BTECH in AIML

Duration: 4 Years / 8 Semesters.

Eligibility:

Pass in 10 + 2 / 12th Standard with 45% marks (40% in case of candidate belonging to SC/ST category).

Lateral Entry:

The candidates, who have successfully completed 3 year diploma in Engineering, are eligible to apply for lateral entry into 2nd year of B.Tech.

IBM Certification

We offer BTech with IBM integrated courses

Special Features

- **Well Equipped Laboratories**
- **Industry Oriented Training**

Students Association : ASTRA

Association of Students for Technology Revolution using AI is made for empowering students with inter and intra personal skills by organizing expert talks, technical events, cultural and sports activites.

Focusing on Continous Learning Through:

- **Regular industry visits to leading tech companies.**
- **Global certification training by Microsoft, AWS, Intel, Cisco, IBM.**
- **Active student clubs promoting innovation and technical skills.**
- **Hands-on workshops and seminars with industry experts.**
- **Collaborative projects with top technology partners.**
- **CODEMEET, Hackathon for enhancing problem solving skills.**
- **Softskill Training as a part of placements preparation.**

Global Certification Courses by top companies like Microsoft, Cisco, Intel
