## ANNUAL REPORT 2021-22

**R**ight Education  
Will always get you

Great Career  
Opportunities

## The Founder Chancellor

“The 21<sup>st</sup> Century has brought forth a new world with its accompanying challenges to the new generation. In turn the new generation is challenging the society, government and organizations around them to help them channelize their immense potential in meaningful and constructive ways. Disciplines such as the sciences, humanities, engineering, art, law, medicine etc. cannot exist in isolation, but must be presented holistically to these young minds for their learning and development. For the future demands a holistic approach to life and its

problems. The young minds need to be trained to adapt to changes for that is what the future will demand of these young men and women.

I believe that the Srinivas University with its committed faculty, global industry oriented curricula, latest pedagogy and a set of inquisitive students is well equipped to respond to the new challenges in higher education and will in fact set the agenda to transform society and create true leaders for the future.”

**CA. A. Raghavendra Rao**

**Founder Chancellor**

**Srinivas University**

# ANNUAL REPORT 2021-22

## Message from the Pro-Chancellor

Education is the vehicle of knowledge, self-preservation and success.

Education not only gives us a platform to succeed, but also the knowledge

of social conduct, strength, character and self respect The year 2019-20 was

a historic year for Srinivas University. This was the year when all of our

work since the inception of the University came to life, amidst a gamut of

emotions ranging from nervousness, exhilaration and the recognition of the historicity of the

occasion. The actual launch of the University's academic programmes in July was preceded by hours,

weeks and months of hectic activity on many fronts with all hands on deck. The University embarked

on a drive with regard to new courses and further expanded its operations on the interim campus site

in Mukka, which became the focus of all attention. The Governing Board and the other university

bodies met in quick succession to help move the process forward.

**Dr. A. Srinivas Rao**

**Pro-Chancellor**

**Srinivas University**

## Vice Chancellor Speak...

The year 2019 was the beginning of very challenging and inspiring events at Srinivas as we began to give shape to the University's multidisciplinary and interdisciplinary structure. We added many degree programs in Engineering technology, hotel management, Business Management and computer applications. We also started programs in disciplines of Physiotherapy and Allied health sciences. In

line with our mission to provide world class industry oriented curriculum we partnered with ICT Academy Venture soft Global, Intercontinental Hotels, iNurture Education Solution Pvt. Ltd., Aezion Technology Pvt. Ltd. to launch innovative degree programs and to set up research centers. Srinivas University faculty also began the process of launching the University's research programs and many of them had significant publications in leading journals in the field. We have already laid out the plan for a Career Development Center for Students, as well as a Faculty Development Center. We will continue our efforts to put the University on the path to excellence with the aim of becoming the leading research-led university in India and among the best in the world.

**Dr. P.S Aithal - Vice-Chancellor**

# HIGHLIGHTS

## Highlights

The Academic year 2021-22 was a significant year for the Srinivas University as the multidisciplinary and interdisciplinary structure of the University started taking shape. Continuing the path laid down by the founder Chancellor, the University endeavored to further realize the vision and mission. As the University enters into a new academic year, the unique curriculum in all disciplines offered will help to transform and advance the career of the students.

Srinivas University is strengthening its academic foundations and will be adding new degree and post graduate programmes in the coming years.

Faculty with excellent research credentials was recruited by the University. Many members succeeded in garnering external funds from Department of Science and Technology, Department of Biotechnology etc. to pursue their research in the Pure Sciences and Engineering fields. Members had publications in leading journals.

The University recognizes the need for preparing the students for the future. Our unique programmes, experienced faculty and infrastructure will enable students to pursue successful careers across academia, research, industry and the public sector.

## SRINIVAS UNIVERSITY

### CENTRE FOR FACULTY TRAINING

#### **MOTTO FDP AT SRINIVAS UNIVERSITY:**

**THE INDIAN HIGHER EDUCATION SYSTEM BELIVES THAT THE QUALITY OF TEACHERS AND FACULTY MEMBERS WILL DECIDE THE QUALITY OF THE STUDENTS AND THEREBY THE NEXT GENERATION MANPOWER. THROUGH FDP WE DEVELOP NEXT GENERATION TEACHERS.**

Hence it was incorporated during the inception of University regular University level and Institutional level FDPs are held during academic year for the faculty members with financial assistance some times and each participant faculty was issued a certificate of participation.

#### **OBJECTIVES OF FDP:**

- The Faculty Development Programme (FDP) intends to facilitate up-gradation of knowledge, skill and intends to provide opportunities for induction training to teachers employed in disciplines Engineering & Technology, Pharmacy, Hotel Management & Catering Technology, Engineering, Physiotherapy, Nursing, Computer applications in administration and evaluation system.
- Faculty Development Programme (FDP) intends to cover areas such as technical education policy, new concepts, methods and techniques, theory and skills development and up gradation of pedagogy educational technology, motivation, communication skills, management and other relevant issues to keep pace with the changing scenario in Technology in Education system.
- The scheme is designed to enhance the teaching and other skills of the faculty. And to make them aware about modern teaching tools and methodologies. It provides an opportunity to acquire knowledge about current technological developments in relevant fields
- It will promote the professional practices relevant to technical education but also motivates the faculty to achieve competitive teaching and learning environment,

## ANNUAL REPORT 2021-22

thus channelizing development with respect to academic qualifications and personal matters.

- The Program aims at enhancing the academic and intellectual environment in the Institutions by providing faculty members with enough opportunities to pursue research and to participate in seminars / conferences / workshops. participants will get in depth understanding of research and its implications in decision making process.
- Faculty Development Programme (FDP) aims at equipping teachers with skills and knowledge that are essential for inculcating entrepreneurial values in students and guiding and monitoring their progress towards entrepreneurial career.
- The FDPs provide inputs on process and practice of entrepreneurship development, communication and inter-personal skills, creativity, problem solving, achievement motivation training, inputs on resource and knowledge industries. The training methodology includes case studies, group discussion, games and simulation exercise, field visits and classroom lectures.
- Faculty members are encouraged to develop insights into curriculum planning and academic administration.

## SRINIVAS UNIVERSITY- FDP conducted in year 2021-22

Sl. No.	Dates (from-to) (DD-MM-YYYY)	Title of the professional/ administrative development program organized for the teaching staff/ non-teaching staff
1.	28-06-2021 - 28-06-2021	Total Quality Management in Education
2.	12-07-2021 - 12-07-2021	Workshop on updation of syllabus for srinivas university
3.	13-07-2021 - 14-07-2021	NEP 2020
4.	16-07-2021 - 18-07-2021	Introduction to MATLAB and its Applications
5.	19-07-2021 - 21-07-2021	Workshop For web programming
6.	06-08-2021 - 07-08-2021	Non-invasive glucose monitoring
7.	13-08-2021 - 13-08-2021	Using creativity to solve problems
8.	14-08-2021 - 15-08-2021	Workshop on nep: - examination process in srinivas university
9.	04-09-2021 - 05-09-2021	Workshop for Wireless Communication
10.	14-09-2021 - 14-09-2021	Laboratory Management skills
11.	24-09-2021 - 24-09-2021	Importance and practical training on "Yoga- concepts & techniques"
12.	11-10-2021 - 11-10-2021	Work shop for Digital Computer Fundamentals
13.	12-10-2021 - 13-10-2021	workshop for Industrial Automation
14.	12-10-2021 - 12-10-2021	Wireless patient monitoring
15.	20-11-2021 - 20-11-2021	Digital class room in effective learning
16.	03-12-2021 - 04-12-2021	Innovations in teaching, learning and evaluation in nursing
17.	04-12-2021 - 05-12-2021	Faculty Responsibilities of Srinivas University to provide student centred Education
18.	20-12-2021 - 20-12-2021	Applying blooms taxonomy
19.	21-12-2021 - 23-12-2021	workshop for computer networks
20.	07-01-2022 - 09-01-2022	Faculty development programme on "plagiarism checking in final research paper"
21.	15-01-2022 - 16-01-2022	Institutional level training on Vojta approach for SU faculties
22.	19-01-2022 - 20-01-2022	Research design
23.	22-01-2022 - 22-01-2022	Contemporary education
24.	02-02-2022 - 06-02-2022	Workshop on 'nep: - system, process and issues
25.	03-02-2022 - 04-02-2022	FDP on "Intellectual Property Rights"
26.	07-02-2022 - 09-02-2022	Work shop for data structure
27.	12-02-2022 - 12-02-2022	Variants of SARS2 Covid-19
28.	05-03-2022 - 07-03-2022	Implementation of Lean Six sigma strategy in Allied health Sciences
29.	15-03-2022 - 19-03-2022	Faculty development programme on Quality teaching for Quality learning
30.	26-03-2022 - 26-03-2022	Empowering the Managerial Skills
31.	14-05-2022 - 14-05-2022	Empowering the managerial skills
32.	20-05-2022 - 21-05-2022	Workshop on Proprioceptive Neuromuscular Facilitation training.
33.	20-05-2022 - 22-05-2022	Work shop for Operating system

# ANNUAL REPORT 2021-22

34.	31-05-2022 - 02-06-2022	work shop for IoT
35.	06-06-2022 - 08-06-2022	Work shop for java
36.	25-06-2022 - 27-06-2022	Reforms in Curriculum, Pedagogy in the Light of NEP-2020"
37.	18-07-2022 - 20-07-2022	Work shop for C programming
38.	10-09-2022 - 11-09-2022	Training on "recent advances of Sensory Integration"

## Srinivas University Institute of Engineering & Technology

Respected Dignitaries on and off the dais, Parents, Invitees, Staff & my dear students,

**Srinivas University Institute of Engineering & Technology (SUIET)** is a branch of Srinivas University promoted and sponsored by A. Shama Rao Foundation, Mangaluru, and is a part of Srinivas Group of Institutions. With the aim to provide international standard in education & training, the campus is developed in a lush green campus with state-of-the-art infrastructure facilities.

Recognised by the All India Council for Technical Education (AICTE), New Delhi, UGC, New Delhi, it offers the following professional Courses:

Bachelor of Technology (B.Tech.)

Master of Technology (M.Tech)

Master of Business Administration (MBA) &

PhD Programmes in all branches

**Institute of Engineering & Technology** offers 4 year (eight semesters) undergraduate B.Tech. programme in the following disciplines:

- Civil Engg., Computer Science & Engg., Electronics & Communication Engg., Mechanical Engg., Nano Technology, Artificial Intelligence & Machine Learning, Aircraft Maintenance Engg, IoT Robotics & AI, AI & VR, Robotics AI & ML, Cyber Security and Cyber Forensics, Information Security & Cloud Technology, and Data Science. The institute also offers Postgraduate programme **M.Tech** in Structural Engg (Civil), M.Tech in Computer Science Engg, M.Tech in NanoTechnology, and Doctoral programmes in all branches.

### Results

The 2021 batch engineering students achieved excellent results in the final year examinations. The results obtained for the 2021 batch of engineering include 100% in Civil Engineering, 100% in

# ANNUAL REPORT 2021-22

Computer Science & Engineering, 100% in Electronics & Communication Engineering and 100% in Mechanical Engineering. 100 % result was achieved in all the M.Tech courses.

## Rank Holders

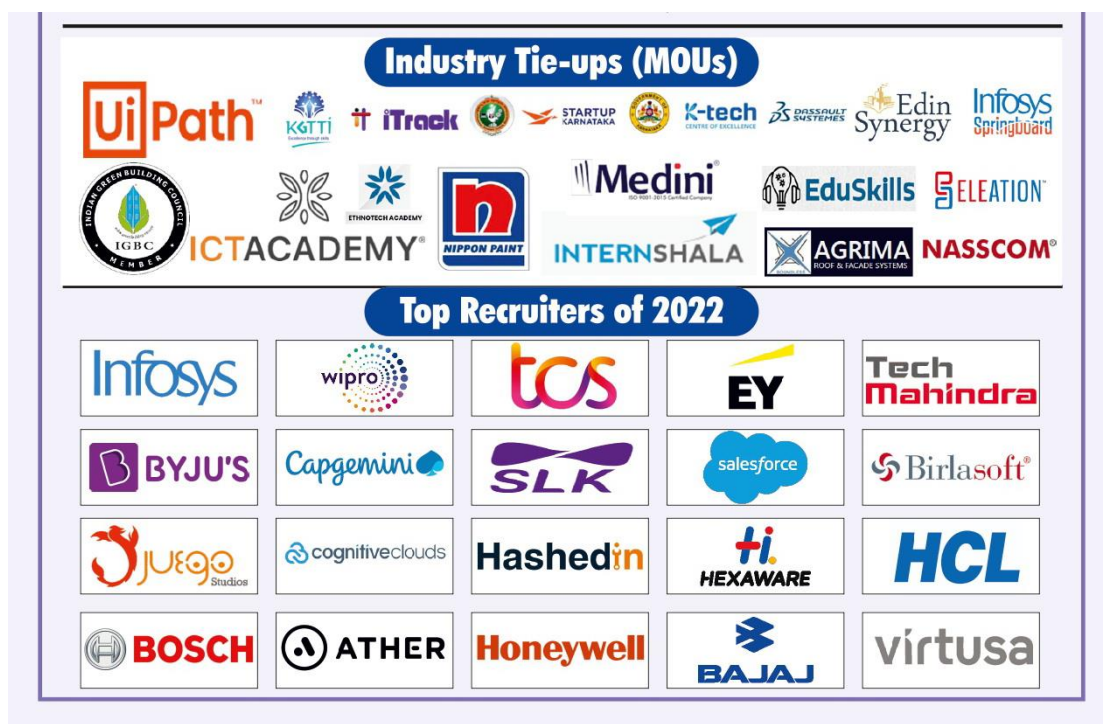

**Ashika Bekal** of Mechanical Engineering, **Ananya** of Electronics & Communication Engineering, **Deekshith** of Civil Engineering & **Mohammed Shoaib** of Computer Science & Engineering were declared as I Rank holders and won Gold Medals.

## INFRASTRUCTURE

The institute has hi-tech gallery class rooms with latest teaching aids like LCD, audio system and multimedia facilities to train the students by implementing e-learning and teaching environment.

**MoU's & Collaborations** have been signed with Ui Path, Nippon Paint, Infosys Springboard, Agrima, IGBC, KGTTI, Internshala, Nasscom, ICT Academy, Startup Karnataka, KTech Centre of excellence, Dassault systems, Medini, iTrack, Edin Synergy, Ethnotech academy, Eduskills, Eleation.

# ANNUAL REPORT 2021-22

The Institute has set up **2 Centres of Excellence** wherein all the students are trained on Emerging Technologies and Global Certification option from various top corporates including Infosys, Microsoft, Cisco, Autodesk, AWS, Marcraft, Celenis, Juniper Networks, EC-Council, Red Hat Academy, Palo Alto Cyber Security Academy and so on.

