Dr. Anil Kumar, Registrar of Srinivas University introduced the Chief Guest.

### 2. ON THE OCCASION OF SIGNING CEREMONY OF MOU BETWEEN SRINIVAS INSTITUTE OF TECHNOLOGY AND ZIEGLER AEROSPACE, UNITED KINGDOM

**Valachil :** On October. 24th, 2019, Department of Aeronautical Engineering, Srinivas Institute of Technology (SIT), Mangaluru and Ziegler Aerospace, United Kingdom, officially signed a Memorandum of Understanding (MoU) by Dr. A Srinivas Rao (Pro Chancellor of Srinivas university, Vice President of Srinivas Group of Institutions, Mangaluru) along with Mr. Naresh S Solipur (Founder & CEO of Ziegler Aerospace) chaired the MoU signing ceremony.

This MoU intensifies a close strategic understanding between Srinivas Institute of Technology (SIT) and Ziegler Aerospace (ZA) to establish and implement joint

efforts to bridge the gap between industry and academia. The purpose of the MoU is to work together to develop high quality skilled professionals in the area of Aviation Industry.

The MoU ceremony began with a warm welcome by Dr. Shrinivasa Mayya D, (Principal, SIT Mangaluru) who welcomed the Ziegler Aerospace delegation to the SIT. He briefed profile of the SIT and vision of transform society by imparting quality technical education to the students and train them as a competent professional manpower with ethical values to fulfill the needs of the society and industry.

After the welcome address, Mr. Naresh S Solipur (Founder & CEO, Ziegler Aerospace), emphasized the vision of Ziegler Aerospace, design world-class curriculum capable of delivering high caliber Aviation professionals required in the fast changing Aviation marketplace. In his presentation, discussed the challenges and “Need of industry experience for Aeronautical Engineering students”. Following the Welcoming Address, Dr. A Srinivas Rao, Pro Chancellor & Vice President of Srinivas Group of Institutions, Mangaluru addressed the gathering thrusting on the importance and need for such an MoU which is in tune with the quality policy of the group of institutions run by A. Shama Rao foundation and its commitment towards the value addition by imparting the industrial knowledge to the students.

During the interaction with the students of Aeronautical Engineering, Mr. Naresh S Solipur presented his passion towards

Aviation, his remarkable life experiences and inspiring journey as CEO of Ziegler Aerospace. He stressed on how Ziegler Aerospace is dedicated and focused on “Not merely training the students unlike others, but also impart Industrial Experience through allowing students to work part-time on live industrial projects and transform them as high caliber experienced Aviation professionals”

“To fulfill Ziegler Aerospace Initiative and commitment, Mr. Naresh S Solipur is presented Ziegler Aerospace Employment ID Cards to 4th Year Aeronautical Engineering students of SIT Mangaluru (Ms. Swathi P Shetty, Mr. Praveen Babu, Mr. Prasanna Kumar S and Mr. Steve Johnson Lobo) who worked as interns in Ziegler Aerospace Engineering office in Hyderabad.”

Dr. Ramakrishna N Hegde, HOD of Aeronautical Engineering, SIT, Mangaluru spoke about the journey of setting up the Centre of Excellence with Ziegler Aerospace and thanked the management of SIT, Mangalore, Zeigler Aerospace Pvt. Ltd. and the gathering.

## 6. THE ART REACH PROGRAM

**Udupi :** The students of Art Club, iNurture Education Solutions, Srinivas University, took part in a one day Art Reach programme at CSI Boys Boarding Home, Udupi.

With a view of exploring creativity through art, the students of Art Club took up an initiative to share their skills with children residing at the CSI Boys Boarding Home at Udupi. A team of 15 volunteers and faculties engaged the children by introducing them to simple artworks. The primary students were taught drawing simple characters from alphabets and preparing 12 different types of caps from a newspaper. The High School students were taught simple pencil sketching and a basic introduction to photography. In conclusion to the session, the volunteers engaged the children with traditional games like Kho-Kho.

The team of volunteers who took part in the programme were Harshith, Aman Shetty, Shraddha, Hrithin, Jeevith C, Aman Pinto, Ravith, Sparsha, Usha, Srujan, Charan, Nikhil, Likith, Abhinav and Nishan. The programme was coordinated by the faculties Clifford Chetan Ambler and Jeetha S with support from Sujina and Alope Das.

The Art Reach Program Concept Note:

## The Art Reach Programme Concept Note:

Exploring creativity in young minds being the motto of the art outreach programme, we as an Art Club take an initiative to reach the underprivileged children in the society. The Art Reach Program is a project aimed to educate children using the medium of art. With an intention to give back to our society, we plan to share some of our basic art skills with school children and try our part in encouraging young minds to embrace art.

A team of volunteers from the Art Club are prepared to teach children handicraft, sketching, cartooning, and simple diagrams related to school that help them to perform better in their studies. In addition, we plan on conducting traditional games before concluding our sessions. With this, we hope to better ourselves and witness the change we make through this small effort.
