CHANCELLOR MESSAGE

The hard work of 32 years has borne fruit. It is indeed an honour and a great moment in time for me to be at the helm of affairs as the Srinivas University takes shape. The nation is peaking towards phenomenal growth and time couldn't be better for all of us; including the final stakeholders i.e. students learning diverse disciplines such as Medicine, Dentistry, Nursing, Engineering, Management, Pharmacy, Para Medical Sciences, etc. in the numerous constituent colleges and I'm certain, that with proper guidance and motivation, this sparkling energy can be channelised for the utilization of building the nation.

PRO CHANCELLOR MESSAGE

I take pleasure in welcoming you to Srinivas University, where excellence is fostered, pursued and celebrated with zest and passion, where the academicians give the right impetus for making life-long learners out of students. We are committed to building a truly exceptional future for our students in an encouraging environment; and work tirelessly towards building skill-sets, knowledge and intellect of our students which imbibe in them curiosity, critical thinking, innovation and professional skills. Our students are refined with state-of-the-art resources at hand and experienced and energetic faculty members who impart knowledge emphasizing on values which ensures inclusive development and growth of all students

VICE CHANCELLOR MESSAGE

Greetings to all! As the Vice Chancellor of Srinivas University, Mukka, Surathkal, I am honored to be part of this dynamic educational institution, a beacon of knowledge, innovation, and transformative learning experiences.

Our commitment to excellence at Srinivas University is a guiding principle permeating every academic facet. We envision an education that transcends boundaries, empowers young minds, and shapes leaders contributing meaningfully to society. Our Vision: Srinivas University aims to foster an environment nurturing curiosity, celebrating creativity, and making innovation a way of life. We aspire to be globally recognized, producing graduates as thought leaders, change-makers, and pioneers.

**"THE PURPOSE OF EDUCATION IS TO
MAKE GOOD HUMAN BEINGS WITH SKILL
AND EXPERTISE... ENLIGHTENED HUMAN
BEINGS CAN BE CREATED BY
TEACHERS."

DEAN MESSAGE

Technology is evolving rapidly, and we must keep up to ensure you're ready for the industry. At the Institute of Computer Science and Information Science (ICIS), we believe that understanding the fundamental concepts of new technologies, along with developing practical skills, is crucial. This approach is more important than just focusing on specific tools, which can quickly become obsolete. We continuously update our curriculum and sometimes go beyond the standard syllabus to cover the latest advancements. To meet industry expectations, we continuously review and update our curriculum. Sometimes, this means going beyond the standard syllabus to cover state-of-the-art technologies and concepts. Our goal is to prepare you for the ever-changing tech landscape.

A significant academic milestone this month was Srinivas University being accredited with an 'A' Grade by NAAC, reflecting the institution's commitment to maintaining high academic standards and quality education.

ENVIRONMENT DAY

BY B4 AND B5 BATCH STUDENTS

On the occasion of Environment Day, the B4 and B5 BCA students of the Institute of Computer Science & Information Science organized several activities to promote environmental awareness and responsibility. The event featured poster presentations, where students displayed creative messages about saving the environment, reducing pollution, and adopting sustainable practices. Students also delivered thoughtful speeches highlighting the importance of protecting natural resources and making eco-friendly choices. As part of the initiative, students took the responsibility to plant saplings at their homes, showing their personal commitment to a greener planet. The celebration was a success, inspiring students to take active steps toward environmental conservation even beyond the campus.

TECH TALK FOR MCA STUDENTS

Tech Talk on “The Power of Open Source in Cybersecurity Architecture”

The Institute of Computer Science & Information Science (ICIS), Srinivas University, hosted an insightful Tech Talk on “The Power of Open Source in Cybersecurity Architecture.” The session was aimed at exploring the role of open-source tools in securing modern digital infrastructures.

The event began with a welcome address by MCA student Likitha. Special recognition was given to Dr. Subrahmanya Bhat (Dean, ICIS), Prof. Swathi Kumari H (HoD), Dr. Soumya S, Prof. Shyamala B, and all faculty and students for their support.

Guest Speaker: Ms. Sri Laxmi K N, ICIS alumna and Information Security Administrator at Alshaya, shared her journey and insights on open-source tools like Kali Linux, Snort, Metasploit, and Wireshark. She emphasized the benefits, challenges, and strategies in using open-source technologies for cybersecurity.

The session concluded with an interactive Q&A and a vote of thanks by MCA student Sushanth M S, appreciating Ms. Laxmi’s guidance and the efforts of the organizing team.

INTERNATIONAL YOGA DAY

-2025

Srinivas University Celebrates International Yoga Day

Mangalore: Srinivas University, under the visionary guidance of Honourable Chancellor Dr. CA. A. Raghavendra Rao and Pro-Chancellor Dr. A. Srinivas Rao, celebrated International Yoga Day on 21st June 2025 at its Pandeshwar New campus with great enthusiasm.

