The university offers a variety of undergraduate, postgraduate, and doctoral programs in fields such as engineering, business management, health sciences, law, education and social sciences.

Message from the Academic Dean

As the Academic Dean, I am honored to extend a warm welcome to all participants of the State Level Conference on “Investigating Novel Technologies in Imaging Techniques” hosted by the Medical Imaging Technology unit of Srinivas Institute of Allied Health Sciences, Srinivas University. This conference brings together experts, professionals, and students to explore the latest advancements in imaging technologies, which are critical in shaping the future of healthcare. Let us work together to stay at the forefront of this rapidly evolving field, with the goal of improving patient care and outcomes.

I wish you all a successful and enriching conference experience, and I look forward to the valuable contributions and discussions that will arise from this gathering.

Prof. Pavana Krishnamoorthy
Dean, IAHS