## **Standout Features of the Institute include:**

- Situated in a Serene Environment: Conducive for Learning
- Industry Ready Curriculum
- Global Certification programs in Emerging Technologies
- International Collaborations
- Value added co-curricular activities to enhance knowledge, skills & experience
- Highly Accomplished Faculty
- Rich & Hi-Tech Library Resources
- Strong Corporate Connections
- Experiential & Project based Learning
- STEAM Model of learning
- MOOCs Enriched Curriculum
- Robust Pre-placement Training & Excellent Placements
- Employability Skill Enhancement Program
- Top Notch Learning Facilities
- Active Mentoring Cell
- Research Oriented Approach

## **Training and Placements**

Srinivas University – Institute of Engineering and Technology (SUIET) has been in the forefront of activities bringing both corporate and companies close to the campus and encouraging them to establish facilities to cater to the needs of both faculty and students.

The Department of Training and Placement takes initiative to provide adequate training to students to enable them to have better employability skills.

# ANNUAL REPORT 2021-22

Employability Skill Enhancement Program (ESEP) is introduced in the curriculum from 2nd year to cater the needs of the industry and prepare the students accordingly. Weekly assessments are conducted through Naxeed Portal, wherein the assessments are curated by Industry experts.

The Department is actively involved in hosting Industry- Academia Connect Programs to benefit the students and faculties.

The placement department arranges campus interviews from various national and multi-national companies for campus recruitment and also helps various Head of Departments in placing the students for Internships and project work at industries and other research & development organizations. The Institute has an impressive track record of both placements and participating Companies. Besides this, the placement cell organizes mock interviews, personality development Programs, seminars, group discussions, invited talks of prospective employers.

The **NEP** is based on four pillars which are Access, Equity, Quality, and Accountability. Through this, the government is looking forward to making India a “global knowledge superpower” and it will be only done by making education system more flexible, holistic, and multi-disciplinary which will bring out their unique capabilities. We have implemented certain features of the same. The curriculum in all subjects has been reduced to its core essentials, and academic credits earned by students will be counted for the final degree. Through this, they focus on critical thinking, discovery, inquiry, discussion, and teaching based on analysis and holistic learning methods for education. Focus on E-learning so that they can reduce their dependency on textbook etc. All this will enable our students to get global standards in India.

The **Srinivas Innovation & Incubation Center (SIIC)** was set up in the campus to give wings to the nascent ideas of the students and designed to nurture and grow new and small businesses by supporting them through early stages of development and change.

A State of the art Aircraft Hangar of modern dimensions and proportions was established to house the 3 aircraft and the simulator along with laboratory equipment of the Aircraft Maintenance Engineering department.

# ANNUAL REPORT 2021-22

The institute has 52 faculty members on its rolls which comprise of 42 regular, 5 R&D, 4 Part time and 1 DST staff. 15 of them have PhD's and majority of them have enrolled for their PhD.

## **Library**

The Library is housed in an Area of 1730 sq. mtrs & Reading Area of 736 sq. mtrs with a seating capacity of 75. It uses Easylib Library Automation Software. 752 students have registered with NDL and total library members is 920+. The Library subscribes to several daily newspapers.

The Number of Volumes available is 25808 with 4851 Titles, 1510 E-Books, 1,327 CD's with Bound Volumes, Study Materials, Internship Reports, Project Reports, Thesis etc. The total amount spent for books is Rs. 68,43,418.00

Every department maintains their own departmental library which has a total of more than 1,200 books. The library is also provided with e-library, digital library and Book bank facilities for the benefit of the students.

- The institute has fully furnished laboratories, workshops, state-of-the-art computer centers with high end computers and networking, and a separate section for CAED to teach Computer Aided Drawing, which is upgraded every year.
- The campus has Free Internet Facility with 500 Mbps (1:1) leased line internet connection and also provides Wi-Fi facility to the students & Staff.

# ANNUAL REPORT 2021-22

- Every Department has full-fledged laboratories having the latest equipment.

## **INSTITUTE ACTIVITIES:**

- The 4th and 6th semester students of Civil engineering department, SUIET Mukka visited a construction site for practical exposure. They got first-hand knowledge by interacting with the site engineers and witnessed various facets of construction. The staff guided them through the various stages of construction and answered several queries of the students pertaining to what they observed.
- Engineers Day Celebration was organised by SRISTICA, Dept of Civil Engineering. Chief Guest Er Krishnamurthy Reddy of Mangaluru City Corporation inaugurated the program by lighting the lamp. Dean, Dr. Thomas Pinto presided.

## ANNUAL REPORT 2021-22

- Er Ubaidullah, Town Planner of Dakshina Kannada District, Proud Alumni of Dept of Civil Engineering, delivered a Technical Talk on "Town Planning" on 5th January 2022
- Civil Engineering Contractor, Proud Alumni of Srinivas University, Er Abhilash Shetty Kateel inaugurated the student activities forum SRISTICA for 2021-22.
- Collage Competition was conducted on the occasion of Karnataka Rajyotsava.
- Dept of Civil Engg & Nehru Yuva Kendra, Mangaluru jointly organised National Youth Day to mark the 159th birth anniversary of Swami Vivekananda. Chief Guest, Sri Raghuveer Souterpete,

# ANNUAL REPORT 2021-22

District Youth Officer, Nehru Yuva Kendra Mangaluru inaugurated the event. Sri Nagaraj, Taluk Coordinator, was the Guest of Honour. On the occasion, our students, Nishchay B L and Nishan

Alva delivered talks on Youth Empowerment, Role of Youth in Nation Building and contribution of Swamy Vivekananda to India.

- Final Year Civil Engineering Students visited New Mangalore Port (NMPT) as a part of Industrial Visit to enhance their knowledge in various infrastructures related to Port and Harbour such as Mooring Dolphine, BD, Wharf Wall, Jetty, Cargo Berth and Dredging Operations.

# ANNUAL REPORT 2021-22

- The Department activities of 'ACE' (Association of Computer Engineers) the student Association of Department of Computer Science & Engineering, was inaugurated by Mr. Praveen Kumar Kalbhavi, Co-Founder, Managing Director and CEO of Navigo Solutions Pvt. Ltd. on November 24, 2021.

- Organized a workshop on AWS (Amazon Web Services) on 29th December. The resource person, Prof. J. Daniel Francis Selvaraj gave a talk on AWS as well as provided hands on experience.
- The student Association of Department of Computer Science & Engineering, 'ACE' organized a workshop on Introduction of IOT (IIOT 2021) on 11th December. The resource person, Mohammed Sadiq (Technical Director, tech-graylogix) and team gave a brief summary on IOT.
- Department of Computer Science & Engineering organized a Technical Quiz competition for 3rd & 5th semester students on 23rd and 24th December 2021.
- A 2 day Augmented Reality & Virtual Reality workshop was organised on 3rd June by CSE & AIML in association with Karnataka Science & Technology Academy, Govt. of Karnataka. Dr Gururaj, Professor of Vidyavardhaka College of Engineering, Mysuru was the eminent resource person.

# ANNUAL REPORT 2021-22

- A 4 day workshop on Python & Data Science was organised.
- World Environmental Day was celebrated at SUIET on June 5th. Planting of saplings was undertaken by the chief guest, Dean, staff & students. Mrs. Shuba S (iOS Engineer, Kami vision India pvt ltd) and Mr Udaya M (Entrepreneur and Agriculturist) were the Chief Guests of the event. Event was inaugurated by planting saplings in the college campus. The theme for 2022 was NURTURE THE NATURE.

- One-day workshop held at SUIET organised by Cyber Security department. 103 Cyber Security/CSE students participated. Dr. Ananth G Prabhu, Cyber Security expert was the resource person.
- 'ACE' organized a GENERAL DEBATE competition on May, 2 2022 under the guidance of ACE coordinator Mr. Akhilraj V. Gadagkar and HOD of CSE department Mrs. Shifana Begum. Mr. Rohan David Fernandez and Dr. Sandya Shenoy were the judges for the event. Winners of the competition were Ms. Shreeja Shetty (2rd year CSE) and Ms. Vibha Pai (2rd Year CSE).

- The Holi celebration at the Srinivas University Institute of Engineering and Technology was organized by the Department of Computer Science and Engineering under 'ACE' (Association of computer Engineers) on 18th March 2022. The main attractions were the entertainment game for the

# ANNUAL REPORT 2021-22

faculty members, competitions for students were: photography, Reels making, DJ, etc. The Cash and other prizes were given to all the winners.

- Two Day National Conference on 21st Century Computing Communication & Technology (NCCT - 2022) held on June 17 and 18, 2022. Dr. Shashidhar G. Koolagudi (Head of the Department, CSE, NITK, Surathkal) was the chief Guest. The conference aimed at providing a platform for young research minds to present their innovations and ideas in the field of computation, communication and technologies. The event was presided over by Dr. Jilella Satya Sai Kumar Pro Vice Chancellor Srinivas University. The Book of Abstracts was released by the Chief Guest. Presentation certificate was distributed to all the participants and the best papers were awarded.

- The Department of Mechanical Engineering and the Department of Robotics, Artificial Intelligence & Machine Learning organized the national conference titled Recent Advances in Mechanical, Robotics & Automation Technology (RAMRAT 2022) on 28th and 29th June 2022. Dr. Sathyashankara Sharma, Professor and Head of Mechanical & Industrial Engineering, Manipal Institute of Technology graced the inaugural function of the Conference as the Chief Guest. Nearly 40 papers from a wide variety of research areas like Tribology, Materials Engineering, Robotics, Automation Technology, Electric Vehicles and 3D Printing were presented in the Conference. A book of Abstracts was released during the inaugural function by the Chief Guest.

# ANNUAL REPORT 2021-22

- A demo by Skyclan was held where the team demonstrated several RC planes on November 27th.
- Workshop on EV vehicles was held on December 2nd.
- The Incubation cell of the University was inaugurated on June 29th. The Technotronics club under Prof. Vishwas has done commendable projects and will be developed further with assistance from the Srinivas University.

# ANNUAL REPORT 2021-22

**Tallest Indian Robot, Holo Yantra "BHIMA"**

- A Two day International conference (virtual) on “Emerging Trends in Nanoscience & Nanotechnology (ICETNN-2021) was organised on 6th & 7th August.
- One Day Workshop on "Advanced Chemistry For Better Tomorrow" was organised on 18th July in association with Dakshina Kannada District PU College Chemistry Lecturers Forum and Dakshina Kannada District PU College Principals Association. Chief Guest of the program Prof. Jayanna C D (Deputy Director, Pre University Education Department, DK District) inaugurated the Program. On this occasion, 28 Chemistry Lecturers who have achieved 100% Results in 2nd PU Chemistry Examination and 40 Students who have scored 98 marks and above in the 2nd PU Examinations 2022 were felicitated. Dr. Jillella Satya Sai Kumar (Pro Vice Chancellor of Srinivas University) presided over the program.

# ANNUAL REPORT 2021-22

- Dr Praveen received a grant of Rs. 75,000 from KSTA, GOK as minor research project to develop Hydrogen generation for smart electric vehicles.

## SPORTS:

- Staff members of Mukka campus emerged victorious in the Srinivas Group of Colleges Staff Cricket tournament held on the newly laid turf pitch at the Valachil campus on 18th November.
- Govind Kumar of 5th Semester won Gold in Kumite representing India in the International Karate Championship. He also won Silver in Kata.

- Srinivas Premier league season 3 cricket tournament was conducted successfully on January 7th & 8th.

# ANNUAL REPORT 2021-22

- Outdoor & Indoor sports events were held for the I Sem students by the sports department.

- Dr Ramakrishna Hegde, HoD, Civil engineering won Gold medal in state level Masters table tennis singles and Silver in doubles
- Dheekshith K, Assistant professor, Civil engineering won prizes in several disciplines:
  - Srinivas Premier league season 3. Runner up in April 2021
  - SU intra college faculty cricket tournament winners 🏆
  - Secured 1st place in men's singles and 2nd place in men's doubles badminton tournament "TEACHERS PROFESSIONAL CUP" conducted by Torpedoes sports club.
  - Secured 1st place in Udupi open badminton tournament.

# ANNUAL REPORT 2021-22

## **GENERAL ACTIVITIES:**

- Student induction program for the first year students of 2021-2022 batch was held from 14th December to 24th December. Talks on Code of conduct, Prohibition of ragging, Mentoring system, Consumer rights awareness, Learning methods and assessments, Examination system in SU, Women anti-harassment, Medical and Dental professional talks, Alumni interaction, Campus tour, Industrial visit, Yoga session, Beach visit, Indoor & Outdoor sports, Fine arts activities, Freshers party by Rotaract club members and other activities.

- Srinivas University, Mangaluru and K-tech Centre of Excellence in Aerospace and Defence, GoK, signed a Memorandum of Understanding mainly focussed on Academic aspects, Research and Development in the field of Aerospace and Defence. K-tech Centre of Excellence in Aerospace and Defence has renowned scientists and experts in Aerospace and Defence domain, they have sophisticated laboratories and software's supplied by Dassault Systems from France. The students and faculty of Srinivas University will be greatly benefited by this collaboration to enrich their expertise in the current and futuristic technologies.

# ANNUAL REPORT 2021-22

Considering the demand and opportunities in the field of Aerospace and Defence, the University has launched a 4 year futuristic BTech program in Aerospace and Defence Technology at College of Engineering and Technology in Mukka campus, which is the first of its kind in Karnataka.

- The college celebrated National Voters Day on 25th January. Faculty and students took the oath in order to encourage more young voters to take part in the political process.
- Srinivas University – Centre of Excellence in Emerging Technologies was inaugurated on February 3rd by Dr A. Srinivas Rao, Pro Chancellor. Dr B G Sangameshwar, Advisor, Dr Kiran Rajanna, Chairman and Arun, Director were part of the inaugural function. This Centre of Excellence is established in collaboration between Srinivas University, Mangaluru and Ethnotech Academic Solutions, Bangalore. The centre aims to equip students with the latest technologies and International certifications in Emerging Technologies from Amazon, Microsoft, Cisco, Festo and so on. Engineering students from all the streams will get benefitted by this Centre of Excellence.
- ISAP (Information Search Analysis and Presentation) ISAP 2021 program was conducted on 30th December. Prof. Yatheesh Ameen (Principal, Sri Narayana Guru Composite PU College, Mulky) was the Chief Guest. Prof. Smt. Pameeda Begum (Principal, Vijaya PU College, Mulky) was the Guest of Honour. Dr. Anil Kumar (Registrar, Srinivas University) presided over the program. All the second year B.Tech students presented seminars on technical topics of their specialization. Convenor of ISAP 2020 Dr. Ramakrishna Hegde, HoD of Civil Engineering introduced the Chief Guest to the gathering and delivered key note address.
- Srinivas University hosted an IPR AWARENESS PROGRAM ON 25th May. The guest speaker was Mr. Ayush Mishra, Examiner of Patents & Designs (Group 'A' Gazetted) DPIIT, Ministry of Commerce & Industry.
- Women anti-harassment cell celebrated WOMEN'S DAY on 8th March 2022. Dr Shubhrajyotsna gave the welcome address. The Chief Guest was Dr. Olivia Juliana D'Souza, Vice Principal of Poorna Prajna PU College and the Guest of Honour was Mrs. Deepa K S, International Athlete in Power Lifting. Prof. Shilpa S introduced the Chief Guest & Guest of Honour. Chief Guest shared her success story and behind her success mother was her inspiration, motivator and a guide too. Guest of Honour shared her journey of becoming an International Athlete with the support of her family members. The event was presided by Dr. Jillella Sathya Sai Kumar (Pro. Vice Chancellor). Dr. Anil Kumar (Registrar) and Dr. Thomas Pinto (Dean) were present. Around 200 staff and students actively participated and benefitted from the program.
- Two days National Level Techno Cultural and Sports Fiesta "Tech Yuva - 22" was organised at Srinivas University Institute of Engineering & Technology (SUIET), Mukka, Mangaluru on 7th and 8th June 2022. Around 1,200 participants from various engineering colleges took part in this mega event.