The program was inaugurated by Dr. Ajay Kumar, Registrar (Development), Srinivas University, along with Yoga Master Shri. Mustafa, Managing Director of Bharath Constructions, Mangaluru. In his insightful address, Shri. Mustafa shared the importance of self-care, stating, You should love your life partner – and that life partner is your own body. You must take care of it with the same love, and yoga is one of the best ways to do that. Only a sick person truly understands the crown of health. Self-love is essential. Amidst our busy schedules, it is important to give time to ourselves to maintain mental and physical well-being.

The event witnessed active participation from faculty members across various institutes of the Srinivas University, including the Institute of Management & Commerce (IMC), Institute of Physiotherapy (IP), Institute of Hotel Management & Tourism (IHM), Institute of Computer Science and Information Science (ICIS), Institute of Education (IE), and Institute of Port, Shipping and Logistics Management (IPSLM), who all engaged wholeheartedly in the yoga session.

The event was graced by the presence of Dr. Venkatesh Amin, Dean, Institute of Management & Commerce, Dr. Padmanabha C. H., Dean, Institute of Education, Dr. Subramanya Bhat, Dean, Institute of Computer Science and Information Science, Dr. Trishala Noronha, Dean, Institute of Physiotherapy, and Prof. Prashanth Prabhu, Dean, Institute of Hotel Management & Tourism.

The program concluded on a positive and energetic note, with Dr. Ajay Kumar warmly welcoming the gathering and Prof. Aishwarya compare the event.

INTERNATIONAL YOGA DAY 2025 BY B1 & B2 STUDENTS

The International Yoga Day event for BCA 2nd Year (B1 and B2) students was held on 21st June 2025, organized by Asst. Prof. Jowana Dhirshal and Prof. Aishwarya A.M. The session emphasized the importance of yoga, with students actively participating. A few students demonstrated yoga asanas, encouraging others to join and follow. Students also shared thoughts on the benefits of yoga. A website called "Yoga Image Bot" was developed and presented by the students. Additionally, an IoT-based project on inhaling and exhaling was showcased, highlighting innovation in health and wellness. The event saw enthusiastic participation and creativity from all students.

INTERNATIONAL YOGA DAY BY B8 BATCH

International Yoga Day was celebrated by the students of the B8 Batch with great enthusiasm and participation. The event was graced by the presence of Dean, Dr. Subrahmanya Bhat, and Head of the Department, Dr. P. Sridhar Acharya.

During the program, Dean Dr. Subrahmanya Bhat and HOD Dr. P. Sridhar Acharya addressed the gathering and highlighted the significance of incorporating yoga into our daily lives for better health and well-being.

Students actively contributed by explaining the importance of yoga and demonstrating various yoga postures (asanas). They also provided insights into the benefits of each asana performed. Additionally, a creative poster commemorating International Yoga Day was designed and displayed by the students as part of the celebration.

The event was organized under the guidance of Class Coordinator, Assistant Professor Radhika A. Mallya. The celebration successfully promoted awareness of the physical, mental, and emotional benefits of yoga, encouraging participants to adopt it as a regular practice.

TECH TALK ON “BEING HUMAN IN THE AGE OF AI”

The Institute of Computer Science and Information Sciences (ICIS), Srinivas University, organized a thought-provoking Tech Talk titled “Being Human in the Age of AI” on 26th June 2025 at 10:00 AM at the New Campus. The session aimed to explore the evolving connection between artificial intelligence and human values in the modern digital world.

The guest speaker, Mr. Praveen Uchil, Research Scholar at IISc and former Subject Matter Expert in UX Research and Design at PES University, delivered a powerful session. Drawing on his academic and industry experience, he discussed the ethical, emotional, and social implications of AI. He emphasized the importance of maintaining human-centered perspectives, focusing on empathy, moral reasoning, and emotional intelligence while designing AI systems.

Mr. Uchil highlighted the role of UX (User Experience) design in developing inclusive and responsible AI technologies. Through real-life examples, he demonstrated how AI can both benefit and harm society depending on how thoughtfully it is designed and used. A unique part of the session included a short yoga and mindfulness activity, encouraging students to stay mentally balanced and grounded amidst rapid technological growth.

The event began with a welcome speech by a student coordinator, followed by a prayer and the honoring of the chief guest. It was conducted under the ICIS IT Forum, with strong support from Dr. Subrahmanya Bhat (Dean), Dr. Sridhara Acharya (HoD, BCA), Prof. Swathi Kumari H (HoD, MCA), and faculty coordinators Dr. Soumya S, Asst. Prof. Shyamala B, and Asst. Prof. LavanyaM P. The session successfully raised awareness among students about the need for ethical and human-centric AI development, inspiring them to become responsible future technologists.
