ACTIVITIES TO BE CONSIDERED AND ASSESSMENT:

The activities suggested below are general in nature. They can be restructured to fit into the framework of particular subjects. Thus the same activity could be used by student teachers belonging to different methods of teaching.

(Any five activities report to be submitted – 10 marks each)

Each activity should be followed by presentations and reflections. Student teachers are expected to add all the reports and details of discussions done to their report. Student teachers will take up activities from the point of view of their pedagogic subjects.

- Activities for developing reading comprehension in subject areas – reading literature in the subject and making presentations followed by reflections
- Creating subject dictionaries/vocabulary lists along with notes on their specialized usages
- Observations on use of language in content subjects – analysis of answer sheets, listing of common errors
- Identifying subject specific language needs – structures as well as terminology
- Making a list of common minimum language for learning in general
- Analysis of student language errors – how far are they language specific and content specific?
- Identifying critical areas for enhancement of student competence in using language across subjects
- Reading literature/Review of literature related to each subject, reading newspaper articles, presentations followed by discussions
- Creation of wall magazines in respective subject areas – group work
- Groups discussions and presentations – on various topics relating to different subjects
- Listening to lectures by experts, professionals(live or recorded) and preparing a brief write up on the same, presentation and reflections
- Watching a video programme, preparation and presentation of reports followed by reflections
- Seminars on various related topics – preparation of seminar papers, presentations followed by discussions(They could be encouraged to write seminar papers following the norms for writing journal articles)
- Organising programmes in their respective subject areas – group work – assess the programme from the language point of view
- Pick and speak/role play/drama based on subject specific themes
- Debates on controversial issues in subject areas followed by reflections on the language used for debating
- Reading biographies, fiction based on history, science fiction followed by presentations and discussions on the same

To,

The Principal
Kerala Samajam High School.
Pandeshwar, Mangalore

Dear Sir/Madam,

Sub: Request letter for the internship of our B.Ed students

As per the new B.Ed two year curriculum the fourth semester students need to complete 100 days of internship in the Educational institutions. Therefore I am requesting you to grant your permission to our student Ms. Kiran Kumari Shaw to complete the internship of 100 working days in your esteemed institution commencing from 10th of March 2021.

Our student will be functioning full day at your institution and you can use their services in all the academic, examination, curricular and co-curricular activities. Along with that they are supposed to complete the tasks given from the college during those days.

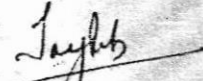

We also request you to issue a certificate in your institution letterhead to our student for the completion of internship in your institution successfully.

Please accept our request and give permission for the same.

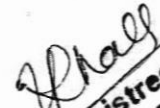

Kindly acknowledge.

Thank you,

Yours faithfully,

DEAN
