

SRINIVAS UNIVERSITY
RESEARCH & INNOVATION COUNCIL
PDF Reports 2021

Si No	Name of the candidate	Address	Title	Subject	College	Report
01	Dr Krishna Prasad K	College of Computer and Information Science, Srinivas University, Mangaluru-575001	Efficient Intelligent Systems for Healthcare Data Management and Delivery	Artificial Intelligence System in Health Care	College of Computer and Information Science	https://doi.org/10.5281/zenodo.5148783
02	Dr. Sachin Kumar	College of Computer and Information Science, Srinivas University, Mangaluru-575001	A study of data analytics and applications in multiple field using big data and internet of things(IoT)	Computer Science and Engineering	College of Computer and Information Science	https://doi.org/10.5281/zenodo.5148785
03	Dr. Prantosh K Paul	College of Computer and Information Science, Srinivas University, Mangaluru-575001	Environmental Informatics: Social, Technological & Educational Aspects— International Scenario and Indian Potentialities	Environmental Informatics	College of Computer and Information Science	https://doi.org/10.5281/zenodo.5148827
04	Dr. Rajesh Bose	College of Computer and Information Science, Srinivas University, Mangaluru-575001	Focusing Artificial Intelligence and Machine Learning in Clinical Practice for an Effective Prognosis	Computer Science and Engineering	College of Computer and Information Science	https://doi.org/10.5281/zenodo.5151125
05	Dr. Dipak Gade	College of Computer and Information Science, Srinivas University, Mangaluru-575001	A study of crucial role of software engineering in development of smart cities, with special emphasis on digital and information communication technologies	Computer Science and Engineering	College of Computer and Information Science	https://doi.org/10.5281/zenodo.5151117
06	Dr. Mathew C.D	College of Management and Commerce, Srinivas University, Mangaluru-575001	Applicability Of Retrospective Experiential Learning To Counter Social Exclusion,To Foster Social Capital And Eclectic Theories Of Economics	Business Management	College of Management and Commerce	https://doi.org/10.5281/zenodo.5151127

07	Dr. Sandip Roy	College of Computer and Information Science, Srinivas University, Mangaluru-575001	Combatting Depression and Associated Health Risks through Artificial Intelligence and Machine Learning	Computer Science and Engineering	College of Computer and Information Science	https://doi.org/10.5281/zenodo.5151131
