(*) SSRN does not provide rankings for per-paper measures for authors with less than 5 papers in the SSRN database. These measures are statistically unreliable when the denominator is small.

Please note: Authors: You can correct your affiliation and other personal information through [SSRN User Headquarters](#). If you see errors for other authors, please ask them to correct their personal information in the same manner, using their current email addresses on their Author pages. If you cannot contact them, please provide information about the errors and what you believe the correct information to be through our [Feedback Form](#).

Fair Use: The information on this page is free for your use, with the appropriate attribution to Social Science Electronic Publishing, Inc., and conspicuous inclusion of the URL www.ssrn.com in any document or web page where data from this page appears. We suggest that any republication include the date on which the data was updated and a link to the appropriate FAQ that describes how each of the data elements was gathered and/or calculated.
