

ORIENTATION 2022-2023

ORIENTATION FOR BBA AVIATION STUDENTS

A orientation was arranged in college auditorium for First Year BBA Aviation students by two resource persons namely, Prof. M R Vasudeva, Chairperson, College of Aviation Studies, Srinivas University, who was the former Director of Mangalore International Airport and another session was done by Mr. Nagesh Shetty, who was a DGCA Qualified instructor in load and balance, and has 36 ½ years of experience in the field of aviation. They explained how the airport, airline and the aircraft functioning and maintenance occurs inside the terminal and apron areas, and the future career opportunities in the aviation sector. Dr. P S Aithal, Vice Chancellor, Srinivas university delivered presidential remarks.

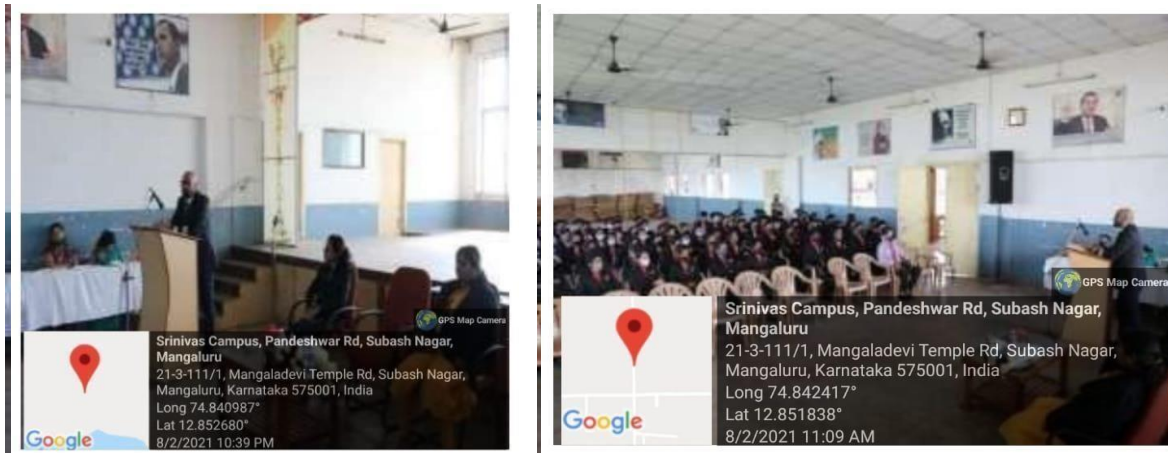

Prof. Pavithra Kumari, Dean College of Aviation Studies, Course Coordinators, faculties and 80 students were present.

OPPORTUNITIES OF AVIATION INDUSTRY AND AIRPORT BY CAPT. ROHITH BAKSHI

College of Aviation Studies, Srinivas University Pandeshwar, Mangalore has organized a Orientation on 8th February 2021 for BBA Aviation Management Students. The Speaker for the lecture was Capt. Capt. Rohit Bakshi is from Hyderabad, who worked with SpiceJet Airlines as a commercial pilot, then he started his career as Private Corporate Flying Pilot for various reputed corporate personalities such Dr. Cuyus Poonawalla of Surum Institute, Mr. Mukesh Ambani of Reliance etc. It was a great way for the students to get maximum exposure as he spoke about his real life experience. He gave valuable information from his experiences which were a real help to the students. He also briefed the importance of career planning and skill set required for becoming a pilot. There has been an interaction with the Aviation industries and what needs to be followed.

Prof. Pavithra Kumari, Dean College of Aviation Studies presented a small token of appreciation to our valuable guest. Prof. Kavyashree, Course Coordinator, College of Aviation Studies, and other faculty members attended the session along with students.

ORIENTATION ON BCA STUDENTS IN SRINIVAS HOTEL

For an orientation session for BCA (Bachelor of Computer Applications) students on August 23, 2023, you'll want to cover several key areas to ensure that students have a solid understanding of the program. Provide information about technology resources available to students, such as computer labs, software licenses, online learning platforms, and IT support services.

Designing and updating course content, including lectures, assignments, projects, and exams, to ensure alignment with learning objectives and academic standards. Delivering engaging and effective lectures, facilitating class discussions, providing guidance and support to students, and fostering a positive learning environment. Creating fair and rigorous assessments to measure student learning, providing timely feedback on student work, and evaluating student performance. Advising students on academic matters, career paths, and personal development, as well as mentoring students through research projects, internships, and other educational experiences. Engaging in continuous learning and professional development activities to stay current in their field, enhance teaching effectiveness, and contribute to scholarly activities. Participating in departmental and institutional committees, contributing to academic governance, and performing administrative duties related to teaching, such as course coordination and student advising. Conducting research, publishing scholarly articles, and presenting findings at conferences, especially for faculty members at research-focused institutions. Engaging with the broader community through outreach activities, collaborations with industry partners, and participation in professional organizations.

FDP (Faculty Development Program) typically refers to initiatives aimed at enhancing the skills, knowledge, and effectiveness of faculty members in various aspects of their roles, including teaching, research, and professional development. These programs may include workshops, seminars, conferences, mentoring programs, and other activities designed to support faculty in their academic careers.