# ANNUAL REPORT 2021-22

Chief Guest of the program Dr. K. Ganesh Raj, Senior Scientist (Grade H) & Former General Manager, Regional Remote Sensing Centre, ISRO Bengaluru inaugurated Tech Yuva – 22 by lighting the lamp. Smt. Poornima Bhojraj, Senior Artist in All India Radio and National Level Gold Medalist in Seniors Table Tennis Tournament was the Guest of Honour. Dr. A. Srinivas Rao (Pro Chancellor, Srinivas University) presided over the program.

A wide range of Technical competitions for Mechanical, Civil, Electronics & Communication, and Computer Science Engineering students namely Paper Presentation, Model Making, Collage, Robo Wars, 3D CAD Modeling, Code Hunt, Game of Mind, Web Development, Robo Soccer, Just A Minute were conducted on the first day (7th June) and Cultural & Sports events namely Singing, Solo and Group Dance, Tug of War, Basket Ball, Badminton, Photography, Face Painting, Dumb Charades, Mock Press and Treasure Hunt were conducted on the second day (8th June). Sports events namely Chess, Cricket and Table Tennis were conducted on both the days. This year “BGMI” and “Stand Up Comedy” competitions were introduced as special attraction. A total of 34 different varieties of competitions in Technical, Cultural, Literary and Sports were conducted in Tech Yuva-22.

- Students of Aircraft Maintenance Engineering visited the Visvesvaraya Industrial & Technological museum, Bangalore and explored various facets of technology related to their branch.
- Orientation program for the newly joined Engineering students was organised on Wednesday, 13 December 2021. Hon'ble Vice Chancellor of Srinivas University Dr. P S Aithal presided over the program. Registrar of the University Dr. Anil Kumar, Dean, Dr. Thomas Pinto were present on the dais. ## SRINIVAS UNIVERSITY

### INSTITUTE OF SOCIAL SCIENCES AND HUMANITIES

#### Academic report 2021-22 (June 2021- May 2022)

**Introduction:** Srinivas University is committed to providing a conducive learning environment that ensures the comprehensive development of students and makes them competent, confident, and good citizens. Institute of Social Sciences and Humanities, under Srinivas University, we have the Master of Social Work (MSW) Post Graduate Program and recently started Under Graduate level Programs like; B.A. Journalism and Mass Communication and Bachelors in Social Work (BSW). Srinivas University is intended to fulfill the individual's desire to improve the quality of life of the community. It will help develop one's own personality and build a desirable attitude. This program mold people to work on issues related to weaker and disadvantaged sections of society. These professional courses equip the students to match the expectations of jobs that they look for by adding value to their course inputs. Practical exposure through concurrent field work is supplemented by NGO internships and industry internships. Mini research projects enable students to have hands-on experience in scientifically analyzing social and corporate issues. Communication skills and language proficiency are part of the curriculum apart from seminars and group presentations. Basic computer skills are taught and evaluated. An issue on Development and Sustenance as an innovative subject is included in the curriculum. Project and program organizing abilities are developed to fit in with suitability for a wider variety of jobs. Campus placement, alumni network, additional certificate courses, industry collaboration, best infrastructure, and the Dual Specialization of Human Resource Development (HRD) and Medical Psychiatric Social Work is the unique feature of this course. The college organizes Two National Level conferences every year. Extension activities are part of our courses. College also has [Ph. D. \(Research\) in Social Works, Sociology, and Psychology, Languages like English, Kannada, and Konkani.](#) and [D. Litt. \(Research\) in Social Science.](#)

In his session, he stressed that "Real Journalism is no more in Newsroom."

# ANNUAL REPORT 2021-22

Journalists and politicians have become ensnared in a symbiotic web of lies that misleads the public. Much of what appears in the press as business news is corporate propaganda. Journalism shouldn't work like this. Journalism should work for weaker sections of society. He added. And speaking about HR policy, which occupied the hold of Journalism, The Word 'HR' is ruling Journalism now. Journalism is not a business. It is a noble profession. Journalism should work for society, not for HR or Investors. Dr. Laveena Dmello, Dean of the Institute of Social sciences and Humanities presided over the webinar, Asst. professor And Coordinator of the webinar Shreeraj S. Acharya Introduced the webinar and welcomed the guest. The session was Hosted by Student Sowparnika KV, Vote of thanks was offered by Arathi N Aji. Dr. Pradeep MD, Asst. ### **Dr. M. PREMKUMAR, Associate Professor**

1. Single bout of aerobic and resistance exercise on reaction time and working memory in normal subjects – a randomized control trial’ in IJCRR International Journal of Current Research and Review.

2. ‘Effect of Acute Lumbar McKenzie Extension Exercise and Core Stability Exercise on Cardiovascular and Oral Temperature Response – A Randomized Control Trial’ in IJCRR International Journal of Current Research and Review.

### **Dr. SANYA ANKLESARIA, Assistant Professor**

1. ‘Antagonistic asynchrony in biceps and triceps recruitment pattern during forward reach movement in children with cerebral palsy’ in Biomedicine journal in 2022.

## **Extra-curricular activities conducted in the year 2021-22 (March-June):**

Students of INSTITUTE OF PHYSIOTHERAPY , Srinivas University took part in a Cleanliness Drive Initiative on 27.3.2021. The program was conducted under the banner of the NSS/CSR unit of the College. The students of DPT joined hands to clean the surroundings of the Pandeshwar College Campus. The students piled up weeds, plastic wrappers, plastic bags and paper waste that were found in the College premises. The initiative was aimed to create a general awareness of maintaining a clean campus.

A webinar on the topic "Setting Functional Rehabilitation Goal Based on Neurological Level of Spinal cord injury" was organized on 30th April, 2021. Dr. Karthik Babu S, Associate Professor from Department of Physiotherapy, MCHP, MAHE, Manipal Hospital

## ANNUAL REPORT 2021-22

Bangalore was the guest speaker for this webinar. Around 135 participants registered for this webinar which included students, academicians from various colleges, Research scholars and private practitioners across India.

Srinivas University, INSTITUTE OF PHYSIOTHERAPY organised a webinar on "Fascial and Visceral Manipulation-Role in internal dysfunction and viscerosomatic pain" on 26th May, 2021. The guest speaker for the session was Dr. Kannabiran Bhojan, Professor from RVS INSTITUTE OF PHYSIOTHERAPY, Sullur and consultant Physiotherapist, Fasciokinetics, Coimbatore. The webinar was co-ordinated by Dr. Carolin Menezes, Assistant Professor of INSTITUTE OF PHYSIOTHERAPY.

A one day National level E-conference titled, "Earlier the Better- Recent trends in early identification and Physiotherapy management for the High-Risk mother and baby" was organised by INSTITUTE OF PHYSIOTHERAPY, Srinivas University on 26th June 2021. The conference was inaugurated by Dr. A. Srinivas Rao, Pro-Chancellor of Srinivas University and Vice-President of A. Shama Rao Foundation, Mangaluru. The conference included 6 speaker sessions given by renowned speakers from across the country who delivered topics related to early diagnosis, early medical and surgical management and also early intervention strategies from a Physiotherapist's perspective for a high risk mother and baby. Over 100 delegates participated from various parts of the country. Also, a pre-conference scientific session (poster presentation) was conducted on 25th June, 2021 for the delegates who wished to participate and the winners were awarded with cash prizes.

Srinivas University, INSTITUTE OF PHYSIOTHERAPY organised a webinar on "Electrolysis of water as a potential solution for oxygen crisis in the time of the Pandemic" on 14th June, 2021. The speaker for the session was Dr. Bharghav Dave who is a research scientist at MyraGe scientific laboratory Texas, USA and also our Alumni. He conducted the session by dividing the session into two parts, the theoretical explanation of the chemical reactions involved in splitting water molecules and a practical demonstration of the working apparatus at home and the precautions needed. Around 50 participants attended the webinar. The webinar was co-ordinated by Dr. Errol Ivor Menezes, Assistant Professor from INSTITUTE OF PHYSIOTHERAPY.

INSTITUTE OF PHYSIOTHERAPY, Srinivas University, Mangaluru conducted a webinar entitled "Motor Learning in Children A Physiotherapist Perspective" on 12th June

## ANNUAL REPORT 2021-22

2021 via WebEx meeting platform. Resource person for the session was Dr. Rakesh Krishna Kovela (PT), Associate Professor, Dept. of Neurophysiotherapy from Ravi Nair Physiotherapy College, Datta Meghe Institute of Medical Sciences, Wardha Maharashtra who shared his insights on the importance of motor learning and the role of physical therapy for the same. He also enlightened the delegates and shared the novel methods of enhancing motor learning in children. About 240 participants attended this webinar from different parts of the country. The webinar was co-ordinated by Dr Radhika Gopal S, Assistant Professor from INSTITUTE OF PHYSIOTHERAPY .

campus of INSTITUTE OF PHYSIOTHERAPY , Srinivas University, wore a festive look as students celebrated the festival of Onam at college city campus in Pandeshwar, Mangalore on 25th August, 2021. The lobby was decorated with Pookalam (a traditional flower arrangement), while students came dressed in their best traditional wear. The main attraction of the programme were the cultural and the games, the Vadam vali (tug-of-war). The highlight, however, was the food with an elaborate Onasadhya served on a banana leaf. It was a feast like no other. Dr. S. Rajasekar, Dean, addressed the gathering and conveyed greetings and wishes of the festival. He lauded the commendable performances by the students.

INSTITUTE OF PHYSIOTHERAPY , Srinivas University celebrated the International Physiotherapy Day on 8th September 2021 with the theme Promoting health and awareness through Physiotherapy in Srinivas Hospital, Mukka.

INSTITUTE OF PHYSIOTHERAPY , Srinivas University organized Navratri celebration on 12th October, 2021 at the Srinivas Convention Hall, GHS road, Mangalore. Dr. CA. A. Raghavendra Rao, Chancellor of Srinivas University and President of A. Shama Rao foundation; Dr. Ajay Kumar, Registrar (Development) of Srinivas University, Dr. S. Rajasekar, Dean, INSTITUTE OF PHYSIOTHERAPY , Srinivas University were present at the event. The celebration started by offering prayers to Goddess Durga and then by performing the traditional dance form, Garba. The event was well attended by all the enthusiastic students and faculty members in traditional grooming. It was a colourful event with teachers joining the students enthusiastically in their dance. The event became an excellent example of celebration of tradition with joy and fervour at its fullest along with the discipline of students. The event was made more interesting by announcing spot prizes such as best dressed student/faculty, best danced student/faculty. The event was facilitated

## ANNUAL REPORT 2021-22

by our Honourable Chancellor by making available the venue for conducting the event and providing logistic support. Joint efforts of all Members of Administration Team, Faculties and students were involved for smooth coordination of activities which made the event successful.

INSTITUTE OF PHYSIOTHERAPY conducted the Vth Freshers Fair (2021-22) on 18th November 2021 at Srinivas Hotel Auditorium, G.H.S Road, Mangaluru for its undergraduate and postgraduate courses.

, Srinivas University celebrated Christmas on 20th December 2021 in the college premises.

INSTITUTE OF PHYSIOTHERAPY , Srinivas University conducted the one day National level CME on "Evidence informed practice in mechanical neck pain and headache- an update" on 18th December 2021 at Mangala Hall, Srinivas Hotel, Mangaluru.

Srinivas University, INSTITUTE OF PHYSIOTHERAPY , City campus, Pandeshwar witnessed the celebration of the 73rd Republic Day on the 26th of January, 2022 along with its sister Institutions.

Institute of Physiotherapy, Srinivas University hosted a function on Inauguration ceremony of advanced therapeutic equipment in Physiotherapy on 7th March 2022 at city campus Pandeswar, Mangaluru

Institute of Physiotherapy Srinivas University, city campus Pandeshwar organized a camp Postural awareness program for dental sciences on 25th & 26th of February 2022 at Srinivas College of Dental Science, Mukka.

On 24th of May 2022 in an Old age Home - Prashantha Nivas. Srinivas Institute of Physiotherapy City Campus Pandeshwar arranged an Activity Camp for all the Geriatric Population by Assistant Professor Dr. Aishwarya Nitin Sonwane (Community Physiotherapist) along with the BPT and MPT students under the guidance of Dean Dr. S. Rajasekar. Different Fun games were conducted where we focused on involving all the elderly people in a Physical Activity, so as to improve their performance in day-to-day life. As the sports and Games helps in improving blood circulation, musculoskeletal functioning, maintains good mental state of mind and ample number of aspects that can lead to overall improvement in an individual.

Institute of Physiotherapy Srinivas University, city campus Pandeshwar organized a camp Diabetes mellitus Camp from 22nd to 28th of May 2022. The camp was headed by Dr. Premkumar with the team members (Dr Aishwarya Nitin Sonwane, Dr. Harsha, Dr. Tamilalagan and Dr. Vishagah) provides free service to all the Diabetes affected people under the direct guidance of the Dean, Dr Rajasekar. During the camp, almost 30 students including PG students & interns participated actively providing the service. This program included free testing of Sugar and BP (Blood pressure) by the trained nursing staff and free individual consultation from the Physician from Srinivas Institute of Medical Sciences and Research Centre, Srinivas Hospital, Mukka. Addition to this complete screening, identification of the problems, intervention was given. The exercises were demonstrated by MPT volunteers with the detail of its benefits. Later the patients were given a prescription for the purpose of follow up if required. Approximately 90 patients were screened and provided all the necessary services on account of their benefits.

