS AND PRACTICES”

It sounds like you're interested in organizing a one-day national level conference on "Developing Indian Tourism: Innovative Ideas and Practices" at Srinivas University. Hosting a conference involves several key steps. Here is a general outline to help you plan and execute a successful event.

Establish an organizing committee with members responsible for different aspects like logistics, marketing, finance, and program coordination. Issue a call for papers to encourage researchers and practitioners to submit their work related to the theme.

ABOUT SRINIVAS UNIVERSITY:

Srinivas University, Mangaluru is a private research university established under Karnataka State Act No. 42 of 2013 (THE SRINIVAS UNIVERSITY ACT, 2013). The university has eighteen colleges and departments under its umbrella started by A. Shama Rao Foundation in 1988. Presently Srinivas University offers undergraduate, post-graduate and research programmes with about sixty courses. The university focuses on innovations and adoption of new techniques in going hand in hand with all its stake holders.

ABOUT OUR COLLEGE AND DEPARTMENT:

Srinivas College of Hotel Management established in the year 1988 under the aegis of A. Shama Rao Foundation has been the premier institute in the country educating and training the aspirants in the field of hospitality and tourism sciences. In the year 2017, the institute transformed itself as a college named College of Hotel Management and Tourism under the Srinivas University. The college now imparts innovative and quality education in the field of hospitality and tourism through various undergraduate and post-graduate programmes in view of current market trends in the related fields. The college is located in the Pandeshwar Campus of Srinivas University in the heart of Mangaluru City.

ABOUT THE CONFERENCE:

India is one of the most fascinating ecological and geographical regions in the world. Being a vast country with a rich historical and cultural Diaspora in her backdrop, India has enormous tourist potential and many places of tourist interest. Indian tourism has registered a phenomenal growth in the recent past and has made the Government of India to see it as a prime source of income generation for the country. Its journey towards progress is dynamic and continuous, though a lot needs to be done in this sphere. The conference is aimed at introducing innovations in the sphere of Indian tourism while connecting and correlating it to newer zones and disciplines.

CALL FOR PAPERS:

We invite you to participate in this conference by presenting your papers under the title of following topics:

1. Role of Information Technology in improving Indian Tourism.
2. Impact of social media on the growth of Indian Tourism.
3. Role of anthropology as a discipline in Tourism Management
4. Impact of local cuisines in promoting Domestic tourism.
5. Economic growth of India and Indian Tourism
6. Role of School education in awareness and promotion of Indian Tourism sector
7. Scope of Medical Tourism in Indian Tourism sector
8. Indian Tourism infrastructure: Expectations of foreign clientele.

Guidelines for paper submission:

High quality full papers which at the time of submission, are not under review and have not already been published or accepted for publication are invited on the theme and sub-theme of conference from academicians, officials, practitioners and students. The authors of selected papers will be given the benefit to publish their paper in reputed journals with ISSN/ISBN number as applicable.

Abstract should be of minimum 250 words, which has to comprise all the key elements of the proposed paper.

| Technical Details of full paper | |
|---------------------------------|-----------------------------|
| Limit | Not more than 5000 Words |
| Font | Times New Roman Font |
| Size for body | 12 |
| Font Size for Captions | 14 |
| Line Spacing | 1.5, Justified |
| Margins | 2 cm each in all four sides |

The front page of the paper should provide details of name, organisation and contact details. All tables and figures should be numbered and should appear in corresponding text with captions. Source should be explicitly mentioned at the bottom of table or figure. The subscript numeral used to refer to a footnote must appear in the text. The footnote should appear at the bottom of the normal text area. APA citation style should be followed for references.

All correspondence will be addressed to the first author only. Full paper should be submitted electronically at chmtconference@gmail.com

Important Information:
Last date for submission of abstract: 21st of June, 2019
Last date for submission of full paper: 10th of July, 2019
Conference date: 20th of July 2019
Registration fee (Non residential only) 1000 INR
