## **Srinivas Research Centre for Wireless Communication and Networking**

---

### **Mr. Krishna Kaushik P**

#### **About the Research Centre**

This research centre is an initiative in the field of Electronics and Communication Engineering at Srinivas University College of Engineering and Technology (S.U.C.E.T), focusing various activities in the area of Wireless communication and Networking. The Wireless Communications will focus on all aspects related to wireless communications and its applications in current and future wireless systems. The rapid progress in wireless transmission system has made Wireless Communication & Networking a key area of research and design.

#### **Objectives**

- Develop expertise in various areas of wireless communication.
- Expose students / faculty with the current trends in Wireless Communication and Networking.
- Publish research papers in the field of Wireless communication.
- Take up challenging projects, to complete them successfully and also on time.