On the auspicious day of International YOGA Day 21st June 2022, Institute of Physiotherapy Srinivas University City Campus Pandeshwar conducted 6th National level Conference GEROCON 2022 under the guidance and support of our Dean Dr S Rajasekar in the Hotel Srinivas Saffron, Mangalore. The title of the Conference was A Holistic approach to Healthy Aging and Geriatric Rehabilitation. This GEROCON aimed to highlight different medical and physiological aspects in elderly and geriatric rehabilitation. The inauguration ceremony was successfully carried out the lamp lightening in the presence of Chief guest Dr Naveen Kulal (District Vector Borne Disease Control Officer, Mangalore), Guest of Honour Dr David Rosaria (Medical Superintendent, Srinivas Hospital Mukka Mangalore), Dr Ajay Kumar (Registrar Development) & Dr S Rajasekar (Dean). Throughout the conference six of our speakers covered different aspects on Healthy aging and enlightened all the participants.

NSS unit of Institute of Physiotherapy, Srinivas University in collaboration with the Blood Bank, Srinivas Hospital, Mukka organized one day blood donation camp on account of the World Blood Donors Day on 14th June 2022 at City campus, Pandeshwar. The camp started at 9.30am with Dean, Dr. Rajasekar S donating blood. A group of 3 doctors, 3 Lab Technicians & 4 assistants from Srinivas Institute of Medical Sciences Hospital were present for conducting the camp. Before the donation, the donors were asked to fill a medical form to give details about their health-related information to check eligibility. Over 60 donors including faculty and students participated in this camp. The donors were provided with refreshments and certificates of donation.

11th June 2022, on behalf of World Environmental Day, Institute of Physiotherapy City Campus Pandeshwar Mangalore has conducted a Wealth out of Waste competition. Different group of students actively participated and created beautiful and useful items out of all the useless items. On the basis of their choice of items and the information they gave of its importance the judges selected the best team as winners. On the other hand the City Campus witnessed an enthusiastic Flash mob which included an skit depicting importance of three plantation and Nature protected, while all others dances caught the attention of all the eyes towards the banners and slogans creating awareness of the Environmental day.

## SRINIVAS UNIVERSITY INSTITUTE OF EDUCATION

Pandeshwara, Mangalore – 575001

ANNUAL REPORT-2021-22

### 1. Genesis (Preamble):

Institute of Education affiliated to Srinivas University was established in March 2018 in city campus located at Pandeshwara, Mangalore. The College has been approved by NCTE recognized by the Government of Karnataka.

### 2. Courses and students strength:

According NCTE norms our College has got permission to admit 50 students each 2 Units, which is total strength of 100 intakes for the 2 year B.Ed degree. 73 students have been admitted for two year Bed programme for the year 2021-22 and 47 Students for the year 2022-23.

### 3. Results in brief (Academic achievements):

The Three batches B.Ed degree Programme under Srinivas University has passed out with 100% results & highest distinctions.

### 4. Infra Structure details:

**Library:** A Library with adequate Volume of Books (around 4,540) has been set up. Library has subscribed 11 National & International Journals, Magazines & Newspapers.

**Laboratory:** College has well equipped spacious laboratories like language laboratory, Physics, Chemistry, Biology laboratories, Psychology laboratory and Computer laboratory to give training to the students.

**Classroom:** Well furnished & spacious classroom are provided with LCD facilities, Overhead projector & Microphones.

**Instructional Materials:** College has Multimedia facility with LCD projector, Computer, OHP, T.V, Radio & Tape recorder.

# ANNUAL REPORT 2021-22

**Hostel:** College provides hostel facility to boys and girls.

**Scholarships:** Students will get scholarship from Social Welfare Department, City Corporation and Backward class department and other scholarships.

**Placement:** Students get wide opportunities as School teachers in State, Central, and Residential & International Schools.

## 5. National Conferences conducted:

- “Total Quality Management in Education” held on 28<sup>th</sup> June 2021
- “Techno Pedagogy in Education” held on 18<sup>th</sup> December 2021

## 6. Activities Conducted For The Students:

Sl. No.	Date	Event	Report
1	19 <sup>th</sup> & 20 <sup>th</sup> November 2021	Cultural Day Celebration	The theme of the event was “Human Rights”. The three groups of student teachers exhibited their talent through various cultural activities dance, drama & Mime shows depicting the values of human rights. ### ANNUAL REPORT – 2021-2022

Institute of Computer Science and Information Sciences under Srinivas University is offering Higher Education in the field of Computer Science and its Applications since 2017.

# ANNUAL REPORT 2021-22

Earlier the institution was affiliated to **Mangalore University** offering courses **BCA, MCA, MSc** since 2001, and was accredited by **NAAC with A Grade**. Presently the Institution is offering **BCA, BSc** (DFM, Animation & VFX), **MCA** along with **Research Programs** in Computer Science and its Applications.

## **BCA**

Bachelor of Computer Applications is an undergraduate program that nurtures the students to become young IT professionals. The course is designed to bridge the gap between IT industries and academic institutions by incorporating the latest technologies into the curriculum. State-of-the-art infrastructure provides an excellent learning environment in the IT development and management sector. Bachelor of Computer Applications is a Three Year – Six Semesters undergraduate programme with an option of Four Year - Eight Semesters for Honours Degree in **BCA** as per NEP. The course prepares the students for careers in software Industry to obtain the positions as System Analysts, Systems Designers, Programmers, Network engineers, network Managers, database administrators, IT Managers in any field related to information technology. The institution offers **BCA** program in Three specializations like,

- **BCA (Software Development & Web Design)**
- **BCA (Robotics, Artificial Intelligence & Virtual Reality)**
- **BCA (Cloud Computing, Ethical Hacking & Cyber Security)**

With the above specializations in BCA, students would get strong foundations in fundamentals of computer science along with special skill sets in Software Development, AI, VR, CC, Ethical Hacking and Cyber Security. With Four years of **BCA** Honours degree, students can pursue their Research Programs as well.

## **BSc (DFM, Animation & VFX)**

Bachelor of Science in DFM, Animation & VFX is an undergraduate program that nurtures the students for careers in Animation and Film Industry. In this course, students will be upskilled with foundation in the fundamentals of Camera, Lighting Effects, Shooting Skills, Digital Art, 2D/3D Animation with various associated software tools with a practical touch. After this course, students would attain the positions as Content Developer, Editor, Script Writer, Camera Man in IT and Film Industry.

## MCA

The MCA programme of Srinivas University is a Two-year program designed with the primary goal of imparting a uniquely broad, yet intensive IT education of the highest academic quality. The programme has been designed with a focus on delivering the latest, industry-oriented education in computer applications with a sound theoretical and practical approach to learning.

The institution offers **MCA** program in Two specializations like,

- **MCA in Dual Specializations (Networking & Software Development, Data Science/Cloud Computing with IOT)**
- **MCA in Cyber Security**

The MCA course curriculum with its industry-relevant course structure and certification programme prepares students for various positions in IT industry. It focuses on the areas like Software Development, Web Design & Development, Cloud Computing, Network management, Mobile Technologies, IoT and Big Data. Students may opt for roles such as Business Analysts, System Analysts, IOT engineers, Cloud Architect, Data Analyst, Data Scientist, Database Administrators, Network Professionals, Network Security Engineer, Ethical Hacker, Software Testers, Web Designer and Developers, Programmers and Managers in any field related to information Technology and Information Management.

Apart from the curriculum, in all our courses, students are taken to various out bound activities on account of International Yoga Day, Environmental Week, Republic Day, Holi, Onam, Astami, etc to upskill on social aspects as well.

*Srinivas University Signs MOU with Mangalore InfoTech Solutions Pvt. Ltd. Mangaluru and Celebrates the UniCourt Day - 2022*

Srinivas University Mangaluru signed a Memorandum of Understanding (MOU) with Mangalore InfoTech Solutions Pvt. Ltd. Mangaluru on 20th April 2022. The MoU to help skill development in the area of new edge technologies in IT and finding value creating opportunities for students. The main objective of this collaboration is to focus on bringing successful opportunities that lead to skill development and training in the area of software development. The MoU will facilitate internship for students to get the real time exposure of the industry and will depute experts to deliver lectures and conduct workshops at Srinivas University as part of deepening industry and academia relationship and exchange latest trends in IT. The exchange of MoU documents was done by Dr. P. S. Aithal, Vice Chancellor, Srinivas University and Mr. Prashanth Shenoy Katpady, Co-Founder/CTO at Mangalore InfoTech Solutions Pvt. Ltd. Mangaluru.

As a part of UniCourt day -2022, a one day workshop on the new technologies being used in current industry was organized for the students of 1st year MCA and 3rd year engineering students by the Institute of Computer Science and Information Science. The workshop was

## ANNUAL REPORT 2021-22

conducted by the IT executives from Mangalore InfoTech Solutions Private Limited. The students were given hands-on training on the latest technologies like the Python, Django framework, Mysql and so on.

Event name: **Farewell -2022**

Date: 20/08/2022

Place: Srinivas University, Institute of Computer Science and Information Science, Pandeshwar.

Class: MCA 1<sup>ST</sup> year.

The “Farewell-2022” was celebrated by the MCA students with great love and affection. The “Farewell” was hosted by the 1<sup>st</sup> year MCA students to their seniors as a gesture of love as the final year students leave the campus for their future endeavour. The event was attended by the staff and students of MCA. The event had many events such as various fun events for the seniors and also had the outgoing seniors celebrating their wonderful memories in the college that they spent during their MCA journey with their juniors.

- 1) Theme for the Digital Collage – Life Amid Pandemic
- 2) Collage Making time – 1 hour
- 3) Collage is an individual event.
- 4) The creative work/picture should be original and related to the theme.
- 5) Judging criteria is based on creativity, presentation and relevance to the theme.
- 6) The art work should be in jpg, jpeg format only.

## Vegetable Carving:

- 1) Theme- National Integration
- 2) Time: 1 hr
- 3) Individual event
- 4) Send the video of the carving of not more than 2 minutes as well as the photo of the vegetable carving.

Event name: National Youth Day

Date: 12/01/2022

Place: Srinivas University- CCIS( MCA and BCA),Pandeshwar

**Class: MCA 1<sup>ST</sup> year**

The National Youth Day was celebrated in the MCA 1<sup>st</sup> year class with a presentations of various youth icons. A lot of students shared their view on the National Youth Day being the birthday of Swami Vivekananda who himself is one of the greatest youth icons. The students were asked to present the youth icons that inspire them, a lot of icons from diverse fields of life were presented by the students such as Swami Vivekananda, APJ Abdul Kalam,

# ANNUAL REPORT 2021-22

Virat Kohli, Priyanka Chopra etc. Here are a few glimpses of students presenting the youth icons:

Sumanth presenting about Swami Vivekananda:

Sankalp presenting about Neeraj Chopra:

Joana presenting about Swami Vivekananda:

Neepa presenting about MS Dhoni:

## Class: BCA 1<sup>ST</sup> year

National Youth Day is observed in India on January 12 on the birthday of Swami Vivekananda. In 1984 the Government of India declared the day as the 'National Youth Day' and since 1985 the event is celebrated in India every year. Swami Vivekananda was a great person who always believed in the youth power to lead and nourish the historical culture of the country.

National Youth Day is celebrated every year to encourage and inspire the honorable youths of our country. Schools and colleges are delightfully adorned to enthusiastically celebrate the event.

College of computer science and Information science of Srinivas Univesity, celebrated the National Youth Day on 12 January 2022.

On this occasion, Prof. Sridhar Acharya, Head of the CCIS, has spoken on a number of salient points regarding the life of Swami Vivekananda and the importance of following the principles of Swami Vivekananda to achieve a success in life. Prof. Sridhar Acharya explained the students, how they can help the people in the society and happiness of wiping the tears of the people, also he tried to encourage the students by giving the example of real life experiences. He stressed the importance of following the words of Vivekananda to inculcate the moral values among young generation.

## ANNUAL REPORT 2021-22

Postdoctoral Researcher, University of Central Florida, USA, Dr.AliReza Alaei, Faculty of Science and Engineering, Southern Cross University, Australia, Dr. Shivakumar, Faculty of Computer Science & Information Technology, University of Malaya, Malaysia will be giving the message on the conference theme during the inauguration session. At 11.30 am Dr.AliReza Alaei will be taking the session on the topic Measuring Human Satisfaction based on Big data and Artificial Intelligence Approach : Application in Tourism. At 12.30 pm Dr. Shivakumar will be talking on Forged Text Detection and at 1.30 pm Dr.Prakash Kumar Udupi, will be taking the session on Lean IT and FOSS-Towards new way of using IT in Business. At 3 pm 65 research scholars are presenting their research work. The research presentation will be chaired by the eminent professors from the computer science and engineering departments of various prestigious institution namely Dr.Arun Kumar B.R, Dr.Nagesh H.R, Dr.Karuna Pandith, Dr.Manjula Sanjay Koti, Dr.Hansavath Bharadwaj and Dr.Shailashree will be the session chair for the management research presentation.

**IEEE students**  
Envision a career WITH THE INDUSTRY'S BRIGHTEST

**Jumpstart your future**  
BECOME AN IEEE STUDENT MEMBER

Cognizant Technology Solutions, Pune was the resource person. In his session, he explained the how emerging technologies have become part and parcel of human life, how they have brought transformed the human life.

“Digital transformation has become competitive requirement for every sector. Use of emerging technologies have integrated several heterogeneous sectors and made the life of human beings easy and comfortable. It is through the use of technology the world is still surviving during the situation of the outbreak of COVID-19 pandemic. Technological advancement has opened up plenty of opportunities for business and research. Only the thing is one must wisely use the right technology in the right place.

# ANNUAL REPORT 2021-22

Almost all sectors including farming, healthcare, banking, etc. are becoming smart by proper use of technology.” he said.

Dr. Krishna Prasad K, Counselor, IEEE SUSB guided the proceedings of the webinar. Mr Vinayachandra, Chair, IEEE SUSB welcomed everyone and introduced the resource person. Mrs Rajeshwari proposed a vote of thanks. The session was compered by Geetha Poornima.

