

Internal Quality Assurance Cell (IQAC) of Srinivas University

The University strongly believes in creating and sustaining excellence in teaching-learning-evaluation process through innovations and reforms. Accordingly the IQAC has been established as a permanent and effective mechanism to address all aspects of quality on a day-to-day basis and ensure a culture of quality in the University. It oversees, plans, and monitors the Quality Assurance and Quality Enhancement activities of the University. The IQAC complies with the terms and policy of the University Grants Commission.

Composition of the IQAC :

The IQAC of the University was set up in July 2016 following a resolution of the Board of Management on 4 July 2016. The IQAC was set up with the following members:

Chairperson

Dr. P. S. Aithal (Vice Chancellor, SU)

Director

Dr. Laveena D'Mello. (Professor, CSSH)

Members

- *Dr. Sreeprakash, (Professor, CET, SU)*
- *Dr. Praveen B. M.(Co-ordinator of Research, SU)*
- *Prof. Annet Florence (Dean, CHMC, SU)*

External Experts

- *Prof. K. V. M. Varambally (Former Director, School of Management, Manipal University, Manipal)*
- *Prof. K. R. Kamath (Former Dean, Srinivas Institute of Technology, Mangalore)*
- *Prof. A. R. Shabaraya (Director, Srinivas College of Pharmacy, Mangalore)*

The following are the goals set by the IQAC for the academic year 2017-18.

- Identify, develop, and offer innovative, demand oriented, futuristic courses in UG, and PG programmes to the students.
- To make progressive innovations in examination & evaluation system.
- To increase the number of research projects/ collaborative activities of the University with various institutions and universities across the country and the globe. Faculty members should be encouraged to submit research projects to different funding agencies.
- To explore the possibility of obtaining access to the libraries of premier higher educational institutions for students and faculty members.
- Monitor and re-inforce the progress of the Training and Placement Cell through increased student training and development programmes.
- Prepare students to appear and qualify for NET/SLET and GATE examinations.
- Organize more conferences and workshops at National & International Level.
- Focus on collaboration with national and international universities as well as various industries for curriculum development and knowledge/research partnership.