The program was attended by approximately 100 participants, including members of the

Srinivas University Student Branch and Research Scholars of Srinivas University. **Five Days Workshop on Cyber Security and Ethical Hacking**

The Srinivas University IEEE Student Branch organized a workshop on Cyber Security and Ethical Hacking Between 11th October 2021 and 15th October 2021. Mr Ajinkya Lohakare, Cyber Security Consultant and Ethical Hacker was the resource person. The entire workshop

**Agenda:**

- Day 1: Footprinting And Reconnaissance**
  - Introduction
  - Lookup and whois
  - Shodan and other search engine
  - Maltego
  - Hittrack
  - The Harvester
  - Reconing
  - Social-Engineering
- Day 2: Penetration Testing and Ethical Hacking**
  - Introduction
  - Scanning and enumeration
  - System Hacking
  - Malware
  - Social Engineering
  - Sniffing
  - Advanced Penetration Testing
  - Linux
  - Programming
  - Metasploit
  - Information Gathering
  - Vulnerability discovery
  - Scanning
  - Exploitation
  - Session Hijacking
  - Web server and application
  - SQL Injection
  - Hacking wifi and Bluetooth
  - Malware
  - IDS, Firewall, and honeypots
  - WiFi, Cloud, Cryptography
  - Passwords
  - Advanced Exploitation
  - Post Exploitation
  - Webbugs
  - Exploit developments
  - Smartphone Pentest framework
- Day 3: Introduction to Cyber Security day - 1**
  - Basics of Networking and Web Technologies
  - Information Gathering and Footprinting
  - Operating System Hacking and Security
  - Malware Illustrations - Part 1
  - Malware Illustrations - Part 2
  - Web Architecture and PHP Basics
  - Small Attacks and Security
  - Web Vulnerability Assessment and Penetration Testing - Part 1
- Day 4: Introduction to Cyber Security day - 2**
  - Web Vulnerability Assessment and Penetration Testing - Part 2
  - Web Vulnerability Assessment and Penetration Testing - Part 3
  - Introduction to Kali Linux and its Tools
  - Network Vulnerability Assessment - Part 1
  - Network Vulnerability Assessment - Part 2
  - WiFi Hacking and Security
- Day 5: Introduction to Cyber Security day - 3**
  - Introduction to Cyber Security day - 3

was divided into two parts. First three days different concepts related to ethical hacking were demonstrated. During the last two days the issues related to cyber security were demonstrated, During the workshop the fundamental concepts that distinguish ethical hacking from hacking, the different categories of hackers and how they operate, how to use the necessary tools for setting up your personal hacking environment, how to conduct reconnaissance/footprinting activities including passive/active reconnaissance simulations, how to conduct scanning activities with different scanning tools, in simulation mode, how to conduct enumeration activities with different enumeration tools, in simulation mode, Malware, sniffing, Session hijacking, SQL injection, Hacking of Bluetooth and Wi-Fi devices, vulnerability discovery, traffic capture and exploitation were explained.

Under cyber security advanced practical skillset in defeating all online threats - advanced hackers, trackers, malware and all Internet nastiness including mitigating government spying and mass surveillance, what are career opportunities in cyber security, how to become a cyber security specialist, operating system security, privacy, and patching - On Windows 7, Windows 8, Windows 10, MacOS and Linux, explore the threat landscape - Darknets, dark markets, zero day vulnerabilities, exploit kits, malware, phishing, etc. security through physical and virtual isolation and compartmentalization. Covering sandboxes, application isolation, virtual machines, malware illustrations, e-mail attacks and security, web vulnerability assessment and penetration testing were explained. Most of the concepts were demonstrated using different tools.

Dr. Krishna Prasad K, Counselor, IEEE SUSB guided the proceedings of the webinar.

The workshop was attended by approximately 50 participants, including members of the Srinivas University Student Branch and Research Scholars of Srinivas University.

# ANNUAL REPORT 2021-22

Virtual International Conference on the topic “Artificial Intelligence and Quantum

computing”, on December 29<sup>th</sup> and 30<sup>th</sup> of 2021

The College of Computer Science and Information Science of Srinivas University organized a Virtual International Conference on the topic “Artificial Intelligence and Quantum Computing”, on December 29<sup>th</sup> and 30<sup>th</sup> 2021. The virtual inauguration held on 30<sup>th</sup> December 2021 at 10.00 AM. Dr. CA. A. Raghavendra Rao, Honourable Chancellor, Srinivas University presided in the Inaugural Session. Dr. Niranjan N. Chiplunkar, Principal, NMAMIT, Nitte,

## International Conference on Artificial Intelligence and Quantum Computing (ICAIQC 2021)

*In Collaboration with*  
**ISMASI, Azteca University, Mexico, North America**  
 &  
**IEEE Srinivas University Student Branch [STB11770]**

**December 29 & 30, 2021**

**About the conference**  
 The objective of ICAIQC-2021 is to bring together leading academic scientists, researchers, industry persons, and research scholars to exchange and contribute to their knowledge, experiences and research outcome on all phases of Artificial Intelligence and Quantum Computing. The conference will feature traditional paper presentations as well as keynote speeches by prominent speakers who will focus on related state-of-the-art technologies in the areas of the conference

**Areas of focus**

- Machine Learning
- Neural Networks
- Evolutionary Computation
- Robotics
- Expert Systems
- Speech Processing
- Natural Language Processing and Planning
- Quantum Simulation
- Quantum Communication
- Quantum Sensing

**Paper presentation**  
 Paper presentation in various Tracks on December 30, 2021 between 2.00pm to 5.00pm

**Key Note Speakers**

**Dr. Jitendra Pandey**  
 Senior Lecturer, Middle East College  
 Knowledge Oasis Muscat, Sultanate of Oman

**Dr. Karva N P**  
 Professor & HOD, MCA Dept.  
 RNS Institute Of Technology

**Dr. Abhijit Ghosh**  
 Dean, Faculty of Business and Accountancy  
 Lincoln University College, Malaysia

**Dr. K. T. Veeramani**  
 Research Professor  
 Srinivas University, India

**Dr. Shaikat Ali Shad**  
 Assistant Professor  
 Iowa State University's SwAPP lab, USA

**Prof. Dr. P. S. Aithal**  
 Vice Chancellor  
 Srinivas University, India

**Dr. Shirang Ambaji Kulkarni**  
 Postdoctoral Scholar  
 University of Central Florida

**Organizing committee**

**INTRODUCTION TO VIRTUALIZATION**

January 6<sup>th</sup> 2022, Time: 11.30AM-12.30PM  
Resource Person: Mr. Ragavendra Kumar  
Manager- Cloud Management Support,  
VMware Inc.

**All are invited.**

Prof. Subramanya Bhat  
Dean,  
CCIS, Srinivas University,  
Mangaluru

Mrs. Swathi Kumari H  
Lecturer in-charge

Institute of Computer Science and Information Science of Srinivas University Organized a Seminar on Introduction to Virtualization by Mr. Ragavendra Kumar, Manager-Cloud Management Support, Vmware Inc on 06<sup>th</sup> January 2022. Dr. P. S. Aithal, Vice chancellor was present for the programme. Dr. P.S. Aithal, Vice chancellor was present for the programme. Dr. Nethravathi P.S, Professor, ICIS welcomed the guest speaker. Prof. Subramanya Bhat, Dean of ICIS gave the vote of thanks. The speaker explained about importance of Virtualization to students. About 90 students attended the technical talk.

## **A Technical Talk on Techniques of self-defense for woman by Karthik S Kateel, CEO, Swaraksha for Women Trust, Mangalore.**

Institute of Computer Science and Information Science of Srinivas University Organized a Technical Talk on Techniques of self-defense for woman by Karthik S Kateel, CEO, Swaraksha for Women Trust, Mangalore on 06<sup>th</sup> April 2022. Dr. P.S. Aithal, Vice chancellor was present for the programme. Dr. P.S. Aithal, Vice chancellor was present for the programme. Dr. Nethravathi P.S, Professor, ICIS welcomed

the guest speaker. Prof. Subramanya Bhat, Dean of ICIS gave the vote of thanks. Mr. Karthik demonstrated various methods and techniques of self-protection for women. About 80 students attended the technical talk.

## **A workshop on Unicort Day-2022 by Mr.Prashanth Shenoy, CEO of Mangalore Infotech on emerging technologies for MCA and BE students**

Institute of Computer Science and Information Science of Srinivas University Organized a workshop on Unicort Day-2022 by Mr.Prashanth Shenoy, CEO of Mangalore Infotech and his team on emerging technologies for MCA and BE students on 20<sup>th</sup> April 2022. Dr. P.S. Aithal, Vice chancellor was present for the programme. Dr.

Nethravathi P.S, Professor, ICIS welcomed the guest speaker. Prof. Subramanya Bhat, Dean of ICIS gave the vote of thanks. About 150 students attended the workshop.

# ANNUAL REPORT 2021-22

**A Technical Talk on Socialpreneur - use technology to solve problems in a sustainable way by Mr.Raghunandan, Project Lead, Infosys, Mangalore**

Institute of Computer Science and Information Science of Srinivas University Organized a Technical Talk on Socialpreneur - use technology to solve problems in a sustainable way by Mr. Raghunandan, Project Lead, Infosys, Mangalore on 28<sup>th</sup> of April 2022. Dr. P.S. Aithal, Vice chancellor was present for the programme. Dr. Nethravathi P.S, Professor, ICIS welcomed the guest speaker. Prof. Subramanya Bhat, Dean of ICIS gave the vote of thanks. About 60 students attended the Technical Talk.

**A Technical Talk on Introduction to Forensics and Incident Response" by Professor Abdul Shareef, Jain University Bangalore**

**Srinivas University**  
BANGALORE  
ESTD - 1983

**Institute of Computer and Information Sciences**

**Introduction to Digital Forensics And Incident Response.**  
@ Srinivas Campus, Pandeshwar, Mangaluru.

Date - 29-4-2022  
Time - 2pm-3pm

**Resource person - Abdul Shareef**

CO-ORDINATOR - NETHRAVATHI P.S,  
PROFESSOR, ICIS

Institute of Computer Science and Information Science of Srinivas University Organized a Technical Talk on Introduction to Forensics and Incident Response" by Professor Abdul Shareef, Jain University Bangalore on 29<sup>th</sup> April 2022. Dr. P.S. Aithal, Vice chancellor was present for the programme. Dr. Nethravathi P.S, Professor, ICIS welcomed the guest speaker. Prof. Subramanya Bhat, Dean of ICIS gave the vote of thanks. About 65 students attended the Technical Talk. The Resource Person talked on importance of Digital Forensic and various methods used crime seen.

# ANNUAL REPORT 2021-22

**A Webinar on Illuminating Cyber crime & Digital Forensics by Mr. Deepak Kumar (D3), Senior Digital Forensics & Cyber Intelligence, India**

IEEE Srinivas University Student Branch [STB11770] organized a Webinar on Illuminating Cybercrime & Digital Forensics on 2nd April 2022 at 7 PM. Mr. Deepak Kumar (D3), Senior Digital Forensics & Cyber Intelligence, was the Resource Person. Mr. Deepak has been working on several consulting and investigating engagements with organisations such as Academia, Corporates, International Law Enforcement Organisations, and Government Sectors & PSUs. He is a highly interactive trainer & consultant, whose work is mainly based on research and applied knowledge from

extensive experiences in digital forensics and cyber-security. He is also a subject matter expert in the domain such as Digital Forensics, Cyber Security, Cyber Crime & Terrorism, Threat Intelligence, (Open Source, and Dark Web & Social Media Intelligence).

Dr. P.S. Aithal, Vice chancellor and Prof. Subramanya Bhat, Dean of ICIS were present for the programme. Dr. Krishna Prasad K, Associate Professor of ICIS and Branch Counsellor, IEEE Srinivas University student branch welcomed the guest speaker. Mrs. Suchetha, Chair, IEEE Srinivas University student branch gave the vote of thanks. Around 50 Research Scholars and IEEE members attended the webinar.

## **A Webinar on Intellectual Property Rights (IPR)-Patents & Design Process by Mrs. Pooja Vishal Maulikar, Examiner of Patents and Designs, Patent Office, Ministry of Commerce & Industry**

ICIS and IEEE Srinivas University Student Branch in association with Rajiv Gandhi National Institute of Intellectual Property Management (RGNIIPM), Govt. of India organized an Online Workshop on “Intellectual Property Rights (IPR) - Patent & Designs process” on 4th May 2022 at 12 noon. This workshop is being conducted under National Intellectual Property Awareness Mission (NIPAM). Dr. P.S. Aithal, Vice chancellor and Prof. Subramanya Bhat, Dean of ICIS were present for the programme. Dr. Krishna Prasad K, Associate Professor of ICIS and Branch Counsellor, IEEE Srinivas University student branch welcomed the guest speaker. Mrs. Suchetha, Chair, IEEE Srinivas University student branch gave the vote of thanks. Around 50 Research Scholars and IEEE members attended the webinar.

28th May, 2022

12:30 p.m.

## A Technical Talk on Entrepreneurship and Faculty Student Model for Institution Development by Prof. Shrihari Updyaya, CEO, Manipal Universal Technology Business Incubator

Institute of Computer Science and Information Sciences of Srinivas University conducted Faculty Empowerment program on the topic "Entrepreneurship through Incubation Centre with Faculty -Student-Alumni Model" on 31<sup>st</sup> May, 2022.

Prof. Shri Hari Upadhyaya CEO- Manipal Universe Technology Business Incubation Centre was the resource person. Dr. P S Aithal vice chancellor & Dr. Satya Sai Kumar Pro vice chancellor were also

present. Prof. Subramanya Bhat Dean of ICIS deliver the vote of thanks. Dr.Nethravathi P.S, Professor of ICIS and convener for this program welcomed the guests.

## National Level Paper Presentation Contest in Future Trends in ICCT and its Applications in IT, Management and Education by IEEE Srinivas University Student Branch in Association with IEEE Mangalore Subsection

# ANNUAL REPORT 2021-22

IEEE Srinivas University Student Branch

in association with

IEEE Mangalore Sub section

invites you for the

**National Level Paper presentation contest**

in

Future Trends in ICCT and its Applications in IT, Management and Education

**on June 2, 2022**

in Virtual mode

## INAUGURATION

Time: 10 AM

Chief Guest

**Dr. Vinay Kumar Jadoun**

SAC Chair IEEE MSS 2022  
Associate Professor, EEE Dept, MIT, Manipal

Guest of Honor

**Dr. Poornalatha**

Chair, IEEE Mangalore Sub section  
Associate Professor - Sr. Scale,  
Information & Commn. Tech Dept, MIT, Manipal

President

**Dr. P.S. Aithal**

Vice Chancellor, Srinivas University  
IEEE SU SB Head

## VALEDICTORY

Time: 2 PM

Chief Guest

**Dr. Venugopala P. S**

Treasurer, IEEE Mangalore Sub section  
Professor, Dept of CSE, NMAMIT, Nitte

Guest of Honor

**Prof. Subrahmanya Bhat**

Dean, Institute of Computer Science and  
Information Science, Srinivas University

<https://srinivas.webex.com/meet/sitmangalore>

**Paper presentation (10:30 AM to 1:00 PM)**

Category 1: Computer Science

Category 2: Management & Education

**Mrs. Suchetha Vijayakumar**  
Chair, IEEE SU SB

**Dr. Krishna Prasad K.**  
IEEE SU SB Counselor

**Dr. Vasudeva Acharya**  
Secretary, IEEE Mangalore  
sub section

In collaboration with the IEEE Mangalore subsection, the IEEE Srinivas University Student Branch organized the National Level Paper Contest for Ph.D. students on 02-06-2022 in virtual mode. About 50 research scholars have registered and submitted their scholarly articles. Among the articles received, 15 papers in two categories were presented. The virtual inauguration of the contest was done at 10 a.m. Dr. Vinay Kumar Jadoun, SAC Chair, IEEE Mangalore Subsection, Associate Professor, Dept of Electrical and Electronic Engineering, MIT Manipal, was the chief guest. In his address, he explained the importance of academic writing. "Scholarly writing is a part of the research. The researcher should get motivation from within. Research is not doing something new. Every researcher is adding some new concept to the existing work. This new thing is his contribution to the respective area." Dr Poornalatha, Chair IEEE Mangalore Subsection was the guest of honor. In her address "scholarly writing increases the critical thinking of a researcher. To improve one's skills paper presentations will help a lot." The programme was presided over by Dr. P. S.

## ANNUAL REPORT 2021-22

Aithal, Vice-Chancellor, Srinivas University, Head, IEEE Srinivas University Student Branch. In his presidential address, Dr. P S Aithal said “There is huge scope for research in the development of new technologies. Advancement in technology has made our life easy. These days finding right information for our research is at our fingertips because of the advancement in technology. The quality of research improves only when we publish our work”.

Dr. Krishna Prasad K, Counselor, IEEE Srinivas University Students Branch welcomed the guests and mentioned the objectives of the National Level Paper Contest. Mr. Vinayachandra, Vice-Chair, IEEE Srinivas University Students Branch proposed a vote of thanks. Mrs. Suchetha Vijaya Kumar., Chair, IEEE Srinivas University Student Branch compered the programme. Prof. Subrahmanya Bhat, Dean, Institute of Computer Science and Information Science, Srinivas University, present on the occasion. The program was attended by more than 60 research scholars. Dr. Annappa B, Professor, Dept of Computer Science and Engineering, NITK Suratkal, Dr. Jeevitha B K, Associate professor, Department of Computer Science and Engineering, Vivekananda College of Engineering and Technology, Puttur, Dr. Pallavi Mane, Professor, Dept of Electronics and Communication Engineering, MIT Manipal, and Dr. Sudhakar, Research Professor, Srinivas University participated as adjudicators for the paper contest.

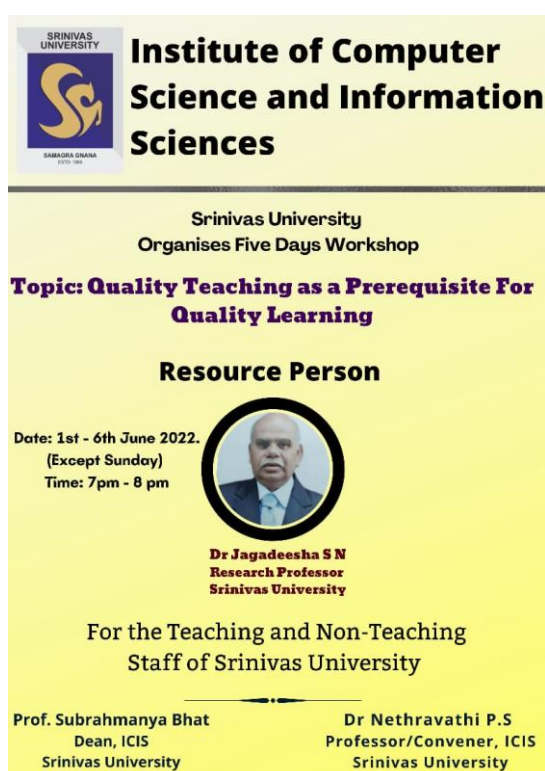

The valedictory programme of the National Level Paper contest was in virtual mode on 02-06-2022. Dr. Venugopal P S, Professor, Dept of Computer Science and Engineering were the Chief Guest. “Every paper published should contain some original work, The research paper will be there forever once it is published. Hence one must take utmost care in writing a research paper” he said in his valedictory address. Dr Srinivas Rao Kunte, Professor, Srinivas University, was guest of honour. In his address, he said “Research is a life-long process. Our original work will have a lot of value. Researcher should focus on learning and improving the work”. Dr. P. S. Aithal, Vice-Chancellor, Srinivas University, Head, IEEE Srinivas University Student Branch will be the president said that “Researchers should contribute something to the society. Participation in competitions will give a lot of experience to the research scholar. Every bit of information received in the form of suggestions by experienced researchers will be of great help for the improvement of research work.”

# ANNUAL REPORT 2021-22

**A Workshop on Quality teaching as a Prerequisite for Quality Learning by Dr. Jagadeesha S N, Research professor, Srinivas University**

Institute of Computer Science and Information Sciences of Srinivas University conducted Five day Virtual Faculty development program on the topic “Quality Teaching as a Prerequisite For Quality Learning” from 1<sup>st</sup> June, 2022 to 6<sup>th</sup> June 2022.

Prof. (Dr). Jagadeesha S Research Professor, Srinivas University was the resource person. Prof. Dr. P S Aithal, Vice chancellor & Deans of all the colleges were also present.

The poster is for a five-day workshop organized by the Institute of Computer Science and Information Sciences at Srinivas University. The topic is 'Quality Teaching as a Prerequisite For Quality Learning'. The resource person is Dr. Jagadeesha S N, a Research Professor at Srinivas University. The workshop dates are from June 1st to 6th, 2022, except on Sunday, with sessions from 7pm to 8pm. The target audience is the teaching and non-teaching staff of Srinivas University. The poster also lists Prof. Subrahmanya Bhat as the Dean of ICIS and Dr. Nethravathi P.S. as the Professor/Convener of ICIS.

Staff of Srinivas University

Prof. Subrahmanya Bhat  
Dean, ICIS  
Srinivas University

Dr Nethravathi P.S  
Professor/Convener, ICIS  
Srinivas University

The following topics are addressed

- Quality Teaching and Research
- Enhancing the quality of quality of learning by improving the learning environment
- Participation of Students in Class
- problems faced by the research students

## ANNUAL REPORT 2021-22

Around 80 faculties from various Colleges like Institute of Computer Science, Institute of Social Science and Institute of Hotel management participated in the Faculty development program. The participants interacted with the resource person to discuss Qualities of a good teacher problems faced by the research students. Dr.Nethravathi P.S, Professor of ICIS and convener of the program welcomed the resource person. Prof. Subramanya Bhat Dean of ICIS deliver the vote of thanks.

### **A Technical Talk on A Big Picture of NEP2020 by Prof. Dr. Karunakar Kotegar, Professor & Head, Department of Data Science and Computer Applications, MIT, Manipal**

Institute of Computer Science and Information Sciences of Srinivas University conducted Faculty development program on the topic “**The Big Picture of NEP2020**”on 6<sup>th</sup> June, 2022.

Prof. Dr.Karunakar A Kotegar Head in the Department of Data Science and Computer Applications, Manipal Institute of Technology was the resource person. Prof. Dr. P S Aithal, Vice chancellor & Deans of all the colleges were also present. . Dr.Nethravathi P.S, Professor of ICIS and convener of the program welcomed the resource person. Prof. Subramanya Bhat Dean of ICIS deliver the vote of thanks.

**A webinar on IPR Awareness under AICTE-KAPILA NIPAM by Ramashish Paul, Examiner of Patents and Design, Intellectual Property office, Chennai, DPIIT, Ministry of Commerce and Industry.**

IEEE Srinivas University Student Branch [STB11770] in Association with Institute of Computer Science and Information Science of Srinivas University organized a Webinar on "IPR awareness under AICTE-KAPILA NIPAM" on June 07, 2022 at 3:00 PM by Mr. Ramashish Paul, Examiner of Patents and Design, Intellectual Property Office, Chennai, DPIIT, Ministry of Commerce & Industry. Mr. Ramashish Paul has a M. Tech in Molecular engineering from IIT Delhi. (2014-2016). He has done a project titled "Computational study of Selective Catalytic Reduction on several Metal oxides". He has cleared National level Exams such as GATE AIR-190 in 2014 and CSIR-NET in 2012 & 2013.

Dr. P.S. Aithal, Vice chancellor and Prof. Subramanya Bhat, Dean of ICIS were present for the programme. Dr. Krishna Prasad K, Associate Professor of ICIS and Branch Counsellor, IEEE Srinivas University student branch welcomed the guest speaker. Mrs. Suchetha, Chair, IEEE Srinivas University student branch gave the vote of thanks.

Around 50 Students, Research Scholars and IEEE members attended the webinar.

### **A Webinar on Sustainable Earth-Living in Harmony with Nature by Dr. Sara Kunnath, Academic Advisor, Koshy's Institute of Management Studies, Bangalore**

Institute of Computer Science and Information Sciences of Srinivas University conducted Virtual Faculty development program on the topic "Sustainable earth- Living in harmony with Nature" on 13<sup>th</sup> June, 2022. Dr. Sara Kunnath Academic Advisor, Koshy's Institute of Management studies, Bangalore was the resource person. Prof. Dr. P S Aithal, Vice chancellor & Prof. Subramanya Bhat Dean of ICIS were present. Deans of all the colleges were also present.

Around 60 faculties from various Colleges like Institute of Computer Science, Institute of Social Science and Institute of Hotel management participated in the Faculty development program. The participants interacted with the resource person to discuss "How can we live sustainably with nature?" Dr. Nethravathi P.S, Professor of ICIS and convener of the program welcomed the resource person.

## National Conference on Future and Innovation Technology in IT, Management & Education

### NCFITM-2022 at Srinivas University, Mangaluru

NCFITM-2022 – One day  
National Conference was  
inaugurated virtually on 30<sup>th</sup> of  
June 2022, at 10 am at Srinivas  
University Pandeshwar Campus  
by Dr. K.E. Prakash, Principal &  
Director of Shree Devi Institute

of Technology, Mangalore & Former Registrar at Visvesvaraya Technological University, Belagavi.

Shri CA. A Raghavendra Rao, Honorable Chancellor of Srinivas University and President of A. Shama Rao Foundation was the president of this function. Dr. A. Srinivas Rao, Pro-chancellor of Srinivas University and Vice-President of A. Shama Rao Foundation, Mangaluru was the guest of honour for the inauguration. Dr. P.S. Aithal, Vice chancellor of Srinivas University briefed about the conference and its importance.

After releasing the Research Abstract book, the chief guest Dr. K.E. Prakash said that, the title of the conference “Future and Innovation Technology in IT, Management, and Education” is very trendy because of the amount of knowledge and technology that are seen today in order to solve many challenges is enormous. The smartphones we carry in our pockets are more powerful devices than the olden supercomputers. He also mentioned that, how today's information technology has grown far beyond the simple use of computer systems and communications. He said that, IT is now regarded as the primary driver of global business expansion. Developers, software engineers, and IT experts are using cutting-edge technology to innovate industries, improve personal life tasks, and improve social life. At the end he congratulated the organizers for organizing this event and helping young researchers to think about new areas in IT and Management.

Pro-chancellor of the university Dr. Satya Sai Kumar was also present on the occasion. The international speakers Dr. Vishal Dattana, Faculty, Department of Computing, Middle East

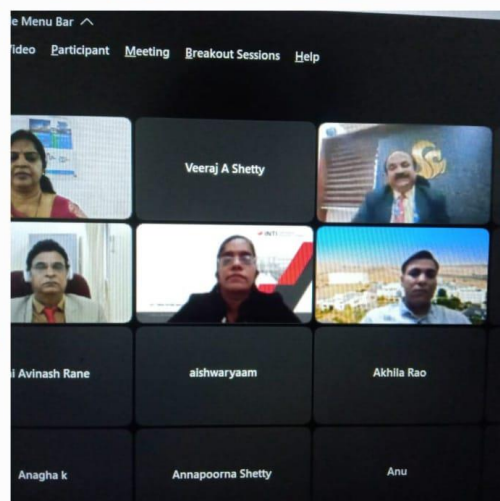

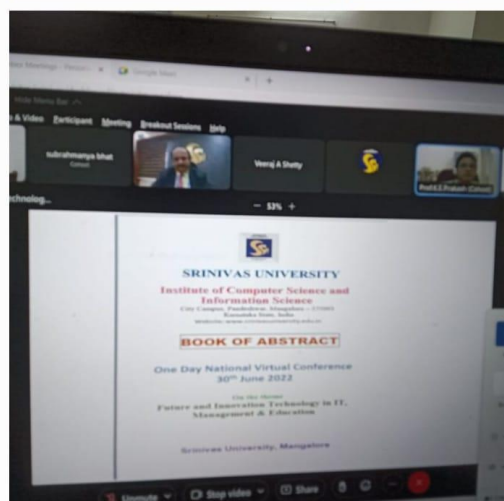

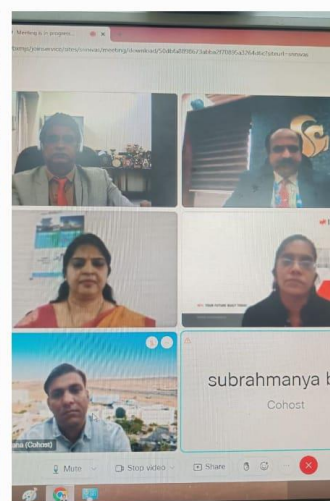

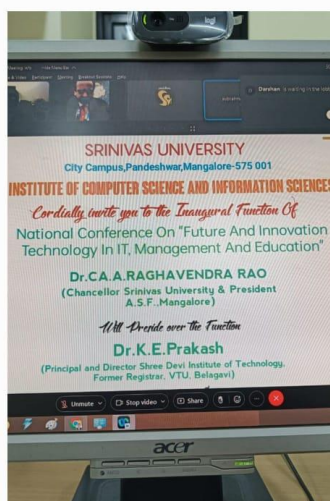

# ANNUAL REPORT 2021-22

College, Muskat, Dr. Rajermani Thinakaran, a Senior Lecturer in the Faculty of Data Science and Information Technology (FDSIT) at the INTI International University, Nilai, Malaysia were present for the inauguration.

Soon after the inauguration, the first keynote session begun with the international speaker Dr. Vishal Dattana, Faculty, Department of Computing, Middle East College, Muskat on the topic “Industry 4.0 Why it Matters?”. The second session was taken by Dr. Rajermani Thinakaran, a Senior Lecturer in the Faculty of Data Science and Information Technology (FDSIT) at the INTI International University, Nilai, Malaysia on “Intelligent Tutoring System- A User Model”. The third session was delivered by Dr. P. S. Aithal, Vice-chancellor, Srinivas University on the topic “Emerging Trends in Computing & Networking to build Information Superhighways”. Around 150 research scholars and faculties from various colleges participated in this conference.

More than 50 research articles received from various research scholars. From 2 pm to 4 pm the researcher presented their work and it took place with two parallel sessions by the eminent research professors. Dr. Krishna Prasad K, Associate Professor of ICIS was the session chair for this presentation. Prof. Harshitha from ICIS rendered the invocation. The conference convener & the Professor of ICIS, Dr. Nethravathi P.S welcomed and introduced the guests to the gathering. Prof. Subramanya Bhat, Dean of ICIS gave the vote of thanks and Prof. Divya Naveen was the master of Ceremony for the inaugural function.

## SRINIVAS UNIVERSITY COLLEGE OF NURSING SCIENCES

Mukka, Mangalore

### ANNUAL REPORT OF THE SRINIVAS UNIVERSITY COLLEGE OF NURSING SCIENCES MUKKA, MANGALORE -574146 [2020Sept-2021 August]

#### **Introduction:-**

Srinivasa Institute of Nursing was started under aegis of Srinivas Group of colleges in 2019 September in Mukka, Mangalore Dakshina Kannada District. Srinivas Group is a well known group in South India having almost all educational programme in Medical, Dental, Engineering, Pharmacy, Nursing, Physiotherapy, Allied Health Sciences, Hotel management, Aviation, MBA, MSW, MCA, Sanskrit and many other general educational programmes. It has got 4 campuses including 3 in Mangalore and 1 in Bangalore

#### **Admissions:-**

We have admitted only B.Sc(N) students. Other programmes are yet to start. There are 54 students in 2019 and another 51 in 2020 and 99 in 2021, against an annual intake of 100 B.Sc(N) seats per year.

#### **Inspection:-**

Nursing college was inspected by Karnataka State Nursing Council IN 2019 and UGC in the year 2021 and accorded sanction for 60 M.Sc(N) seats, 100 B.Sc(N) seats, 60 P.B.B.Sc(N) seats and 100 GNM seats. We have accorded INC permission also.

#### **Hospital:-**

The college students are availing their clinical experience in Srinivas Hospital Research and Diagnosis centre Mukka, Mangalore. Which is a multi speciality hospital of 750 beds.

#### **Community facilities:-**

The students having Urban community training facility in surathkal PHC and Rural community training facility in kemral PHC. .

#### **Results:-**

The B.Sc(N) First year and second year annual examination results are announced and all the 52 students have passed the examination in the first attempt.

## **Library**

There are 300 nursing books and 3 nursing journals in the library. More than 200 students and staff are utilising this facility.

## **Staff position:-**

There are 10 teaching staff in various specialities and also 9 external lecturers in non nursing subjects and 1 office staff in the college.

## **Hostel-**

Majority of the the male and female students are having hostel facilities in the campus.

## **Laboratories:-**

There are 5 well equipped laboratories in the nursing college for the students - Computer, Fundamental of Nursing, Nutrition, Community Health Nursing, MCH

## **Extra curricular activities:-**

Students are having periodic conferences, yoga, cultural and sports. Annual sports and cultural competitions are conducted yearly.

## **Field/Industry visits:-**

All the students had visited Milk Pasteurisation Plant, Sewage Treatment Plant, Water Purification Plant, Ice Plant and Cold Storage, MCF, MRPL, KIOCL.

## **Transport:-**

There are multiple buses to transport staff and students from Mangalore city to campus and back. Majority of the students are hostelites.

## **celebrations:-**

We had conducted, christmas celebrations, Onam festival, one nursing conference, Oath taking ceremony of first year students, yoga training, Cultural and Sports activities, freshers day and Nurses day, WHO day, teachers day, Womens day, students orientation day, faculty development programme, etc.

**SRINIVAS UNIVERSITY**  
**INSTITUTE OF ALLIED HEALTH SCIENCES**  
**Annual Report 2021-2022**

With the blessings of A Shama Rao, Founder of Srinivas University and under the guidance of Dr. CA A. Raghavendra Rao, Chancellor of Srinivas University, Mangalore, “Republic Day - 2022” was celebrated.

The Republic Day of India was celebrated with gaiety and patriotic fervor at College of Allied Health Sciences. College of Allied Health Sciences had organized 73<sup>rd</sup> Republic Day celebration on 26-01-2021 at Srinivas Campus, Mukka. The Program started with flag hoisting, followed by National anthem. The students of 3<sup>rd</sup> Semester MLT led the program with a prayer song.

The Chief Guest for the day was Dr. Udaya Kumar Rao (Dean, SIMS & RC) and the Guest of Honour of the Day was Dr. David (Medical Superintendent, Srinivas Hospital) and Mrs. Anitha Sequeira (Professor and HOD, Department of General Medicine), Mr. Devaseelan S (Dean, College of Allied Health Sciences), were among the dignitaries.

K Shyaam Mohan (Student of Department of Forensic Sciences) welcomed the chief guest and dignitaries for the program. Speech on significance of the day was done by college students. Our chief guest hoisted the National flag and the students saluted the National flag and pledged to up hold the honor and integrity.

After the Flag hoisting, Dr. Udaya Kumar Rao, recalled the freedom movement and given a call to youngsters to have feeling of patriotism and contribute to the development of the country. He emphasized upon the quality education which would help in the development of the city and the country at large. He briefly discussed the issues that the nation is currently facing and urged everyone to unite and stand against them.

## ANNUAL REPORT 2021-22

Organizers of the program were, Ms. Maureen Edwards (Assistant Professor/ Co-ordinator of Fine Arts) and Mr. Akshay K M (Lecturer). The Teaching staff, non-teaching staff and Students took part in the celebration.

The students dispersed after snacks with the image of the fluttering tricolor in their mind and heart.

May we continue celebrating this day forever!

## **ONE DAY WORKSHOP ON “FIRE AND SAFETY”**

With the blessings of A Shama Rao, Founder of Srinivas University and under the guidance of Dr. CA A. Raghavendra Rao, Chancellor of Srinivas University, Mangalore, “Fire Prevention and awareness week” was celebrated.

On 23rd February 2022, at 11: 00 AM, a one day Workshop on “Fire and Safety” was organised by the College of Allied Health Science, Srinivas University, Department of forensic Science and Criminology, at Srinivas University Mukka Campus.

Dignitaries present on the dais were, Dr. Anil Kumar, Registrar Srinivas University, Dr. Uday Kumar Rao, Dean, SIMS&RC, Mr. Devaseelan S, Dean, College of Allied Health Sciences, Srinivas University, Dr. Vrinda J Bhat, Professor and Head, Department of Forensic Medicine, SIMS&RC inaugurated the program by lighting the lamp.

Dr. Vrinda J Bhat gave a speech on fire and its impact, the major focus of the talk was regarding Fire Forensics and its need in the field of forensic investigation.

There were more than 150 delegates for the workshop. Mr. Mahmed Zulfikar Nawaz K.P., District Fire Officer, Kadri, and Mr. Sunil Kumar, Assistant Fire officer were the chief guests for the program. Addressing the gathering he explained the significance of this week which is marked as “Fire Prevention and awareness week” declared by Govt. of Karnataka. On this occasion homage was paid to all the fire department officials who had lost their lives while saving the public.

# ANNUAL REPORT 2021-22

The deliberation of the workshop was done by Mr Mahmed Zulfikar Nawaz K.P., where he explained about different types of fire, its classification and demonstrated a few equipment that are used in extinguishing fire.

Further after the deliberations, a session was done in open ground, where the fire fighters demonstrated various types of fire extinguishers and their usage. Volunteers were given the opportunity to exhaust the fire by explaining the different methods like putting off fire with the help of a wet blanket, water jets, foam based extinguishers, DCP etc. Further various types of jet water sprinklers, the advantages of using fire bikes etc. have also been demonstrated.

Welcome speech was given by Mrs. Swathi D (Course Co - ordinator, Department of Forensic Science), Introduction of the Chief Guest was given by Mrs. Lavanya P S (Assistant Professor, Department of Forensic Science) and vote of thanks was given by Mr. Sahil C (Assistant Professor, Department of Forensic Science)

## **WORLD KIDNEY DAY- 12 MARCH 2022**

With the blessings of A Shama Rao, Founder of Srinivas University and under the guidance of Dr. CA A. Raghavendra Rao, Chancellor of Srinivas University, Mangalore, Department of Renal Dialysis Technology, Srinivas Institute of Allied Health Sciences celebrated “International Women’s Day - 2022”.

Department of Renal Dialysis Technology, Institute of Allied Health Sciences, Srinivas University had organized “**World Kidney Day**” on 12-03-2022 at 10:00 AM in Srinivas Campus, Mukka.

The Chief Guests for the day was Dr. Pradeep K.J. (Sr. Consultant Nephrologist & Transplant Physician, Indiana) and Dr. Anitha Sequiera (Professor & HOD, Department of Medicine SIMS&RC) the Guests of Honor for the Day were Prof. Dr. J Sathya Sai Kumar (Pro Vice Chancellor), Dr. Anil Kumar (Registrar, Srinivas University), Dr. Uday Kumar Rao (Dean SIMS&RC), Dr. David Denzil Rozario ( Medical Superintendent, SIMS&RC), Prof. Devaseelan S (Dean, Institute of Allied Health Sciences).

Ms. Bismi Sharoff (2<sup>nd</sup> year Student) gave an introductory speech. Program began with the blessings of Almighty Lord with a prayer song.

Ms. Sowjanya (Lecturer department of Renal Dialysis Technology) welcomed the chief guest and dignitaries for the program. Mr. Jithulal (intern of Renal Dialysis Technology) spoke about the significance of World Kidney Day.

The Lamp lighting ceremony was held where the President called the students up for lighting the lamp along with the Dignitaries.

## ANNUAL REPORT 2021-22

Dr. Anitha Sequiera, the chief guest, in her address she spoke about the importance of Kidney functions, as how to take care of our kidneys, major cause of failure, major symptoms seen in patient coming under Dialysis and also gave a brief on the motto of this year- “Kidney Health for all”.

Dr. Sathya Sai sir, gave the Presidential Address where he first cheered the students with a Famous movie quote which says- How’s the Josh, High sir’. He spoke about giving more importance to skill based knowledge rather than just the book knowledge. He also shared his knowledge about the importance of technical world, its requirement and importance in medical field.

Dr. David Denzil Rosario, addressed the gathering about the importance of Kidney health in all, and Renal Dialysis staffs in medical field serving patients unconditionally. He also briefed about the growth of Dialysis team and unit at Srinivas Hospital and his upcoming plans about the Dialysis Unit.

Right after the meaningful address by all the dignitaries, a cake cutting ceremony was done by Dignitaries and Class Representatives which made the moment colorful.

After the cake cutting, Vote of Thanks was rendered by Ms. Lieneshia Crasta (Lecturer & Course Coordinator of Renal Dialysis Technology).

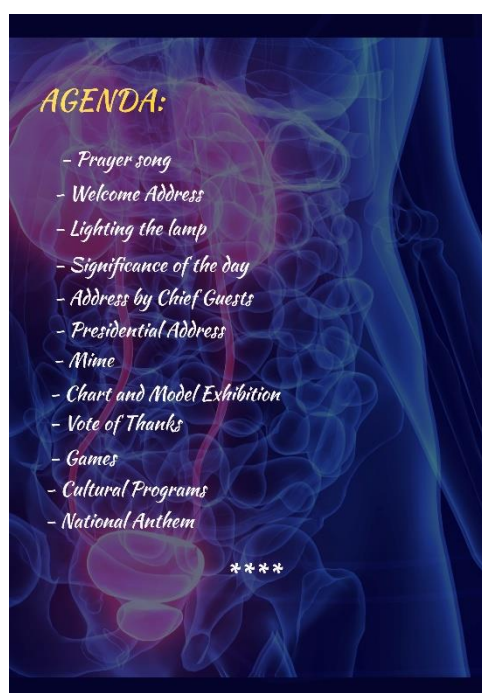

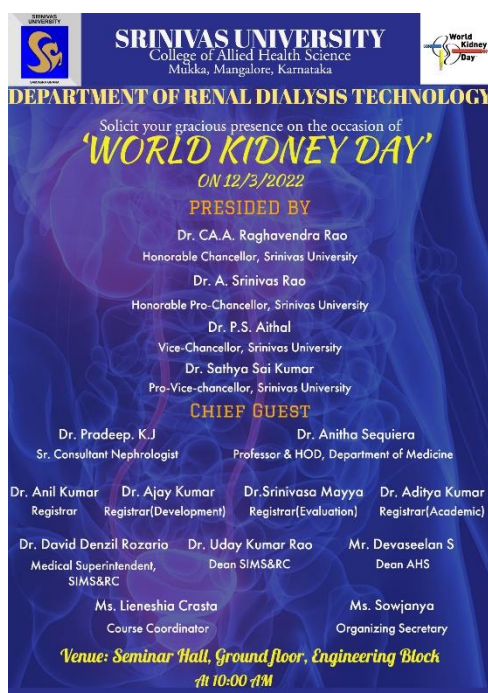

A wonderful Mime was presented by the students on awareness of Kidney Disease which took all the attention and was very much acknowledged by the guest. It was followed by Charts and Model presentation which fascinated the guest who then encouraged and appreciated the students for their hard work and skills.

Organizers of the program were Ms. Lieneshia Crasta (Lecturer & Course Coordinator of Renal Dialysis Technology) and Ms. Sowjanya (Lecturer department of Renal Dialysis Technology).

# ANNUAL REPORT 2021-22

The Teaching staff, non-teaching staff and Students were a part of this celebration.

With the hope that we may continue to create awareness of Kidney Disease among ourselves and in surroundings and may continue to serve patients with Renal failure, let's continue to spread the same and take care of our kidneys as ourselves.

## INTERNATIONAL WOMEN'S DAY - 8<sup>TH</sup> MARCH, 2022

With the blessings of A Shama Rao, Founder of Srinivas University and under the guidance of Dr. CA A. Raghavendra Rao, Chancellor of Srinivas University, Mangalore, Institute of Allied Health Sciences celebrated "International Women's Day - 2022".

Institute of Allied Health Sciences, Srinivas University had organized International Women's Day celebration on 08-03-2021 at 03:00 PM in Srinivas Campus, Mukka.

## ANNUAL REPORT 2021-22

The Chief Guest for the day was Dr. Vrinda J Bhat (Professor & Head, Department of Forensic Medicine & Toxicology) and the Guests of Honor for the Day were Prof. Dr. J Satya Sai Kumar (Pro Vice Chancellor), Dr. Anil Kumar (Registrar, Srinivas University), Mr. Devaseelan S (Dean, College of Allied Health Sciences).

Mrs. Lavanya P S (Assistant Professor, Department of Forensic Sciences) gave an introductory speech and welcomed the chief guest and dignitaries for the program. She also spoke about the significance of women's day.

Dr. Vrinda J Bhat, the chief guest, in her address appreciated the efforts of the women of the society and highlighted the meaning of the theme of this year **“Gender equality today for a sustainable tomorrow”**, wherein she encouraged the male staff and students to help women at home.

Right after the meaningful address by the chief guest, a cake was cut by all the female staff and students which made the moment colorful.

After the cake cutting, few games were conducted which had active participation both from the staff and students. Some cultural activities included singing of songs related to women delivered by Assistant Professors, Niketh P S (Forensic Science), Lavanya P S (Forensic Science) and Nourin S (Medical Imaging Technology) which made the occasion a pleasant one.

The program ended with prize distribution for the winners of the games that were conducted. Vote of thanks was rendered by Ms. Brilly Anto (Assistant Professor, Department of Anaesthesia and Operation Theatre Technology)

Organizer of the program was Ms. Maureen Edwards (Assistant Professor/ Co-ordinator of Fine Arts).

# ANNUAL REPORT 2021-22

The Teaching staff, non-teaching staff and Students were a part of this celebration.

With the hope that we may continue to empower women at home as well as in the workplace, let's continue to celebrate women every day.

## **REPORT ON ATTENDING INTERNATIONAL CONFERENCE:**

Students from the department of Digital Forensics & Cyber Security and Forensic Science, Institute of Allied Health Sciences, Srinivas University, Mukka attended an international conference on Law and Forensic Justice held on 5-6 March 2022 organized by School of Law, Forensic Justice and Policy Studies, National Forensic Sciences University, Gujrat, in collaboration with Indian Council of Social Science Research.

The conference aimed at providing a premier interdisciplinary platform for researchers, practitioners and educators across the world to present and discuss the most recent innovations, trends and concerns in delivering justice and also to highlight practical challenges encountered and solutions adopted. The conference provided full opportunity to learn areas of justice delivery system that are emerging and adequate guidance through proper study and analysis. The Two-day conference included 154 participants from different countries and 17 invited speakers from various countries presented their work on respected field.

Nithin S - 2<sup>nd</sup> M.Sc. in Forensic Science, Sithara S - 2<sup>nd</sup> M.Sc. in Forensic Science, Venkatesh R - 2<sup>nd</sup> M.Sc. in Cyber Security, Abhay V - 2<sup>nd</sup> B.Sc. in Cyber Security and Daniel - 2<sup>nd</sup> B.Sc. Forensic Science, Institute of Allied Health Sciences, Srinivas University, Mukka has presented their research work on “Inheritance determination from fingerprints patterns”, “Fingerprint spoofing and Spoof detection”, “Evidentiary value of cryptocurrencies in Digital Forensics” and “Network vulnerabilities-Flaw detection and Mitigation” with the guidance of Varsha A C, Assistant Professor, Cyber

# ANNUAL REPORT 2021-22

## **MEMORANDUM OF UNDERSTANDING BETWEEN INSTITUTE OF ALLIED HEALTH SCIENCES, SRINIVAS UNIVERSITY AND INDIAN ASSOCIATION OF RESPIRATORY CARE**

On Thursday, 31<sup>st</sup> March 2022 Institute of Allied Health Sciences, Srinivas University (SU-IAHS) and Indian Association of Respiratory Care (IARC) signed a Memorandum of Understanding (MoU) for the collaboration and development of education with students of Respiratory Therapy (RT).

MoU Signed by Srinivas University's Vice Chancellor, Dr. P. S. Aithal and for the President of IARC, signed by General Secretary (GS) of IARC, Mr. Jithin K Sreedharan and witnessed by In-charge of IAHS, Mrs. Swathi D and Course coordinator of RT, Ms. Kavya Shettigar K.

Also present at the signing was Dr. CA. A. Raghavendra Rao (Honourable Chancellor, Srinivas University), Dr. A. Srinivas Rao (Honourable Pro-Chancellor, Srinivas University), Prof. Dr. J. Satya Sai Kumar (Pro Vice-Chancellor, Srinivas University), Dr. Anil Kumar (Registrar, Srinivas University), Ms. Nandana Santhosh (Lecturer - RT).

The MoU confirms to provide a framework of cooperation and understanding, and to facilitate collaboration between the IARC and SU-IAHS to further their shared goals and objectives related to allied health education and/or respiratory therapy program. It also aims to create a dynamic and sustained partnership network that will promote simultaneous renewal of the program with a focus on student learning and educator preparation through the engagement of collaborative learning communities by involving IARC and SU-IAHS students and faculty mutually.

## ANNUAL REPORT 2021-22

Prior to the signing, there was a discussion on the importance of Respiratory Therapy Program in both National and International point of view, which was highlighted by GS-IARC. It was mentioned that many people among us are unaware of Respiratory Therapy Program; thus, for the current generation students, it was suggested to hold an awareness program at schools and colleges which would help in grabbing the attention or minds of students towards the RT Program which would aim to increase the admission for RT program in the every institutions. Respiratory Therapists (RTs) have or got a worldwide job opportunities. RTs are not only restricted to hospital or clinical settings, they can work as teaching faculty, marketing or companies related to the respiratory therapy devices and monitors, and sleep study lab and many more. This provides for all the students of RT to develop and improve the Respiratory Therapy graduates/post graduates who are targeted through structured goals, measurement of learning outcomes both at program and course level. He also gave assurance towards enhancing excellence in all areas as it prepares students for future success in both their education and their future careers and employment.

Following the discussion, Honourable Chancellor of Srinivas University, Dr. CA. A. Raghavendra Rao stated his desire to see students from SU-IAHS benefit from IARC in each and every aspects and MoU signed by Vice-Chancellor of Srinivas Univesity. Finally, a photo session was held to record the event.

## **ONE DAY NATIONAL SEMINAR CUM WORKSHOP “CSI- THE CRUX OF FORENSIC SCIENCE”**

Department of Forensic science and criminology, Institute of Allied Health Sciences, Srinivas University, in collaboration with Phoenix Screening Services, Bengaluru, organised one day National Seminar cum Workshop on **“CSI-The Crux of Forensic science”** at SIMS & RC campus, Mukka on 26<sup>th</sup> March 2022. ## Faculty Development Center (FDC)

The Faculty Development Center (FDC) has been setup with the following objectives

- Recognize faculty as professionals and support them in their teaching and research by providing a comprehensive program of services and resources.
- Provide an orientation to pedagogy and the science of teaching and learning, including the full range of class room management and organization techniques.

## ANNUAL REPORT 2021-22

- Provide a basic knowledge of student advising to allow faculty to be effective student mentors.
- Provide technology training to faculty to enable them to use technology productively – as part of class room practices as well as for research.
- Assist faculty in the supervision and preparation of graduate students so that the University can effectively train the next generation of teachers and researchers.

# **Students & Development**

## **Admission Process**

The University maintains a high bar in admissions by looking at student's performance in nation-wide board examinations, motivation to pursue the particular field of study, aptitude and personal interview. The University also gives strong emphasis to candidate's leadership and achievements in extra-curricular areas such as sports, arts and talent competitions.

## **Students Activities**

Extra-curricular cultural, social and sporting activities for the students are essential for their overall development. It inculcates team spirit, self-discipline and contributes to the physical and emotional well-being. The University provided resources for student clubs, sports and athletics.

## **Clubs**

Student clubs were active throughout the year and new clubs were added to the existing clubs. With able support from the University and guidance from the Dean of Students Welfare office, students celebrated the second edition of Breeze. The three day long inter-college cultural and technical festival held at the SRINIVAS UNIVERSITY campus saw participation from a host of colleges from Delhi University and other institutions from Delhi/NCR region. The three day extravaganza included a power-packed live performance by Delhi based famous band Half Step Down and a captivating performance by India's Ace Flautist Pt Ronu Majumdar.

## **Career Development Centre**

The Career Development Centre intends to support the students in shaping and managing their careers effectively. The aim is to inculcate employability skills amongst them which are the key ingredients for a successful and stable career. Employability skills not only improve the chances of placement for students/graduates but also help in developing professional attributes for continuing and growing in the

job. These are the skills, attitudes and actions that enable professionals to get along with their fellow workers, reporting managers/supervisors and to take informed decisions at crucial times.

# The University

Srinivas University has been established by the A. Shama Rao Foundation as a multi-disciplinary, research led organization with a vision to grow into a world class university providing world class education to students from all walks of life. A. Shama Rao foundation under the guidance of its president Shri. CA. A. Raghavendra Rao is committed to create an equitable, humane, merit based society. Srinivas University aims to be a University of the Future for the Future generations.

### **Vision:**

To be an international University in dynamic equilibrium with its social, ecological and economic environment striving continuously for excellence in education, research and new technology by creating a vibrant learning environment this moulds the skills and values of the individual and society.

### **Mission:**

- To create and sustain a community of learning in which students acquire knowledge and learn to apply it professionally with due consideration for ethical, ecological, and economic issues.
- To pursue research and disseminate research findings.
- To provide knowledge-based technological services to satisfy the needs of society and the industry.
- To help in building national capabilities in science, technology, humanities, management, education and research.

### **Goal:**

The University's goal is to become internationally recognized for the quality of its research and creative endeavors and their applicability to improving quality of life, generating new insights and expanding the boundaries of human knowledge creativity.

### **Act:**

**Table 3: Board of Governors**

## The Board of Management

The board of Management is the executive body of the University. It is responsible for the achievement of the University's mission and goals. This includes oversight of the University's academic programs and academic standards, goals and objectives; the establishment of academic and research units; oversight of campus policies and investment strategies; conducting institutional performance evaluations; compliance with the University's statutory and regulatory responsibilities; liaison with external agencies and political bodies; and advising the board of Governors and Chancellor on hiring and evaluating the various employees of the university.

**The present Members of the Board of Management of Srinivas University are:**

|                                           |                  |
|-------------------------------------------|------------------|
| Prof. Dr. P. S. Aithal<br>Vice Chancellor | Chairman         |
| Prof. Dr. Shrinivasa Mayya D              | Member           |
| Prof. Dr. Ajay K. J.                      | Member           |
| Prof. Sham Kishore                        | Member           |

| Prof. Dr. Anil Kumar, Registrar           | Member/Secretary |

**Table 4: Members of the Board of Management**

## **Academic Council**

The formal involvement and engagement of the faculty in the academic administration of the University is a corner stone of its governance culture. The Academic Council is the apex body representing the faculty's formal role in University governance. The Academic Council will have oversight over all matters of educational policy and is responsible for evaluating and approving all academic degree programs including requirements for admission, honors or degrees granted at the University.

### Library and Information Centre

Realizing the importance of Library in teaching the foundation has concentrated on building a modern library which has more than 65000 volumes covering all branches of Engineering, Management, Medicine, Dentistry, Physiotherapy, Nursing and Pharmacy. The library is also e-enabled and has adopted open access system and maintains OPAC to access the stack. The library subscribes to both hard volumes as well as e-journal in the respective disciplines and has created a vast reservoir of information to be accessed by the faculty, staff, students and researchers.

### Services and Amenities at the Campus:

#### Centralized Library

Srinivas Group provides students with spacious library with more than 22000 books in 1200 different titles. Separate libraries for Management Books and Computer Science

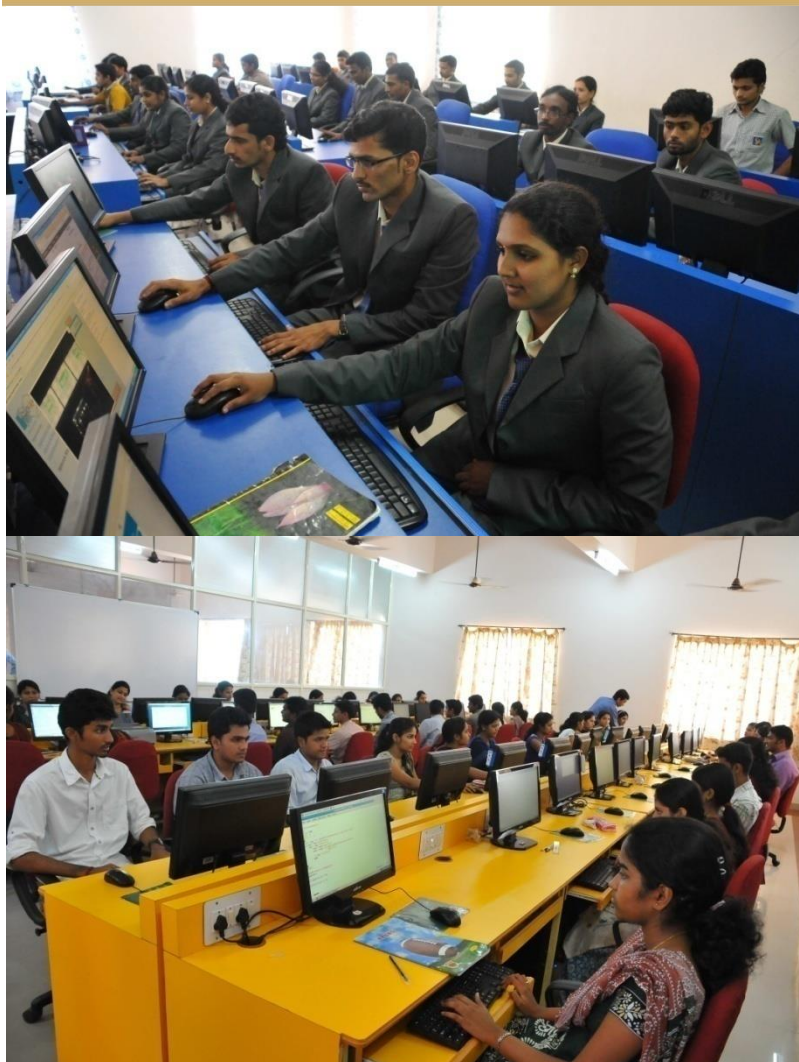

# ANNUAL REPORT 2021-22

Books have been developed which are centrally controlled. The Library is under the process of digitalization and is expected to be complete in a few months. The Library subscribes over 100 Management Journals/Magazines and 50 Computer Science Journals/Magazines along with over 60 general reading magazines and newspapers.

## Modern Computer Lab

Students of Srinivas Group are provided with spacious computer labs equipped with 300 modern computers assembled specifically to suit the requirements of both Computer Science and Management students with Windows and Linux platforms.

## **Wi-Fi Internet Connectivity**

The colleges have Wi-Fi enabled campuses. Students can access internet from any part of the campus through the Wi-Fi enabled (Wireless enabled) laptop computers.

The Institute has 100 Mbps Leased line internet facility that can be utilized by the students throughout the day from 9.00 a.m. to 8.00 p.m.

## **Multi-Media Class Rooms**

All the class rooms are equipped with LCD projectors with multimedia compatibility for improving the effectiveness of class room discussions

## **INDUSTRIAL COLLABORATIONS**

## Industrial Collaboration

Industrial partnerships and programs are an endeavor of the Srinivas University to provide students with a holistic educational perspective and to incorporate the best approaches and practices in the teaching methodology to supplement the traditional pedagogy.

The University signed important MOUs with industrial organisation in various spheres of activity. Some of the major organizations with which MOU was signed are
